If your question is about an existing permit application, please include your application number or the address of your application.

Creating a New Permit

To create a new permit:

- Click the **Create New** drop-down
- Select **Permit Application**

The screenshot shows the City of Chicago website interface. At the top, there is a navigation bar with the City of Chicago logo, the text "The City of Chicago's Official Site", and "Inspections, Permitting & Licensing". Below this is a user profile bar showing "CGN Tester1" and buttons for "Documentation" and "Cart (0)". The main content area has two tabs: "Permit" and "Digger". A "Create New" dropdown menu is open, showing options: "Permit Application" (highlighted in blue), "Dig Ticket", "Hit Report", and "Joint Meet". Two callout boxes with arrows point to the "Create New" button and the "Permit Application" option. The first callout says "1. Click Create New" and the second says "2. Select Permit Application". Below the dropdown is a search and filter section with a "Search" button, a "Filter by Search" input field, and a "Sort by Date" dropdown menu set to "Later Intake Date". At the bottom of the page, there is a footer with support information: "If you need assistance, please contact support for the appropriate department. If your question is about an existing permit application, please include your application number or the address of your application."

On the **Select Application Type** screen:

- Select **Opening in the Public Right of Way**

The screenshot shows the 'Select Application Type' page on the City of Chicago website. The page header includes the City of Chicago logo, 'The City of Chicago's Official Site', and 'Inspections, Permitting & Licensing'. A user is logged in as 'CGN Tester1'. The page has a breadcrumb trail: 'Home > Permits'. The main heading is 'Select Application Type' with a subtext: 'Select the type of permit application you would like to complete. If you do not see the permit type you are looking for, please [click here for additional information](#).' Below this, there are several permit categories, each with a blue arrow icon on the left and a description on the right. A purple callout box with a white border and a pointer to the 'Opening in the Public Right of Way' option contains the text: 'Select Opening in the Public Right of Way'. The categories listed are: CDPH Air Quality Permit, CDPH Asbestos / Demolition NOI, Opening in the Public Right of Way, Occupy the Public Right of Way, Construction Dumpsters, Building Canopies, Truck Travel, Other Transportation and Public Way Permits, and Events.

Note: You may not have as many options of permits dependent on the types of licenses you have.

2. Applicants

Primary Applicant

The company associated with your web login will display the **Primary Applicant**.

If an entity other than you or your company should be listed as Excavator / Sub-Contractor than click the **Add Excavator / Sub-Contractor** button to display the **Search for Excavator / Sub-Contractor** dialog box.

Otherwise, click **Next Step** to proceed.

3. Basic Job Information

Enter the **Basic Job Information**:

- Enter the **Project Name** (optional)
- Select the **Type of Work** from the drop-down (required)
 - Select **General Public Way Opening**
- Select the **Start Date** from the **Calendar** pop-up (required)
- Select the **End Date** from the **Calendar** pop-up (required)
- Enter the **Description of Work** (optional)
- Click **Next Step** to proceed

The screenshot shows the 'Basic Job Information' form on the City of Chicago website. The form is titled 'Basic Job Information' and includes a sub-header 'Enter the start and end date of the work, as well as the type'. Below this, there is a section for '* Required Information' with the following fields: 'Project Name' (text input), 'Type of Work' (drop-down menu), 'Start Date' (calendar input), 'End Date' (calendar input), and 'Description of Work' (text area). At the bottom of the form are 'Previous Step' and 'Next Step' buttons. The form is annotated with six numbered callouts: 1. Enter the Project Name; 2. Select from drop-down list; 3. Select the Start Date; 4. Select the End Date; 5. Enter Description of Work; 6. Click the Next Step button to proceed.

4. Application Information

Emergency Contacts

Add **Emergency Contact** information:

- Click the **+Add Emergency Contact Information** button to display the **Add Emergency Contact Information** dialog box

The screenshot shows the 'Application Information' page in the City of Chicago's official site. The page title is 'Application Information' with the subtitle 'Provide the names and contact information of anyone who should be contacted in the event of an emergency.' A sidebar on the left lists steps from 1 to 8, with '4. Application Information' selected. The main content area has a section for 'Emergency Contacts' with a table header for 'Name', 'Phone', and 'E-Mail'. Below the table is a green button labeled '+ Add Emergency Contact Information'. A purple callout bubble points to this button with the text 'Click the +Add Emergency Contact Information button'. Below this is a section for 'City Contract / Ordinance Information' with a text input field containing 'I need to enter City Contract or Ordinance Information for this permit.' and 'Previous Step' and 'Next Step' buttons.

To **Add Emergency Contact Information**:

- Click **Add Emergency Contact Information** to proceed

The screenshot shows a dialog box titled 'Add Emergency Contact Information'. It contains three input fields: 'Name' with the value 'John Doe', 'Phone' with the value '(773)123-4567', and 'E-Mail' with the value 'john.doe@email.com'. Each field has an asterisk indicating it is required. At the bottom of the dialog are two buttons: 'Cancel' and 'Add Emergency Contact Information'. A purple callout bubble points to the 'Add Emergency Contact Information' button with the text 'Click the +Add Emergency Contact Information button'.

City Contract / Ordinance Information

Click the **City Contract / Ordinance Information** button to display the **City Contract / Ordinance Information**.

*Note: The **City Contract / Ordinance Information** is not required. If you do not have a City Contract or Ordinance information for this permit, please leave these fields blank.*

Otherwise, click **Next Step** to proceed.

The screenshot shows the 'City of Chicago' website interface for 'Inspections, Permitting & Licensing'. The user is logged in as 'CGN Tester1'. The breadcrumb trail is 'Home > Permits > Apply'. The sidebar lists 8 steps: 1. Application Type, 2. Applicants, 3. Basic Job Information, 4. Application Information (selected), 5. Opening Information, 6. Documentation, 7. Legal Agreements, 8. Status.

The main content area is titled 'Application Information' with the instruction: 'Provide the names and contact information of anyone who should be contacted in the event of an emergency.' A note indicates that the following information is required.

Emergency Contacts

Name	Phone	E-Mail	
John Doe	(773)123-4567	john.doe@email.com	Edit Delete

+ Add Emergency Contact Information

City Contract / Ordinance Information

I need to enter City Contract or Ordinance Information for this permit.

Navigation buttons: Previous Step, Next Step

6. Documentation

If this permit is for an arterial street, a completed work zone sketch is required:

- Click **+Add Document** to display the **Add Document** dialog box

*Note: Only jpg, pdf, or png files can be added. The **Work Zone Sketch** is required for this permit.*

The screenshot shows the 'Documentation' step in the application process. The sidebar on the left lists steps from 1 to 8, with 'Documentation' selected. The main content area displays the application number 'DOT547273' and a note that a work zone sketch is required for arterial streets. A yellow box lists the required documentation: 'Work Zone Sketch Upload Required'. Below this is a table with columns 'Document' and 'Categories', and a '+ Add Document' button. A callout box points to this button with the text 'Click the +Add Document button to add a document'. At the bottom of the main content area are 'Previous Step' and 'Next Step' buttons. A footer note provides contact information for assistance.

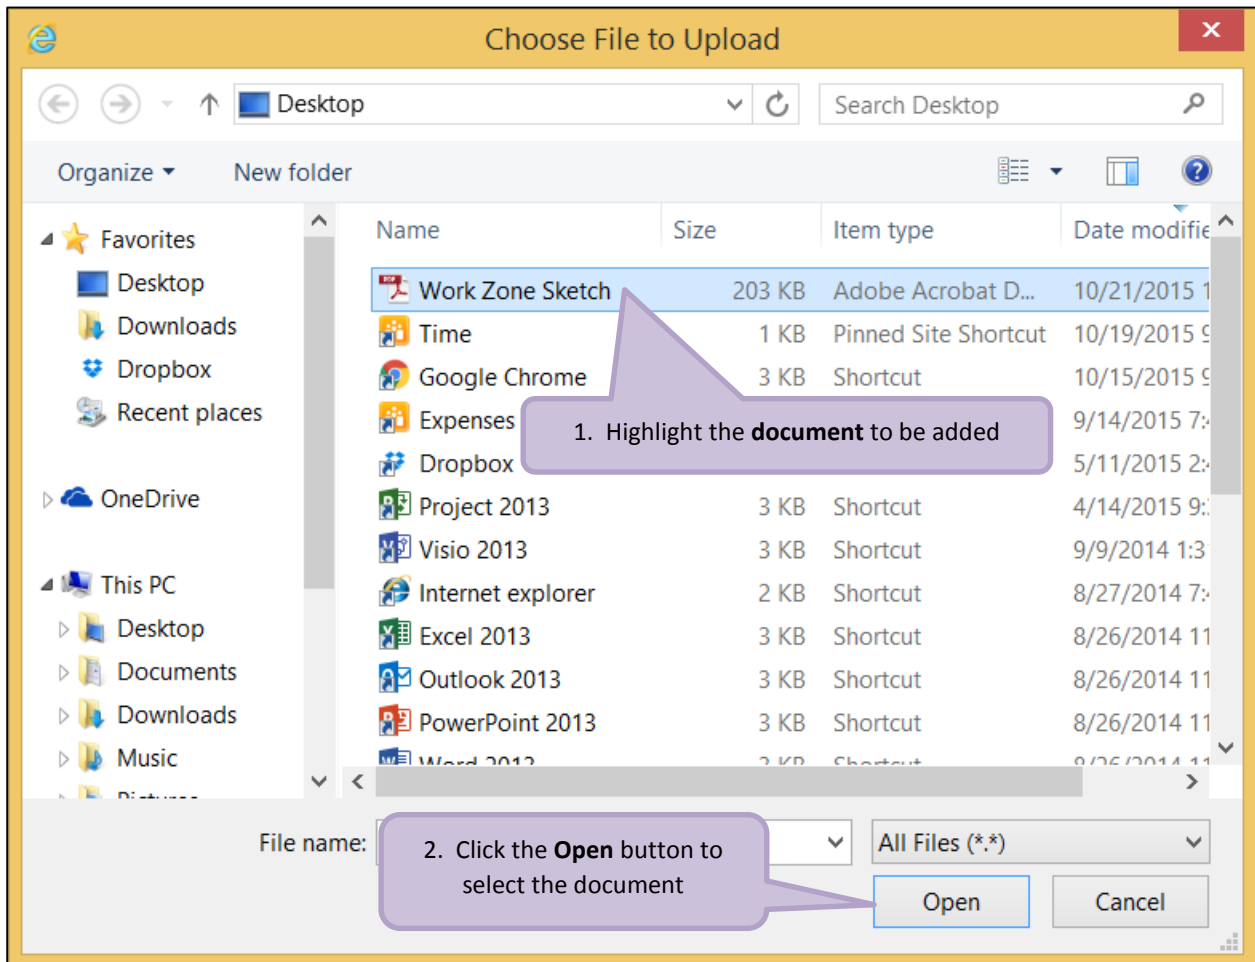

Click the **Browse...** button to locate the document.

The screenshot shows the 'Add Document' dialog box. It has a title bar with a close button. Below the title, it lists 'Approved File Types: jpg, pdf, png'. There is a text input field and a 'Browse...' button next to it. A callout box points to the 'Browse...' button with the text 'Click the Browse... button to locate a document'. At the bottom right, there are 'Cancel' and 'Upload' buttons.

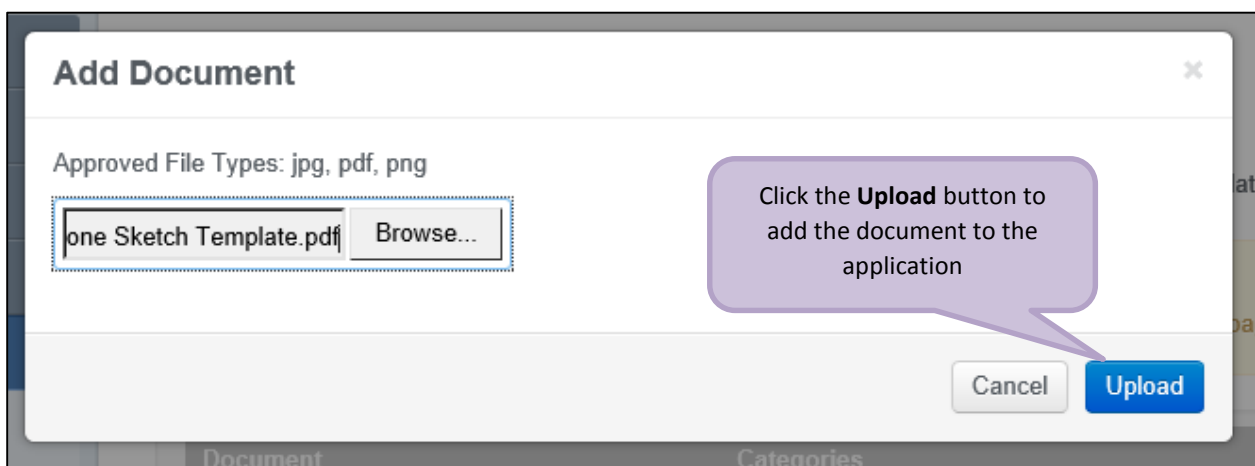

The in **Choose File to Upload** dialog box:

- Highlight the document to be added
- Click **Open** to select the document

Click **Upload** to add the document to the application.

The document has been added to the application:

- Click **Next Step** to proceed
