I. APPROVAL OF MINUTES

The Board VOTED 5-0 (Zaid Abdul-Aleem, and Dr. Stephanie Cox-Batson, absent) to approve the Open Session Minutes of the May 16, 2022 meeting.

II. CHAIR'S REPORT

The Chair thanked staff for its hard work during the pandemic. He also expressed his disappointment that the package of amendments proposed to City Council by Ald. Michele Smith, Chair of the City Council's Committee on Ethics and Government Oversight, has been stalled in City Council since it was introduced in April. That package contains important reforms, and he hopes that the Mayor and her staff and City Council members who have been hesitant consider the package and approve it swiftly.

IV. EXECUTIVE DIRECTOR'S REPORT

A. Amendments to Ordinance

As was widely reported, at the May 25 City Council meeting, a package of amendments to the Governmental Ethics Ordinance and City Council Rules failed to move out of the Rules Committee. We have worked with Chair Michele Smith of the City Council's Committee on Ethics and Government Oversight and her staff and the Legislative Reference Bureau on modifying the original package, in response to comments received from other City Council members, the Mayor's Office of Intergovernmental Affairs ("IGA"), and the Law Department. We also greatly appreciate the work of the Better Government Association, which had a hand in drafting these amendments. We will have more details on the modified package in closed session. We are working hard to ensure this package is enacted into law.

Highlights include:

- Greatly expanding the City's conflicts of interest provisions to ensure that City officials or employees cannot seek to influence City action on matters affecting or benefitting their relatives or domestic partners. Current law prohibits only managing contracts with firms with whom a City employee's or official's relative is employed or contracts. The new ordinance will sweep in any "administrative, legislative action or decision" – including, for example, issuing permits, licenses, and conducting inspections – and will prohibit firms from hiring relatives in a way that skirts this provision (§§2-156-030(b), -080(b), -130(b), -130 (c));
- Codifying long-standing Board case law that City employees and elected officials may not "represent," even informally, the interests of other persons, including non-profits, before City agencies and employees and officials acting in their official capacity, unless that representation is in the course of and required to perform one's City responsibilities, but adding in an exemption if a City official or employee is acting on behalf of a non-profit that wishes to donate goods or services to the City (§2-156-090(a));
- Streamlining the restrictions on City employees offering or giving gifts to their official superiors; making it clear that there is never an obligation to give a gift; and imposing a \$20 limit for group gifts and putting a cap of \$250 on individual gifts for very infrequently occurring situations like a wedding or childbirth (there is no such cap today) (§2-156-143);
- Ending the "privilege of the floor" for lobbying by former City Council members, and prohibiting lobbying on the floor of City Council during Committee or full City Council meetings, but explicitly allowing discussions between current City officials and employees (§2-156-301);
- Amending City Council Rules 14 and 44 to require that City Council members who recuse themselves from any matter in a Committee meeting to disclose the recusal on the record to the City Clerk, who will record the recusal; and then the Board of Ethics will publish them, and requiring them to leave the Committee room during discussion and voting on the matter;
- Requiring City Council members and other elected officials who recuse themselves from matters before City Council committee meetings to physically leave the committee room during discussion and voting on such matters—but they may be counted for purposes of a quorum (§§2-156-030(b), -080(b));
- Clarifying that independent contractors to City Council members and committees who provide substantive services to the City are not City employees, but still must complete required training and file annual Statements of Financial Interests (§§2-156-010 (d-1), (d-2));
- Requiring City Council employees and independent contractors to disclose on their annual Statements of Financial Interests which City Council member, bureau, or committee they work for (§2-156-160);

- Extending the \$1,500 per year/per candidate committee limit on “corporate” political contributions to include contractors of additional “sister” agencies, including the Chicago Housing Authority, Public Building Commission, and a future elected school board whose contracts are worth more than \$10,000 in a 12-month period. Note: because there is no database of subcontractors, the proposal has removed the original language that would have subjected subcontractors on City and named sister agency contracts worth more than \$10,000 in a 12 month period to the \$1,500 per committee/per calendar year limitation (§2-156-445(a));
- Extending the prohibitions on using City property or resources for political purposes to candidates for City elected office—under current law only incumbents or City employees or officials are covered (§2-156-135(b));
- Expanding the definition of “City property” to include the official City seal, City intellectual property, machinery, and tangible equipment like computers and smart phones, none of which may be used for political activity or without authorization (§2-156-010(e-1));
- Clarifying that the lobbyist registration requirements do not apply to *bona fide* salespersons, or to regular citizens who are supporting efforts to get policy passed by, for example, visiting a ward office with a non-profit advocacy organization (§2-156-010(p));
- Clarifying that sworn CPD personnel may be employed as private security officers, provided they receive all required approvals from CPD itself (§2-156-142(f)).

We have on our website a color-coded version of the Ordinance showing all changes made since January 2018. See <https://www.chicago.gov/content/dam/city/depts/ethics/general/Ordinances/GEO-2019-color%20through%20June%202020.pdf>

B. Education

On-line Training

For all employees and aldermen

The all new employee/Elected Official training was posted on the City’s e-learning platform. To date, approximately 21,515 employees and 27 City Council members have completed it. This represents about 68% of the expected City-wide total. This program must be completed before January 1, 2023; those who fail to complete it will be subject to fines as provided in the Ordinance until they do. We are grateful to our colleagues at the Department of Human Resources for their invaluable assistance in migrating the training programs to the City’s e-learning management platform, as well as assisting us with the sexual harassment portions of each year’s training program. The migration enables users to take the training from any computer, including their home computers. Previous training programs were deliberately designed to be taken only from City computers, for security reasons.

For lobbyists

To date, 605 lobbyists have completed the mandatory annual training, which is also posted on the City-wide e-learning system. This represents about 75% of our registered lobbyists so far for 2022. Lobbyists must complete the program before July 1, 2022, or be subject to fines as provided in the Ordinance until they complete it. We are sending weekly reminders to them, but the number of untrained lobbyists is concerning.

For appointed officials

To date, 103 appointed officials have completed their training. They have until the end of the year to complete it. As with the all-employee/Elected official and lobbyist training programs, it is hosted on the City's e-learning platform.

Classes and Other Presentations

We cancelled all in-person classes from March 2020 on. Given the course of the pandemic, we may re-start them in August. We have extended all training deadlines accordingly. All Board classes and educational programs cover sexual harassment.

On May 20, we made a 45-minute presentation to incoming laborers from the Department of Streets & Sanitation, at the department's request.

On June 6, I made a 60-minute presentation on revolving door restrictions for the International Municipal Lawyers Association ("IMLA"). My co-presenters were from the Los Angeles City Ethics Commission and Pittsburgh Ethics Hearing Board.

On June 8, we made a 60-minute presentation to the Law Department.

On June 9, we gave a 90-minute class for new 11th Ward Ald. Lee and her staff.

On June 13, we made a 20-minute presentation on the City's ethics laws to all Mayoral Fellows, at the invitation of the Mayor's Office.

On June 16, at the request of World Chicago and the U.S. State Department, we will make 60-minute presentation to anti-corruption administrators and journalists from Albania, Austria, Kosovo, Latvia, Lithuania, North Macedonia, and Ukraine.

C. Advisory Opinions

Since the Board's last meeting, we have issued 307 informal advisory opinions—a busy period. The leading categories for informal opinions were, in descending order: Travel; Gifts; Political Activity; Campaign Financing; Post-employment; Lobbying; Conflicts of Interests; and City Property.

The leading City departments from which requesters came in this period were, in descending order: City Council; Police Department/Civilian Office of Police Accountability (COPA)/Community Commission for Public Safety and Accountability (CCPSA); Mayor's Office; Department of Public Health; Department of Law; Chicago Public Library; and Office of Inspector General.

Informal opinions are not made public but are logged, kept, and used for training and future advisory purposes. This same practice occurs with our colleagues at the New York City Conflicts of Interest Board, who issue roughly the same number of informal opinions. They form the basis for much of our annual and periodic educational programs. Formal opinions are made public, in full text, with names and other identifying information redacted out.

In the past five (5) years, the Board has issued 65 formal opinions.

D. Summary Index of Formal Advisory Opinions/Text of all Formal Advisory Opinions

The full text of every formal Board opinion issued since 1986 is posted on the Board's website (more than 915), redacted in accordance with the Ordinance's confidentiality provisions, here: https://www.chicago.gov/city/en/depts/ethics/auto_generated/reg_archives.html.

Redacted opinions are posted once issued by or reported to the Board. Summaries and keywords for each of these opinions are available on the Board's searchable index of opinions, here: <https://www.chicago.gov/content/dam/city/depts/ethics/general/Publications/AOindex.docx>. We are working to add to this document live links to the full text of each opinion.

Only a few other ethics agencies have comparable research tools. We are unaware of jurisdictions that make their *informal* opinions public—though others issue them confidentially and enable requesters to rely on them in the event of an investigation or enforcement.

E. 2022 Statements of Financial Interests

On February 28/March 1, as required by law, we notified 3,641 City employees and officials required to file 2022 Statements of their requirement to file and provided the link to file electronically. Since then, 97 individuals were added as filers by their departments: new hires, and those whose positions were re-classified into titles requiring them to file.

The filing deadline for the original 3,641 was May 2. As of today, we have found 102 officials and employees in violation of the Ordinance, and fined them a total of \$35,850. There remain 2 individuals who have not yet filed. We have sent letters to the Department Heads and City Council members for whom those found in violation work, and to the Office of Intergovernmental Affairs, requesting that they report back to us on what disciplinary action they have taken.

Note: as new filers are added by each department as new hires or promotions are made, these newly added filers receive their notice to file within 24 hours of being added to the system.

F. Lobbyists: Re-registration and Q4 Reports

Currently there are 808 registered lobbyists, and we have collected \$370,125 in registration fees.

We post updated lists of all lobbyists and their clients and contact information about once each month, at this link: <https://www.chicago.gov/content/dam/city/depts/ethics/general/LobbyistStuff/LISTS/LobbyistList.xls>

1st Quarter lobbying activity reports were due before April 21. 36 failed to file by then, and received a reminder notification and then had 10 days from the date of the notice to file. Three (3) of these did not, and were sent a notice of probable cause on May 12, that they had seven (7) business days to file, or they would be found in violation of the law and fined \$1,000 per day beginning midnight on May 24 until they file. Since then, 1 terminated, 1 filed and one requested and was granted a short extension per Board Rule and timely filed.

G. Personnel Rules Revisions

In conjunction with the Mayor's Office, Departments of Human Resources, Law, Buildings, Business Affairs and Consumer Protection, and others, we worked on updating the City Personnel Rules, which were last revised in 2014. In particular, we are assisting on revisions to Rule XXIX, entitled "Conflict of Interest," with respect to: (i) conforming the Rules to the current version of the Governmental Ethics Ordinance; and (ii) expanding that Rule to prohibit City employees from making certain recommendations as to the hiring of other City employees and to recommending vendors or tradespeople to persons who are subject to inspections, permit reviews, etc.

H. Department Consultations

In the last few months, we assisted the Department of Streets & Sanitation in revising its conflicts of interests policies with respect to recommending outside business to residents, at the request of the Mayor's Office and the Department's Commissioner.

We also are working with the Commission on Human Relations to formulate a policy governing its employees' service on non-profit and other boards.

We also consulted with the Budget Office as to applicable ethics restrictions on the new Community Microgrants Program.

At the Mayor's directive we issued an ethics guide to evaluating and awarding CRP grants and contracts and as mentioned above, have offered each department a training session on the ethics guidelines.

I. Chicago Casino Bids

As was widely reported, the Mayor has chosen a casino operator. We issued guidance on lobbying to all elected officials recently, at the request of the Mayor. And we issued guidance on the restrictions in the Ordinance for the ~80 City employees and officials who were working on the process of selecting the Casino operator, also at the request of the Mayor. Board staff has worked closely with the Law Department, Mayor's Office, and the City's outside counsel (Taft, Stettinius and Hollister) to ensure that City officials and employees are informed of all reporting (and eventually, substantive ethics) requirements and prohibitions under the Illinois Gambling Act, 230 ILCS 10/1 et seq. Penalties for violating this law are severe: it is a Class 4 Felony under Illinois law, subjecting violators to fines up to \$25,000 and 1-3 years in prison. Note that the Gambling Act's reporting requirements are in addition to the restrictions in the City's Governmental Ethics Ordinance that would apply to those "applicants" who "communicate" with City officials or employees, such as the Ordinance's gifts restrictions and lobbyist registration requirements.

J. Waivers

Since July 1, 2013, the Board has had authority to grant waivers from certain provisions in the Ethics Ordinance. The Board has granted seven (7) and denied two (2). By law, we make all granted waivers public on our website.

K. Sister Agency Ethics Officers

We will meet next in July with the ethics officers from the other local governmental agencies: the Cook County Board of Ethics, Chicago Public Schools, Chicago Park District, Chicago Transit Authority, City Colleges of Chicago, Cook County Assessor's Office, Cook County Inspector General's Office (who are responsible for the Metropolitan Water Reclamation District), and the Chicago Housing Authority.

L. Summary Index of Board-Initiated Regulatory Actions/Adjudications/Pre-2013 Investigations

We post the summary index of all investigations, enforcement and regulatory actions undertaken by the Board since its inception in 1986 (other than those for violations of filing or training requirements or campaign financing matters). It includes an ongoing summary of all regulatory actions the Board undertook without an IG investigation. See <https://www.chicago.gov/content/dam/city/depts/ethics/general/EnforcementMatters/Invest-Index.pdf>

The Board makes public the names of all violators and penalties it assesses when authorized by law to do so. There have been, to date, 131 such matters. But, only in those that occurred after July 1, 2013, can the Board release the names of those found to have violated the Ordinance. Since July 1, 2013, alone, there have been 60 such matters.

M. Summary Index of Ongoing IG/LIG Investigations/Adjudications

There are currently no completed IG ethics investigations awaiting adjudication.

We post on our website and continually update an ongoing investigative record showing the status of every completed investigation brought to the Board by both the Office of Inspector General (13 since July 1, 2013) and the former Office of the Legislative Inspector General ("LIG"), since January 1, 2012, and the status of all 50 petitions to commence investigations presented to the Board by the LIG. We update it as appropriate, consistent with the Ordinance's confidentiality provisions. See <https://www.chicago.gov/content/dam/city/depts/ethics/general/EnforcementMatters/PulbicScorecard.pdf>

Whenever the IG presents the Board with a completed ethics investigation in which the IG believes there have been violations of the Governmental Ethics Ordinance, the procedure that follows is governed by §2-156-385(3) and (4) of the Ordinance: the Board reviews the IG's report, recommendations, and the entirety of the evidence submitted in its completed ethics investigation, including a review to ensure that the IG conformed with the requirement that it complete ethics investigations within two (2) years of commencing them (unless there is evidence that the subject took affirmative action to conceal evidence or delay the investigation), and that ethics investigations were commenced within five (5) years of the last alleged act of misconduct.

Then, if the Board finds that the evidence presented warrants a *prima facie* finding of probable cause to believe the subject violated the Ordinance, it notifies the subject of the allegations and affords the subject the opportunity to present written submissions and meet with the Board, together with an attorney or other representative present. The Ordinance provides that this meeting is *ex parte* – no one from the City's Law Department or IG is present. Note that the Board may request clarification from the IG as to any evidence adduced in its investigation before making a probable cause finding (and indeed has done so).

The Board cannot administer oaths at this meeting but can and does assess the subject's credibility and the validity and weight of any evidence the subject provides.

If the subject does not rebut the Board's *prima facie* probable cause finding, the Board may enter into a public settlement agreement—or the Board or subject may decide to proceed to a merits hearing that is not open to the public. That hearing would be held before an administrative law judge (ALJ) appointed by the Department of Administrative Hearings. The City would be represented by the Law Department (or a specially hired Assistant Corporation Counsel for that purpose), and the subject by their attorney. At the conclusion of the hearing, the ALJ submits findings of fact and law to the Board, which can accept or reject them, based solely on the written record of the hearing. The Board will then issue a public opinion in which it may find violations of the Ethics Ordinance, or find none, and impose appropriate fines.

The process may seem cumbersome. However, it was added to the Ordinance on July 1, 2013, based on specific recommendations of then-Mayor Emanuel's Ethics Reform Task Force in Part II of its 2012 Report—the primary purposes being to: (i) guarantee due process for all those investigated by the IG (or former LIG); (ii) ensure that **only** the Board of Ethics could make determinations as to whether a person investigated by the IG violated the Ordinance, given the Board's extensive jurisprudence and unique expertise in ethics matters; and (iii) balance due process for those investigated by the IG with an accurate adjudication by the Board and the public's right to know of ethics violations.

On our website, we have a publication describing this process in detail: <https://www.chicago.gov/content/dam/city/depts/ethics/general/Publications/EnforceProcedures.pdf>

Note: fines range from \$500-\$2,000 per violation for non-lobbying law violations that occurred before September 29, 2019, and \$1,000-\$5,000 per violation for violations occurring after that, except for unregistered lobbying violations, the penalties for which are \$1,000 per day beginning on the fifth day after the individual first engaged in lobbying and continuing until the individual registers as a lobbyist.

Please note finally that, in all matters adjudicated or settled on or after July 1, 2013, the Board makes public the names of all violators and penalties assessed, or a complete copy of the settlement agreement. All settlement agreements are posted here: <https://www.chicago.gov/city/en/depts/ethics/provdrs/reg/svcs/SettlementAgreements.html>

N. Disclosures of Past Violations

July 2013 amendments to the Ordinance provide that, when a person seeks advice from the Board about past conduct and discloses to the Board facts leading it to conclude that they committed a past violation of the Ordinance, the Board must determine whether that violation was minor or non-minor. If it was minor, the Board, by law, sends the person a confidential letter of admonition. If it was non-minor, then, under current law, the person is advised that they may self-report to the IG or, if he or she fails to do so within two (2) weeks, the Board must make that report. In 11 matters, the Board has determined that minor violations occurred, and the Board sent confidential letters of admonition, as required by the Ordinance. These letters are posted on the Board's website, with confidential information redacted out. There is one such matter on today's agenda, which was continued from last month.

O. Litigation

Lee v. City of Chicago. In June 2020, the City was sued in Cook County Circuit Court, Chancery Division, by a former City employee of the Civilian Office of Police Accountability (COPA). The case is *Jason W. Lee v. City of Chicago*, 2020 CH 04524. The plaintiff left City employment on February 28, 2020, and works as an attorney for the Policemen's Benevolent and Protective Association ("PBPA"). His suit alleges that the post-employment provisions of the Ordinance are unconstitutionally vague, and that the City is improperly attempting to regulate the practice of law by Illinois attorneys. It asked for a declaratory judgment and permanent injunction prohibiting the City from enforcing these restrictions against him. After the matter was briefed by both sides, on July 31, 2020, the Honorable Anna Demacopoulos denied the plaintiff's request for a temporary restraining order. The plaintiff was granted leave to file an amended complaint, and filed one, adding an as-applied constitutional challenge. The City moved to dismiss the entire matter. On February 25, 2021, Judge Demacopoulos granted the City's motion to dismiss concerning the facial challenge to sections 100(a) and (b) and also the as-applied challenge to section 100(a). The court, however, denied the motion concerning the as-applied challenge to section 100(b), but expressed concern that this claim may be moot. Count III was also dismissed; it asked for a declaratory judgment that, by enforcing the Ordinance, the City is violating PBPA members' right to "counsel of their choice." However, the court granted plaintiff leave to amend the complaint for all of the dismissed counts. Following the court's order on the City's motion to dismiss, the plaintiff was given leave to file an amended complaint, but he never did. Instead, he decided to move forward on the as-applied vagueness challenge to section 100(b) of the Ordinance. This is the only claim that survived the motion to dismiss. Judge Demacopoulos questioned whether this claim was moot in light of the expiration of the one year ban that applied to the plaintiff but left it up to the plaintiff whether he wanted to pursue the claim. Plaintiff may seek compensatory damages if he can prove that he suffered damage. The City filed its answer and affirmative defenses to the amended complaint on April 26, 2021. The plaintiff filed discovery requests. Board legal staff met with our attorneys in the Law Department and forwarded materials necessary to respond to these requests. There have been discussions regarding possible settlement of the matter as well, but the offer made by plaintiff to settle the matter was rejected.

Note: several PBPA members filed grievances under their collective bargaining agreement, alleging that their right "to counsel of their choice" was violated by COPA. These were settled on terms that do not affect the Governmental Ethics Ordinance's post-employment provisions.

Brookins v. Board of Ethics, et al. This matter is assigned to the Honorable David Atkins in the Chancery Division of Cook County Circuit Court. The Board's and my attorneys have moved to dismiss the entire lawsuit and have submitted briefs. We await a decision.

Czosnyka et al. v. Gardiner et al., docket number is 21-cv-3240. We and the City of Chicago are now dismissed out of this case. On June 17, six (6) individuals residing in the 45th Ward filed a lawsuit in United States District Court against 45th Ward Ald. James Gardiner and the City, alleging that their 1st Amendment rights were violated by the Ald.'s improper blocking of them on his "official" City social media accounts. The plaintiffs sought certification of a class of all those improperly blocked by the Ald. The suit also alleged that more than 20 complaints of improper blocking were filed with the Board and the IG, but the City "failed to take any action to reprimand Alderman Gardiner, although it has the power to do so," and thus "acquiesced in [the Alderman's] constitutional violations." It seeks to have the plaintiffs reinstated as full participants in these social media accounts and unspecified damages. The case is before the Honorable Judge Sharon J. Coleman.

On October 26, 2021, Judge Coleman granted the City's motion to dismiss it from the suit, and on January 12, 2022, denied the plaintiffs' motion to reconsider her decision. Plaintiffs could appeal this decision to the Seventh Circuit Court of Appeals. The residents sought to hold the City liable under the "failure to discipline" *Monell* theory of municipal liability. Specifically, they argued that the City should be held liable for failing to investigate Ald. Gardiner through the IG and also for failing to fine him through the Board of Ethics.

Note that Ald. Gardiner retained independent counsel and moved to dismiss the suit on the basis that the social media site does not constitute an "official City site." On February 10, 2022, Judge Coleman denied that motion, writing that:

"plaintiffs have plausibly alleged that Alderman Gardiner restricted their access to a public forum in violation of the First Amendment by barring them or deleting their comments from the interactive portions of his Facebook Page that designates Alderman Gardiner as a government official. These facts raise a reasonable inference that plaintiffs are not alone in suffering constitutional injuries resulting from Alderman Gardiner's practices. Moreover, plaintiffs have set forth sufficiently detailed allegations that Alderman Gardiner knowingly banned constituents and engaged in content-based regulation of speech on his Facebook Page. Further, he did so unilaterally while seeking out engagement from users."

On June 1, we received a subpoena from the plaintiff for internal records on this matter. We are working with the Law Department on responding.

P. Freedom of Information Act

Since the last Board meeting, the Board has received two (2) requests. The first was a City-wide request for records involving Amber Heard and Johnny Depp and related matters; we requested aid from the Law Department. The second was a City-wide request for records involving the requestor's job application in his locality and related matter; we requested aid from the Law Department.

Q. Employee Vaccination Status

I'm pleased to report that all seven (7) staff members are fully vaccinated for Covid-19, and in compliance with the City's policy on vaccinations.

V. PUBLIC COMMENTS

Mr. Pete Czosnyka spoke first. He said that he filed the complaint against Ald. Sposato (38th) and also filed a complaint alleging that Ald. Sposato has used his ward office on Harlem Ave. for political events, in violation of the Governmental Ethics Ordinance, and that Ald. Sposato has blocked him from commenting on a Facebook page that once was an official page, as it contained official City content, but that Ald. Sposato has converted it into a personal Facebook page.

Mr. Jason Gronkiewicz-Doran then spoke, and said that Ald. Sposato casually disregards the prohibitions of the Ethics Ordinance and shows disrespect for residents, and is smirking as he listens to this proceeding, which he treats as a joke, and that he "doxed" Mr. Czosnyka by posting a photo of himself standing in front of a fire truck

with the superimposed license plate “Pete C” on it, and hopes the Board will sanction Ald. Sposato for his continual flouting of ethics laws.

The Chair then asked Ald. Sposato whether he wished to respond. Ald. Sposato stated that The Peoples Fabric, United NW Side, and individual members of these groups, including Mssrs. Czosnyka and Gronkiewicz-Doran, do not like him because he is a conservative, whose title is Alderman, not Alderperson, and because they support the person that 45th Ward Ald. Jim Gardiner beat in the 2019 election, John Arena, and spend their time attacking him and wreaking havoc, and attacking Ald. Gardiner and 41st Ald. Anthony Napolitano, because they disagree with their politics. He said he has no problem with people disagreeing with him, but that they should post their comments on their own social media pages, not on his. He said both of these men are liars, and that he posted this photo of himself, in Chicago Fire Department garb and in front of a Chicago fire truck, for years, and no one questioned it until these “commies” and “knuckleheads” did, and that there are a lot of Pete C’s around and how do they know his posting referred to Pete Czosnyka? And he added that his Ward office on Harlem Avenue also contains his political office in the back and that is where political events occur.

The Chair then asked Mssrs. Czosnyka and Gronkiewicz-Doran if they would like to respond, and Mr. Gronkiewicz-Doran stated that it is simply unbelievable that Ald. Sposato would claim that the “Pete C.” reference in the photo is not Mr. Czosnyka.

Substitute Package of Proposed Amendments to Chapter 2-156 and City Council Rules

The Executive Director said that the Board has worked closely with Ald. Smith and her staff, the staff of the City Council’s Legislative Reference Bureau, and the Better Government Association on the package of reforms, and he is hopeful that all interested parties will meet soon to resolve any differences and that the package can be enacted into law as soon as possible.

VIII. PRIOR BOARD MEETING’S EXECUTIVE SESSION MINUTES

This matter shall be discussed in Executive Session.

At 3:33 p.m., the Board VOTED 5-0 (Zaid Abdul-Aleem, and Dr. Stephanie Cox-Batson, absent) to adjourn into Executive Session under: (i) 5 ILCS 120/2(c)(1) to discuss the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee of the public body or against legal counsel for the public body to determine its validity. However, a meeting to consider an increase in compensation to a specific employee of a public body that is subject to the Local Government Wage Increase Transparency Act may not be closed and shall be open to the public and posted and held in accordance with this Act; (ii) 5 ILCS 120/2(c)(4) to hear and discuss evidence or testimony in closed hearing as specifically authorized pursuant to Governmental Ethics Ordinance Sections 2-156-385 and -392, and the Board’s Rules and Regulations, as amended, effective January 5, 2017, presented to a quasi-adjudicative body, as defined in the Illinois Open Meetings Act, provided that the body

prepares and makes available for public inspection a written decision setting forth its determinative reasoning; and (iii) 5 ILCS 120/2(c)(21) to discuss minutes of meetings lawfully closed under this Act, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06.

At 5:15 p.m. the Board VOTED 5-0 (Zaid Abdul-Aleem, and Dr. Stephanie Cox-Batson, absent) to reconvene in Open Session.

IX. MATTERS CONSIDERED BY THE BOARD IN EXECUTIVE SESSION

The Board confirmed its discussion in Executive Session, and VOTED 5-0 (Zaid Abdul-Aleem, and Dr. Stephanie Cox-Batson, absent) in Open Session, to approve the Executive Session Minutes of the May 16, 2022 meeting.
