Subject: Re: Confidential - RE: Travel to the American Planning Association Conference in Philadelphia

Hi there,

Please accept this email to confirm that I traveled to Philadelphia as a participant in the American Planning association National Planning Conference from March 31-April 4th with all expenses paid directly by the American Planning Association IL Chapter. Expenses paid directly include: airfare, lodging, meals, and ground transportation. Any incidentals were paid by me and I did not receive any reimbursements.

While in Philly I presented 3 sessions replanted to my professional work as a City of Chicago Employee. I attended sessions to gain credits towards my planning certification which I use in my professional work with the City.

Please let me know if you have questions or need additional information. Thanks!
