**Subject:** City Business Travel Sponsored by a 3rd Party.

Good morning Steve,

I represented the Chicago Department of Public Health at an ARLN Midwest Regional Conference held by the Antimicrobial Resistance Lab Network in Madison, WI. This event occurred on August 8<sup>th</sup> and August 9<sup>th</sup>, with travel occurring August 7<sup>th</sup> and August 9<sup>th</sup>. ARLN has offered support for lodging/airfare and a stipend will be sent to the City of Chicago by ARLN.
