ADDENDUM # 1

**to RFP
for:**

2022 RFP for Designation as a 2023 Municipal Depository for City of Chicago and Chicago Board of Education Funds

Specification Number: 1231948

The City of Chicago, acting through its Department of Finance, is hereby issuing a response to the following three questions received in accordance with RFP:

Q #	QUESTION OR REQUEST FOR CLARIFICATION	RFP PAGE AND SECTION BEING REFERENCED	City Response
1	Please provide a list of requested census tracts for both City of Chicago data and "residential property outside the City of Chicago."	All forms.	Attached (per Attachment 1 - Census Track , Excel file) are all census tracts for Chicago. Census tracts for outside of Chicago are not necessary, as we only request the aggregate value for "residential property outside the Chicago" but within the MSA in Form H.
2	To ensure consistent reporting with all banks, please provide a mapping of zip codes to census tracts.	Forms C, D, E, and F.	Unfortunately, the City does not have a mapping of zip codes to census tracts to provide. The City understands that those two regional identifiers don't overlap in a coordinate fashion, and in that regard a zip code can include multiple census tracts and vice versa.
3	Does the new Residential Lending tab include units greater than 5 or is Form A1 and A2 the same as the previous year?	Form A1 and Form A2.	Forms A-1 and A-2 should reflect all residential applications including those with 1-4 units and with 5+ units.

END

Incorporated here by reference is [Attachment 1 - Census Track](#). This is a separate Excel file posted on the website in association with this Addendum # 1.

Please acknowledge receipt of this Addendum # 1 in your Cover Letter and Executive Summary (as per [Applicant-Provided Documents List](#), item # 15, on page 7-of-10 of the RFP).

Proposals are still due on Monday, November 14, 2022.
