Subject: thank you card

Good Afternoon Mr. Steven Berlin:

My name is Fred Doss and I work as a Rehabilitation Construction Specialist in the Department of Housing (DOH). Today I received a thank you card from a resident that was a recipient of a furnace through the DOH emergency heating program . The resident was very thankful for my help and services and also included a gift card and receipt . Attached to this email is a copy of the resident address, gift card and receipt . This will be taken to DOH HR Division and sent back to the resident as we do not accept monetary or cash gifts from constituents. I've copied my Deputy Commissioner, Jim Horan, as I brought this to his attention immediately and he is a witness of this gift card being returned via US mail services.

Please advise if I need to do anything else on this matter.

Respectively,
Frederick Doss
