Subject: RE: Approval Request for Travel with a Third Party

Hi Steve,

I have returned from my educational trip with the Civic Leadership Academy (CLA) to Paris. As a reminder, CLA at the University of Chicago is an interdisciplinary leadership development program for emerging and high-potential leaders in nonprofit organizations and local government agencies within the City of Chicago and Cook County. Part of the program is a weeklong trip to Paris, France to meet and learn effective governance strategies from Parisian Civic leaders. The trip happened from February 24th – March 2nd, 2024 and all expenses will be covered by U of C's Center for Effective Government.

Thank you,
Mary
