Project Manager: Jerry Kalwasinski

Telephone #: (312) 744-3596

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

Replace broken bollards with new bollards and replace broken planter fencing with new fencing.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

This project is a time sensitive installation on a small scale. These repairs are to be funded using existing maintenance funds.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:

This project will involve the use of multiple trades.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

N/A

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.

No existing Term Agreement can provide these decorative bollards and fences. The use of the JOC process will assist in the management and implementation of this time sensitive project. By using the JOC process, efficient timing of the installation between city departments can be maintained for the completion during the summer of the 2007 construction year.
