Deputy Chief Lewin,

As part of our ongoing public safety partnership, the ATF Chicago Field Division would like to offer the Chicago Police Department (CPD) two Hewlett Packard (HP) Designjet Color Plotters which are in good working order. The plotters have been utilized for vital tasks such as crime mapping, operational planning and logistics. We have received approval to donate these items to CPD in accordance with our surplus property regulations. If accepted, these items will be provided to CPD at no cost.

Should you have questions or require additional information, please contact Supervisory Special Agent Matthew M. Beccio at 312-846-7200.
