**Subject:** Re: Approval Requested: Gartner Security and Risk Management Summit

Hey Steve! Getting back to you with regards to my trip. My trip was successful as the time at the Gartner Security and Risk Management Summit in National Harbor, Maryland was very educational and productive. I departed on June 7th and returned on June 10th. The expenses (cabs, airfare, hotel and limited food not covered by the conference) will be sought to be reimbursed by the Information Security Office's Urban Area Security Initiative grant.

Please let me know if any additional information is required.

Thank you,

- Bruce
