REQUIREMENTS FOR BIDDING AND INSTRUCTIONS FOR BIDDERS

CONTRACT FOR WORK

Proposals will be received by the Purchasing Agent of the City of Chicago in accordance with Contract Documents as set forth herein.

1. EXAMINATION BY BIDDER

The bidder shall, before submitting its bid, carefully examine the proposal, plans, specifications, contract documents and bonds. The bidder shall inspect in detail the site of the proposed work and familiarize itself with all the local conditions affecting the contract and the detailed requirements of construction. If its bid is accepted, the bidder will be responsible for all errors in its proposal resulting from failure or neglect to comply with these instructions. The City will, in no case, be responsible for any change in anticipated profits resulting from such failure or neglect.

Unless otherwise provided in the Contract, when the plans or specifications include information pertaining to subsurface exploration, borings, test pits, and other preliminary investigation, such information represents only the opinion of the City as to the location, character, or quantity of the materials encountered and is only included for the convenience of the bidder. The City assumes no responsibility with respect to the sufficiency or accuracy of the information, and there is no guaranty, either expressed or implied, that the conditions indicated are representative of those existing throughout the work, or that unanticipated developments may not occur.

2. BID DEPOSIT

Bid deposit shall be required for all competitive sealed bidding for contracts when required in the legal advertisement. Bid deposit shall be a bond provided by a surety company authorized to do business in the State of Illinois, or the equivalent in cashier's check, money order or certified check. All certified checks must be drawn on a bank doing business in the United States, and shall be made payable to the order of the City of Chicago. CASH IS NOT AN ACCEPTABLE FORM OF BID DEPOSIT.

Bid deposits shall be in the amount shown in the advertisement or as may be prescribed herein, but not in excess of 10% of the bid. Where the amount of the bid deposit shown in the advertisement should prove to be more than 10% of the bid, then the bidder may submit, in lieu of the foregoing, an amount equal to 10% of his bid. Compliance with the provisions herewith shall be determined in all cases by the Purchasing Agent and his determination shall be final.

When the legal advertisement requires a deposit, noncompliance requires rejection of the bid.

After bids are opened, deposits shall be irrevocable for the period specified herein. If a bidder is permitted to withdraw its bid before award, no action shall be taken against the bidder or the bid deposit.

3. PREPARATION OF PROPOSAL

The bidder shall prepare its proposal on the attached proposal forms. Unless otherwise stated, all blank spaces on the proposal page or pages, applicable to the subject specification, must be correctly filled in. Either a unit price or a lump sum price, as the case may be, must be stated for each and every item, either typed in or written in ink, in figures, and, if required, in words.

If bidder is a corporation, the President and Secretary shall execute the bid and the Corporate seal shall be affixed. In the event that this bid is executed by other than the President, attach hereto a certified copy of that section of Corporate By-Laws or other authorization by the Corporation which permits the person to execute the offer for the corporation.

If bidder is a partnership, all partners shall execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Purchasing Agent shall be submitted.

If bidder is a sole proprietorship, the sole proprietorship shall execute the bid.

A "Partnership", "Joint Venture" or "Sole Proprietorship" operating under an Assumed Name must be registered with the Illinois county in which located, as provided in 805ILCS 405 (1992).

4. SUBMISSION OF PROPOSALS

All prospective bidders shall submit sealed proposals with applicable bid deposit enclosed in envelopes provided for that purpose in the DEPARTMENT OF PURCHASES, CONTRACTS AND SUPPLIES, Room 401, City Hall, and if proposals are submitted in envelopes other than those so provided for this purpose, then the sealed envelope submitted by the prospective bidder shall carry the following information on the face of the envelope: bidder's name, address, subject matter of proposal, advertised date of bid opening and the hour designated for bid opening as shown on the legal advertisement.

Where proposals are sent by mail to the DEPARTMENT OF PURCHASES, CONTRACTS AND SUPPLIES, the bidders shall be responsible for their delivery to the Purchasing Agent before the advertised date and hour for the opening of bids. If the mail is delayed beyond the date and hour set for the bid opening, proposals thus delayed will not be accepted.

Proposals shall be submitted with original signatures in the space provided on the appropriate Proposal Execution Page. Proposals not properly signed shall be rejected.

5. WITHDRAWAL PROPOSALS

Bidders may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of bids. However, no bidder shall withdraw or cancel his proposal for a period of sixty (60) calendar days after said advertised closing time for the receipt of proposals nor shall the successful bidder withdraw or cancel or modify his proposal after having been notified by the Purchasing Agent that said proposal has been accepted by the City. The City reserves the right to withhold and deposit, as liquidated damages and not a penalty, the bid deposit of any bidder requesting withdrawal, cancellation or modification of its proposal prior to the stated period for acceptance of proposal.

Where this contract shall be approved by another agency, such as the Federal Government or State of Illinois, then the bidder shall not withdraw or cancel or modify his proposal for a period of ninety (90) calendar days after said advertised closing time for the receipt of proposals.

6. COMPETENCY OF BIDDER

The Purchasing Agent reserves the right to refuse to award a Contract to any person, firm or corporation that is in arrears or is in default to the City of Chicago upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City, or had failed to perform faithfully any previous contract with the City.

The bidder, if requested, must present within a reasonable time, as determined by the Purchasing Agent, evidence satisfactory to the Purchasing Agent of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

7. CONSIDERATION OF PROPOSALS

The Purchasing Agent shall represent and act for the City in all matters pertaining to this proposal and contract in conjunction therewith. The Purchasing Agent reserves the right to reject any or all proposals and to disregard any informality in the bids and bidding, when in his opinion the best interest of the City will be served by such action.

The proposal is contained in these contract documents and **MUST NOT BE DETACHED HEREFROM** by any bidder when submitting a proposal. Incomplete proposals are subject to rejection.

8. ACCEPTANCE OF PROPOSALS

The Purchasing Agent will accept in writing one of the proposals or reject all proposals, within sixty (60) calendar days, or within ninety (90) calendar days where approval by other agencies is required, from the date of opening of bids, unless the lowest responsible bidder, upon request of the City, extends the time of acceptance to the City.

9. PERFORMANCE BOND

When required by the Purchasing Agent the successful bidder or bidders shall, within seven (7) calendar days of receipt of notice from the City, furnish a performance bond in the full amount of the contract on Form P.W.O. 62, a specimen of which is bound herein.

Receipt of written notice from the City to furnish a bond constitutes tentative notice of pending award and proposal acceptance. Release of the contract shall be withheld pending receipt and approval of a satisfactory bond.

Attention is called to the provisions of 30 ILCS 550/1, et. seq. and to the provisions of Section 2-92-030 of the Municipal Code of Chicago.

10. FAILURE TO FURNISH BOND

In the event that the bidder fails to furnish the performance bond in said period of seven (7) calendar days, then the bid deposit of the bidder shall be retained by the City as liquidated damages and not as a penalty.

11. DISCLOSURE OF RETAINED PARTIES

The apparent low bidder will be required to execute and notarize the Disclosure of Retained Parties required by Executive Order 97-1 no later than 7 calendar days after notification by the City of Chicago unless a longer time is granted by the Purchasing Agent. A copy of the Disclosure of Retained Parties is attached to the Specification. Refusal to execute and notarize such disclosure will result in the Purchasing Agent declaring the bidder non-responsible and the City retaining the bid deposit. Moreover, if a bidder is deemed non-responsible under this provision, the bidder's status as a non-responsible bidder may apply to the bidder's subsequent bids.

12. INTERPRETATION OF CONTRACT DOCUMENTS

If any person contemplating submitting a proposal is in doubt as to the true meaning of any part of the specifications or other contract documents, a written request for an interpretation thereof may be submitted to the Purchasing Agent. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the proposed documents will be made only by an addendum duly issued by the Purchasing Agent. A copy of such addendum will be mailed, faxed, electronically mailed or delivered to each person receiving a set of such contract documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of proposal. Bidder will acknowledge receipt of each addendum issued in space provided on proposal page. Oral explanations will not be binding.

REQUIREMENTS FOR BIDDING AND INSTRUCTIONS FOR BIDDERS

13. CATALOGS

Each bidder shall submit, where necessary, or when requested by the Purchasing Agent, catalogs, descriptive literature, and detailed drawings, fully detailing features, designs, construction, appointments, finishes and the like not covered in the specifications, necessary to fully describe the material or work he proposes to furnish.

14. TRADE NAME

In cases where an item is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

Reference to a specific manufacturer, trade name, or catalog is intended to be descriptive but not restrictive and only to indicate to the prospective bidder items that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of the proposal exactly what it proposes to furnish, or forwards with the bid, a cut, illustration, or other descriptive matter which will clearly indicate the character of the item covered by the bid.

The Purchasing Agent hereby reserves the right to approve as an equal, or to reject as not being an equal, any item the bidder proposes to furnish which contains major or minor variations from specification requirements but which may comply substantially therewith.

15. RETURN OF BID DEPOSIT

The bid deposit of all except the two lowest bidders on each contract will be returned shortly after the bid opening.

The Purchasing Agent reserves the right to hold all bid deposits, if the intent is to award multiple contracts for a requirement and/or if the two lowest responsible bidders can not be readily determined based on price until all proposals have been evaluated.

The remaining bid deposits on each contract will be returned with the exception of the accepted bidder, after the Purchasing Agent has awarded the contract. The bid deposit of the accepted bidder will be returned after the contract has been awarded and a satisfactory performance bond has been approved, where such bond is required.

16. TAXES

Federal Excise Tax does not apply to materials purchased by the City of Chicago by virtue of Exemption Certificate No. 36-6005820 and State of Illinois Sales Tax does not apply by virtue of Exemption Certificate No. E9998-1874-01. Illinois Retailers' Occupation Tax, Use Tax, and Municipal Retailers' Occupation Tax do not apply to materials or services

purchased by the City of Chicago by virtue of Statute. The price or prices quoted herein shall include all other Federal and/or State, direct and/or indirect taxes which apply.

The prices quoted herein shall comply with all Federal laws and regulations.

17. ORDER OF PRECEDENCE OF COMPONENT CONTRACT PARTS

The order of precedence of the component contract parts shall be as follows:

1. General Conditions.
2. Addenda if any.
3. Department Special Conditions.
4. Plans or City Drawings.
5. Detailed Specifications.
6. Standard Specifications of the City, State or Federal Government, if any.
7. Advertisement for proposals (copy of advertisement to be attached to back of cover).
8. Requirements for Bidding and Instructions to Bidders.
9. Performance Bond, if required.

The foregoing order of precedence shall govern the interpretation of the contract in all cases of conflict or inconsistency therein, except as may be otherwise expressly provided by the City.

18. CONTRACTOR'S FINANCIAL STATEMENT

Each bidder bidding on construction projects shall have on file in the office of the Purchasing Agent prior to bid opening a CONTRACTOR'S STATEMENT OF EXPERIENCE AND FINANCIAL CONDITION dated not earlier than the end of the Contractor's last fiscal year period. This shall be kept on file by the Purchasing Agent as a representative statement for a period of one year only. Forms are available at the office of the Bid and Bond Section, DEPARTMENT OF PURCHASES, CONTRACTS AND SUPPLIES, Room 401 City Hall, or may be obtained by addressing a request to the Purchasing Agent, Room 403, City Hall, Chicago, Illinois, 60602. Failure to have a current financial statement on file in the DEPARTMENT OF PURCHASES, CONTRACTS AND SUPPLIES at time of bid opening may be cause for the rejection of Contractor's Proposal.

19. NOTICES

All communications and notices to the City herein provided for shall be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the Commissioner of the using department by name and address listed on the cover hereof, and to the Purchasing Agent, Room 403, City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602.

All communications and notices to the bidder, unless otherwise provided for, shall be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the bidder by name and address listed on the proposal hereof.

A. Federal Requirements

It shall be an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color, religion, sex, age, handicap or national origin.

Part 60 et seq. (1990).

B. State Requirements

(1992), as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 5 Ill. Admin. Code § 750 Appendix A. Further, Contractor shall furnish or shall cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

D. Subcontractors

Contractor agrees that all of the above provisions (A), (B) and (C), will be incorporated in all agreements entered into with any suppliers of materials, furnishers of services, subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any such materials, labor or services in connection with this Contract.

2. INDEMNITY

Contractor shall indemnify, keep and save harmless the City, its agents, officials and employees, against all injuries, deaths, loss, damages, claims, patent claims, suits, liabilities, judgments, costs and expenses, which may in anywise accrue against the City in consequence of the granting of this

contract or which may in any wise result therefrom, whether or not it shall be alleged or determined that the act was caused through negligence or omission of the Contractor or its employees, of the subcontractor or its employees, if any, and the Contractor shall, at its own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith, and, if any judgment shall be rendered against the City in any such action, the Contractor shall, at its own expense, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the City as herein provided.

3. EMPLOYMENT

The Contractor shall comply with "AN ACT to give preference to the veterans of the United States military and naval service in appointments and employment upon public works, by, or for the use of, the State of its political subdivisions," approved June 12, 1935, as amended. Attention is called to Chapter 126-1/2, Section 23, Ill. Rev. Stats. 1987.

4. PREVAILING WAGE ACT

The Contractor shall comply with "AN ACT regulating wages of laborers, mechanics, and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by anyone under contract for public works." Attention is called to Chapter 48, Par. 39a, Ill. Rev. Stats. 1989.

It is the policy of the State of Illinois that a wage of no less than the general prevailing hourly rate as paid for work of a similar character in the locality in which the work is performed, shall be paid to all laborers, workers and mechanics employed by or on behalf of any and all public bodies engaged in public works.

The term "general prevailing hourly rate", when used in this Act means the hourly cash wages plus fringe benefits for health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works.

If the Department of Labor revises the general prevailing hourly rate to be paid by the public body, the revised rate shall apply to such contract.

5. SUBLETTING OR ASSIGNMENT OF CONTRACT OR CONTRACT FUNDS

No contract shall be assigned or any part of the same subcontracted without the written consent of the Purchasing Agent; but in no case shall such consent relieve the Contractor from his obligations, or change the terms of the contract.

The Contractor shall not transfer or assign any contract funds or claims due or to become due without the written approval of the Purchasing Agent having first been obtained.

The transfer or assignment of any contract funds either in whole or in part, or any interest therein, which shall be due or to become due to the contractor, shall cause the annulment of said transfer or assignment so far as the City is concerned.

GENERAL CONDITIONS

6. CASH BILLING TERMS

Any cash billing discounts offered will not be considered in the evaluation of bids.

7. GUARANTEES & WARRANTIES

All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Agent before final voucher on the contract is issued.

8. COOPERATION BETWEEN CONTRACTORS

Unless otherwise provided in Special Conditions, if separate contracts are let for work within or adjacent to the project site as may further be hereinafter detailed in the contract documents, each contractor shall conduct his work so as not to interfere with or hinder the progress of completion of the work being performed by other contractors.

Each contractor involved shall assume all liability, financial or otherwise, in connection with his contract, and shall protect and save harmless the City from any and all damages or claims that may arise because of inconvenience, delay, or loss experienced by him because of the presence and operations of other contractors working within the limits of the same improvement. Each contractor shall assume all responsibility for all work not completed or accepted because of the presence and operations of the other contractors.

The Contractor shall as far as possible arrange his work and place and dispose of the materials being used, so as not to interfere with the operations of the other contractors within or adjacent to the limits of the project site. He shall join his work with that of the others in an acceptable manner and shall perform it in proper sequence to that of the others.

9. SUPERINTENDENCE

The Contractor shall personally superintend the work or shall have a competent person at the site at all times to act for him.

10. PLANS OR DRAWINGS AND SPECIFICATIONS CO-OPERATIVE

Plans or drawings mentioned in Requirements for Bidding and Instructions to Bidders or in the specifications shall be so considered that any material shown on plans or drawings and not therein specified, or material therein specified and not shown on plans or drawings, shall be executed by the Contractor the same as though it were both shown and specified.

11. PERMITS

Unless otherwise provided in Special Conditions, the Contractor shall take out, at his own expense, all permits and licenses necessary to carry out the work described in this contract.

12. MATERIALS INSPECTION AND RESPONSIBILITY

The City, by its engineering agencies, shall have a right to inspect any material to be used in carrying out this contract.

The City does not assume any responsibility for the availability of any controlled materials or other materials and equipment required under this contract.

The Contractor shall be responsible for the contracted quality and standards of all materials, components or completed work furnished under this contract up to the time of final acceptance by the City.

Materials, components or completed work not complying therewith may be rejected by the Purchasing Agent and shall be replaced by the Contractor at no cost to the City.

Any materials or components rejected shall be removed within a reasonable time from the premises of the City at the entire expense of the Contractor, after written notice has been mailed by the City to the Contractor that such materials or components have been rejected.

13. INSURANCE

The Contractor agrees to keep in force during the life of this contract such insurance policies as indicated in the SPECIAL CONDITIONS of this contract. Contractor further agrees to furnish certificates of any or all insurance policies listing the City as an additional insured upon request by the Purchasing Agent.

14. PAYMENT TO CONTRACTOR

Work performed under this contract is interpreted to include materials to be furnished under this contract which are suitably stored at the site of the work. Unless otherwise provided in Special Conditions, which shall be subject to the provisions of Chapter 26-13 of the Municipal Code of Chicago, the Purchasing Agent may from time to time, in cases where the Contractor shall proceed properly to perform and complete his contract, grant to such Contractor as the work progresses an estimate of the amount already earned. All partial payment estimates shall be subject to correction by the final estimate.

Waivers from Subcontractors and Suppliers indicating that they have received their share from the Contractor of the previous partial payment to the Contractor must be presented concurrently by the Contractor when he presents an estimate for a partial payment.

The Purchasing Agent may, whenever he shall have reason to believe that the Contractor has neglected or failed to pay any subcontractors, workmen or employees for work performed or for materials furnished and used in or about the work contracted for, order and direct that no future vouchers or estimates be issued and no further payments be made upon the contract until said Purchasing Agent shall be satisfied that such sub-contractors, workmen and employees have been fully paid, and the reserve sum referred to in the above stated Chapter 26-13 shall not be payable until the Contractor shall have satisfied the Purchasing Agent that all sub-contractors, material men, workmen and employees have been fully paid.

Whenever the Purchasing Agent shall notify the Contractor, by notice personally served or by mailing a copy thereof to the Contractor to his office as shown by his bid, that no further vouchers or estimates will be issued or payments made on the contract until subcontractors, workmen and employees have been paid, and the Contractor shall neglect or refuse for the period of ten days after such notice is given, as above provided for, to pay such subcontractors, workmen and employees, the City may then apply any money due or that may become due under the contract to the payment of such subcontractors, workmen and employees without other or further notice to said Contractor; but failure of the City to retain and apply such moneys, or of the Purchasing Agent to order or direct that no vouchers or estimates shall be issued or further payments be made shall not, nor shall the paying over of such

GENERAL CONDITIONS

reserve sum without such subcontractors, workmen or employees being first paid, in any way affect the liability of the Contractor or of his sureties to the City, or to any such subcontractors, workmen or employees upon any bond given in connection with such contract.

Before final payment is made under the contract, and as a condition precedent to such final payment, the Contractor shall furnish waivers of all liens and satisfactory guarantees against all claims on account of work performed, tools and plant employed, and material and labor furnished under the contract. The Contractors shall not be entitled to demand or receive final payment until all the stipulations, provisions and conditions set forth in the contract have been complied with, and the work has been accepted by the Commissioner, whereupon the City will, at the expiration of 30 calendar days after such completion and acceptance, pay the whole account of money due the Contractor under the contract.

The acceptance by the Contractor of the final payment above mentioned shall operate as and shall be a release to the City from all claims or liability under this contract for anything done or furnished or relating to the work under this contract, or for any act or neglect of the City relating to or connected with this contract.

15. CHANGES

The Commissioner may, subject to prior written approval of the Purchasing Agent, if the estimated costs thereof exceeds \$5,000.00, at any time, by written order, and without notice to the sureties, make changes in the drawings and/or specifications of this contract if within the general scope. If such changes cause an increase or decrease in the Contractor's cost of, or time required for, performance of the contract, an equitable adjustment as may be hereinafter further described in Special Conditions, shall be made and the contract modified in writing accordingly. Any claim of the Contractor for adjustment under this clause must be submitted in writing to the Commissioner and Purchasing Agent within 10 days from the date of receipt by the Contractor of the notification of change unless the Commissioner and the Purchasing Agent grant a further period of time before the date of final payment under the contract. If the parties fail to agree upon the adjustment to be made, the dispute shall be determined solely by the Purchasing Agent but nothing provided in this clause shall excuse the Contractor from proceeding with the prosecution of the work as changed. Except as otherwise provided in this contract, no charge for any extra work or material will be allowed.

16. TIME AND PROGRESS

It is understood and agreed that **TIME IS OF THE ESSENCE OF CONTRACT**, and the Contractor agrees to begin actual work covered by this contract in conformity with the provisions set forth herein and to prosecute the same with all due diligence, so as to complete the entire work under this contract within the calendar days stipulated after the date for commencement of work as specified in the written notification to the Contractor from the Commissioner, using double shift and holiday work when necessary.

Unless otherwise provided in Special Conditions, the Contractor shall submit to the Commissioner for approval, within 5 calendar days after the effective date of this contract, a **TIME SCHEDULE** for performing operations under this contract which will insure the satisfactory completion of the

entire work within the time hereinafter specified. When approved and accepted by the Commissioner, the Contract shall prosecute the work under this contract so that the actual work completed shall be not less than required by such approved **TIME SCHEDULE** for performing operations under this contract which will insure the satisfactory completion of the entire work within the time hereinafter specified. When approved and accepted by the Commissioner, the Contractor shall prosecute the work under this contract so that the actual work completed shall be not less than required by such approved **TIME SCHEDULE**.

If the rate of progress be such that the total amount of work accomplished by the Contractor within any time mentioned in such approved **TIME SCHEDULE** is less than the amount therein specified to be completed within such time, then the Purchasing Agent may declare this contract in default as provided herein.

17. PROVISIONS RELATIVE TO DELAY

Should the Contractor be obstructed or delayed in the commencement, prosecution or completion of the work under this contract by any act or delay of the City or by order of the Commissioner, howsoever caused, then the time herein fixed for the completion of said work will be extended for a period equivalent to the time lost by reason of such acts or delays of the City or orders of the Commissioner.

It is otherwise understood that no extension of time will be granted to the Contractor unless he, immediately upon knowledge of the causes of an unavoidable delay, first notifies the Commissioner and Purchasing Agent in writing, stating the approximate number of days he expects to be delayed.

The Contractor must also make a request in writing to the Commissioner and Purchasing Agent for an extension of time within ten (10) calendar days after the cessation of the delay. Compliance by the Contractor with the requirements set forth in this paragraph are conditions precedent to the granting of an extension of time and it is hereby agreed that in case of failure to comply with said requirements, the Contractor shall not be entitled to an extension of time.

The Purchasing Agent and the Commissioner will determine the number of days, if any, that the Contractor has been delayed. Such determination when approved and authorized in writing by the Mayor, Comptroller and the Purchasing Agent, will be final and binding.

It is further expressly understood and agreed that the Contractor shall not be entitled to any damages or compensation from the City, or be reimbursed for any loss or expense on account of any delay or delays resulting from any of the causes aforesaid.

SPECIAL CONDITIONS

“Whenever this Contract stipulates a specific number of days for the Contractor to perform a task, it is understood and agreed that *TIME IS OF THE ESSENCE*, that failure of the Contractor to perform such task within the stipulated time may be deemed a material failure to comply with the terms and conditions of this Contract, and that in the event of such failure the Purchasing Agent may declare the Contractor in default. Notwithstanding the foregoing, the City may elect not to declare the Contractor in default for its failure to perform a task within a stipulated period of time, but may instead perform the task itself or through others and deduct the costs incurred from the cash deposit and/or draw an amount equal to such costs under the letter of credit, as provided in Section 12 of Special Conditions. If the Contractor does not remit such amounts in full to the City within thirty (30) days of the Purchasing Agent’s declaring the Contractor in default, the City may withhold any remaining cash deposit and/or draw on the letter of credit. The Contractor is fully liable to the City for any amounts due or owing. **The Contractor shall remove all advertising benches from the public ways within thirty (30) days of the Purchasing Agent’s declaring the Contractor in default. All permits shall automatically expire effective thirty (30) days from the Purchasing Agent’s declaring the Contractor in default. The Purchasing Agent’s declaration of default does NOT relieve the Contractor of any of its duties, liabilities or obligations, except as directed by the Purchasing Agent. The City or its representative may remove any advertising benches which remain or are placed on the public ways thirty (30) days after the Purchasing Agent Declares the Contractor in default. The City may draw on the letter of credit and/or retain the cash deposit to cover any costs incurred in the City’s or its representative’s removing, storing, transporting or disposing of advertising benches or to cover any and all amounts due and payable by the Contractor under this Contract. - C. On the first day of each month, pay the City an amount equal to the amount bid per eligible site per month multiplied by the number of eligible sites as of the first day of the preceding month. If the Contractor fails to pay an amount within 30 days after the amount first became due, The Purchasing Agent may declare the Contractor in default and/or assess interest on such amounts at the rate of 1.0% (one percent) per month until paid. Such interest shall be calculated as of the beginning of the month in which such amount first became due.

In addition, the Contractor shall submit with its bid a list of five (5) references demonstrating previous work relating to advertising benches. *THE BIDDER'S FAILURE TO SUPPLY SUCH FIVE REFERENCES MAY, AT THE DISCRETION OF THE PURCHASING AGENT, RESULT IN THE BIDDERS' BEING DECLARED NON-RESPONSIVE. ANY INFORMATION SUPPLIED TO THE CITY BY SUCH REFERENCES MAY BE CONSIDERED BY THE PURCHASING AGENT IN DETERMINING THE RESPONSIBILITY OF THE BIDDER.*

7. CONTRACT DOCUMENTS TO BE COMPLETED BY BIDDER

The Contractor must fully complete, sign, notarize and submit as part of its bid the following documents incorporated herein:

- A. Disclosure Affidavit
- B. Proposal Execution page, as applicable (Corporation, Partnership, Sole Proprietor). *EACH BIDDER/PROPOSER MUST ACKNOWLEDGE RECEIPT OF A FULL SET OF CONTRACT DOCUMENTS AND ANY ADDENDA AT THE TOP OF THE PROPOSAL EXECUTION PAGE.*

8. EXCEPTIONS

Any exceptions to this Contract specification must be noted on the Proposal Page or pages attached thereto, with the exact nature of the exception outlined in sufficient detail. The reason for which exceptions were made should also follow if not self-explanatory. *MATERIAL EXCEPTIONS OR FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY BE CAUSE FOR REJECTION OF A BID.* Failure of the Contractor to familiarize himself/herself with all requirements of the Contract documents will not relieve him/her from complying with all of the provisions thereof.

SPECIAL CONDITIONS

9. CONTRACT PERIOD

This contract shall begin upon award and release by the Purchasing Agent and shall continue for a period of thirty-six months, unless terminated according to the terms of the Contract or unless extended in writing for herein.

After notification by the Purchasing Agent, the Contract must be modified to reflect the time extension in accordance with the provisions of Section 15.

The Contractor shall submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Contract award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor shall not be deemed to be a waiver by the City. The Contractor shall advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance shall not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the City retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The Contractor shall require all subcontractors to provide the insurance required herein or Contractor may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of Contractor unless otherwise specified herein.

If Contractor or subcontractor desire additional coverages, the Contractor and each subcontractor shall be responsible for the acquisition and cost of such additional protection.

11. INDEMNIFICATION

Contractor shall defend, indemnify and hold the City, its officers, officials, agents and employees, completely harmless from and against any and all liabilities, losses, suits, claims, judgements, fines or demands of every kind and nature (including all reasonable cost for investigations, reasonable attorneys' fees, court costs and expert fees) arising by reason of injury or death of any person, damage to property, patent or copyright infringement, or violation of any applicable laws, statutes or ordinances of the Federal, state or local government, arising out of, as a consequence of, or incidental to Contractor's performance or non-performance of this Contract or the enforcement thereof, including the enforcement of this indemnification provision, or the acts or omissions of the Contractor's officers, agents, employees, subcontractors, subconsultants, licensees or invitees.

The Contractor shall defend all suits brought upon such claims and lawsuits and shall pay all costs and expenses incidental thereto, but the City shall have the right, at its option, to participate in the defense of any suit, without relieving the Contractor of any of its obligations hereunder. This paragraph shall survive expiration or early termination of this Contract.

12. PERFORMANCE GUARANTEE

Nothing contained in this Section shall be construed to limit or diminish the Contractor's duties, obligations and liabilities under the Contract.

SPECIAL CONDITIONS

A. LETTER OF CREDIT

The Contractor shall, as a condition precedent to the execution of the contract by the City, furnish and deliver to the Purchasing Agent an irrevocable letter of credit in the amount of \$100,000. The use of any other form shall require the express written consent of the Purchasing Agent.

Such letter of credit shall be issued by a financial institution located within the Chicago metropolitan area and approved by the City Comptroller. If such financial institution at any time fails financially, or is deemed to be insufficient security, then in that case the City may, on giving 10 days' notice thereof in writing, require the Contractor to furnish a new and additional letter of credit with a financial institution acceptable to the City.

B. CASH DEPOSIT

In addition to the letter of credit, the Contractor shall be required to maintain a cash deposit of \$5,000, from and after the date of Contract award, with the City Comptroller for the purpose of assuring (1) the prompt removal of any advertising bench upon expiration, termination, revocation, or suspension of its permit or whenever ordered or required to remove an advertising bench pursuant to any provisions of the Ordinance or this Contract, (2) the prompt repair of any damage to the public way caused by the presence of any advertising bench placed by the Contractor, and (3) the maintenance of advertising benches in accordance with the Ordinance and this Contract. In the event that the Contractor fails to perform a task required under this Contract within the time allowed for the performance of such task after receipt of written notice, the Commissioner may deduct the costs incurred by the City in performing such task or causing such task to be performed from the cash deposit. The City is not limited to the amount of the cash deposit, and the City may seek reimbursement for any of the aforesaid costs which exceed the cash deposit from the Contractor and/or by drawing on the letter of credit. The Contractor is fully liable for any and all damages incurred by the City.

Whenever the Commissioner intends to deduct a cost from the Contractor's cash deposit, he will provide the Contractor at least 10 days' advance notice of such deduction and advise the Contractor of the manner of appealing the deduction. The Contractor shall restore any amounts properly deducted from his deposit within 10 days after the deduction is made. The cash deposit will remain in the custody of the City Comptroller for 90 days after the Contractor certifies to the Commissioner that all advertising benches maintained by the Contractor have been removed following the termination, expiration, revocation, or relinquishment of the Contractor's last permit. Any balance remaining shall thereafter be promptly refunded.

The City is not limited to recovery under the letter of credit and/or cash deposit. The Contractor is fully liable for any and all damages incurred by the City.

SPECIAL CONDITIONS

13. SALE OF BENCHES

Contractor shall notify in writing the buyers of any benches with permits obtained under this Contract that the permits to maintain the benches on the public way are not transferable, that such permits will be automatically revoked upon the earlier of the date of transfer, thirty (30) days after the Purchasing Agent declares the Contractor in default, or thirty (30) days after expiration of this Contract, that the Benches will thereafter be subject to removal by the City or its representatives, and that the buyer will be liable for the fines and penalties imposed on illegal benches under the Ordinance.

If the Contractor fails to so notify a buyer, the Contractor shall be jointly and severally liable with the buyer to the City for any and all fines and penalties and the City may recover those fines and penalties from the cash deposit and/or by drawing on the letter of credit supplied by the Contractor.

14. SUBCONTRACTORS

Provision(s) required by law, ordinances, rules, regulations, or executive orders to be inserted shall be deemed inserted whether or not they appear in this contract or, upon application by either party, this Contract shall forthwith be amended to literally make such insertion; however, in no event shall the failure to inset such provision(s) prevent the enforcement of this Contract.

A. MACBRIDE PRINCIPLES ORDINANCE

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

SPECIAL CONDITION

For those Contractors who take exception in competitive bid contracts to the provision set forth above, the City shall assess an eight percent penalty. This penalty shall decrease their bid price for the purpose of canvassing the bids in order to determine who is to be the highest responsible bidder. This penalty shall apply only for purposes of comparing bid amounts and shall not affect the amount of Contractor's payments to the City.

The provisions of this Section shall not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

No Member of the governing body of the City of Chicago or other unit of government and no other officer, employee or agent of the City of Chicago or other unit of government who exercises any function or responsibilities in connection with the carrying out of the project shall have any personal interest, direct or indirect, in the Contract, except as may be permitted under Chapter 2-156.

The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, in the project to which the Contract pertains which would conflict in any manner or degree with the performance of its work hereunder. The Contractor further covenants that in the performance of the Contract no person having any such interest shall be employed.

F. MINORITY BUSINESS ENTERPRISE AND WOMEN'S BUSINESS ENTERPRISE

Contractor shall attain no less than twenty-five percent (25%) Minority-Owned Business Enterprise ("MBE") and five percent (5%) Women-Owned Business Enterprise ("WBE") utilization levels applicable to Contractor's payments to outside contractors and sub Contractors in relation to those activities designated hereunder as "MBE/WBE Activities" (see the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program, Municipal Code of Chicago, Section 2-92-420 (*et. seq.*)).

- D. Whenever an entity or other person including the City of Chicago, has lawfully placed a bench at a particular site or location pursuant to subsection (a) or (b) of Section 10-28-710 of the Ordinance. If the Commissioner has already issued a permit to the Contractor for a location at which the entity or other person seeks to place a bench, the Contractor may maintain a bench at that location only for a period of not more than 90 days after the Contractor is notified of such fact by the Commissioner and thereafter the Contractor's permit for such location shall expire.
- E. Whenever the permit for a particular site has expired or has been terminated, revoked, or suspended in accordance with the Ordinance or this Contract, including but not limited to Sections 3 and 4(e) of these Detailed Specifications.

DETAILED SPECIFICATIONS

- B. A permit shall be valid for the duration of the Contract unless the permit expires or is terminated, revoked, or suspended by the Commissioner in accordance with the Ordinance or the terms and conditions of this Contract. Any change in the number of eligible sites during a given month will result in an adjustment in the number of eligible sites on the first day of the following month for purposes of calculating the amount due to the City.
- C. Permits shall be nontransferable, and any attempt to transfer such a permit shall result in the immediate expiration of the permit.
- D. Each advertising bench shall exhibit the permit number issued for that location in permanently painted characters of at least one inch in height with one-fourth inch stroke in a contrasting color. Any bench failing to exhibit such information in the appropriate form may be declared illegal by the Commissioner.
- E. Whenever, in the sole determination of the Commissioner, any advertising bench which the Contractor has placed lawfully upon the public way in accordance with this Contract endangers public health, safety or property or becomes a public nuisance; or whenever construction or a change in the configuration of public way necessitates the removal or relocation of such bench; or whenever the placement of such bench is not in compliance with Ordinance or this Contract; or whenever the Contractor has failed to cure the non-compliant condition of bench as provided in Section 4(c) of these Detailed Specifications; the Commissioner may revoke the permit for such location and the Contractor shall, within 10 days after receipt of written notice from the Commissioner and as directed by the Commissioner, remove or relocate the bench at the Contractor's expense.
- F. All permits shall automatically expire effective 30 days after expiration of this Contract or thirty (30) days after the Purchasing Agent declares the Contractor in default, whichever is sooner.

The benches are further to be constructed without the use of nails of any sort. The bottomplate board, seatboard and backrest of every bench shall be composed of wood which is maintained in a smooth condition free of splinters, jagged edges, rotted wood and other loose material. The seatboard shall be composed of 2x4's or 2x6's. The backrest shall be constructed at a minimum of one-half inch plywood and shall have its top corners rounded. The bottomplate shall not exceed 10 inches in height or seven feet in length.

DETAILED SPECIFICATIONS

- B. The Commissioner may permit advertising benches that do not comply with all of the requirements of subsection (a) when he finds that the design of and materials used for the benches are safe and appropriate.
- C. It shall be the duty of the Contractor to maintain each bench at all times in accordance with subsection (a) and in a safe condition, with no protruding bolts, screws, or other matter, with all fastening apparatuses to be recessed and not protruding beyond the surface of the bench. It shall further be the duty of the Contractor to maintain each bench and the area occupied by each bench in a clean, neat, and safe condition at all times and to repair and repaint benches which have been vandalized, including but not limited to graffiti and similar markings. It shall be the duty of the Contractor to inspect the condition of the benches. The City has no obligation to inspect the benches. Whether or not the City inspects the benches, the City assumes no responsibility for the benches and the Contractor remains fully liable.

In the event that the Commissioner notifies the Contractor in writing of a bench which is not compliant with the forgoing, the Contractor shall bring such bench into compliance within 10 days after receipt of such notice. Failure to bring such bench into compliance within such 10 days may result in revocation of the permit for the site pursuant to section 3(e) of these Detailed Specifications.

- D. The Contractor shall be responsible for and shall promptly repair and pay for damages to new and existing real and personal property or the City or third parties, where such damage is directly due to Contractor's work under this Contract, or where such damage is the result of the negligence, or carelessness on the part of the Contractor or of its employees, or on the part of the Contractor's subcontractor or its employees.

5. ILLEGAL BENCHES

- A. Any advertising bench located in the public way which is not permitted in accordance with the Ordinance and this Contract shall be deemed an illegal bench. The Contractor shall have the duty to remove any and all illegal advertising benches following the procedures set forth in subsections (b) and (c) below. If the Commissioner notifies the Contractor in writing of the existence of an illegal bench, the Contractor shall remove the illegal advertising bench within 20 days after receipt of such notice following the procedures set forth in subsections (b) and (c) below.
- B. At least 10 days before an advertising bench that is illegally situated on the public way is removed, the Contractor shall affix a notice to the bench stating: (1) that the bench will be removed at the owner's expense if not removed by the owner within 10 days; and (2) the address at which the bench may be reclaimed with 10 days after it is removed, upon the payment of \$100.00 storage and removal fee. In addition, if the address or telephone number of the owner of the bench is reasonably ascertainable from the bench itself, the Contractor shall provide the above information to the owner by mail or telephone at least 10 days before the bench is removed. Notwithstanding the foregoing, the Contractor, operating under the direction of the City, shall have the authority to remove or

relocate an advertising bench that poses an immediate threat to the health or safety of the public, without providing prior notice as required herein.

- C. Any illegally situated advertising bench removed by the Contractor shall be retained by the Contractor for at least 10 days. The owner of the advertising bench may reclaim the bench from the contractor within such time upon the payment to the contractor of a \$100.00 removal and storage fee. If the bench is not reclaimed within such 10-day period, the contractor may dispose of the bench as he sees fit.

PART IV. CERTIFICATION REGARDING ENVIRONMENTAL COMPLIANCE

A. CONTRACTOR

1. Neither the Contractor nor any affiliated entity of the Contractor has, during a period of five years prior to the date of execution of this Affidavit, (a) violated or engaged in any conduct which violated Sections 7-28-440 or 11-4-1500 or Article XIV of Chapter 11-4 or Chapters 7-28 or 11-4 of the Municipal Code or any other Environmental Restriction²; (b) received notice of any claim, demand or action, including but not limited to citations and warrants, from the City of Chicago, the State of Illinois, the federal government, any state or political subdivision thereof, or any agency, court or body of the federal government or any state or political subdivision thereof, exercising executive, legislative, judicial, regulatory or administrative functions, relating to a violation or alleged violation of Sections 7-28-440 or 11-4-1500 or Article XIV of Chapter 11-4 or Chapters 7-28 or 11-4 of the Municipal Code or any other Environmental Restriction; or (c) been subject to any fine or penalty of any nature for failure to comply with Sections 7-28-440 or 11-4-1500 or Article XIV of Chapter 11-4 or Chapters 7-28 or 11-4 of the Municipal Code or any other Environmental Restriction.

If the Contractor is unable to certify to any of the above statements [Part IV(A)(1)(a)-(c)], Contractor shall identify all exceptions and indicate whether any such exceptions occurred within the City or otherwise pertain to the City. Attach additional pages if necessary. _____

[If no explanation appears or begins on the lines above, it shall be conclusively presumed that the Contractor certifies to the above statements.]

2. Contractor shall comply with all requirements of the Clean Air Act ("CAA"), 42 U.S.C. §7401-7642, and the Clean Water Act ("CWA"), 33 U.S.C. §1251-1387, including the requirements of section 114 of the CAA and section 308 of the CWA, and all other applicable clean air standards and clean water standards in performing the Contract.

3. Until completion of the Contractor's performance under the Contract, if the Contractor violates Sections 7-28-440 or 11-4-1500, any other provisions of Chapters 7-28 or 11-4 of the Municipal Code, or any other Environmental Restrictions, whether in the performance of the Contract or otherwise, such violation shall be considered an event of default under the Contract.

B. SUBCONTRACTORS

1. The Contractor has obtained certifications in form and substance equal to Part IV(A)(1) and (2) of this Affidavit from all subcontractors that the Contractor presently intends to use to perform this Contract. As to subcontractors to be used to perform this Contract who are not yet known by the Contractor, the Contractor will obtain certifications in form and substance equal to Part IV(A)(1) and (2) of this Affidavit prior to using them as subcontractors.

2. The Contractor shall not, without the prior written consent of the City, use any subcontractors to perform this Contract if the Contractor, based on information contained in the subcontractor certification or any other information known or obtained by Contractor, has reason to believe that the subcontractor has, within the preceding five years, been in violation of any Environmental Restriction, received notice of any claim relating to a violation of an Environmental Restriction, or been subject to any fine or penalty for a violation of an Environmental Restriction. Furthermore, the Contractor shall not, without the prior written consent of the City, use as a subcontractor any individual, firm, partnership, corporation, joint venture or other entity from which the Contractor is unable to obtain a certification in form and substance equal to Part IV(A)(1) and (2) of this Affidavit or which the Contractor has reason to believe cannot provide a truthful certification.

3. The Contractor shall maintain all subcontractors' certifications required by Paragraph (1) above for the duration of the Contract and shall make such certifications promptly available to the City upon request.

PART V. CERTIFICATION REGARDING ETHICS AND INSPECTOR GENERAL

The Contractor understands and will abide by all provisions of Chapter 2-56 of the Municipal Code, entitled "Office of Inspector General," and all provisions of Chapter 2-156 of the Municipal Code, entitled "Governmental Ethics."

PART VI. CERTIFICATION REGARDING COURT-ORDERED CHILD SUPPORT COMPLIANCE

For purposes of this Part VI, "Substantial Owner" means any person who owns or holds a 10% or more percentage of interest in the Contractor. If the Contractor is an individual or sole proprietorship, the substantial owner is the individual or sole proprietor. Percentage of interest includes direct, indirect and beneficial interests in the Contractor. An indirect or beneficial interest is an interest in the Contractor held either by a corporation, joint venture, trust, partnership, estate or other legal entity in which the individual holds an interest, or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a 20% interest in the Contractor, and an individual has a 50% interest in Corporation B, then such individual indirectly has a 10% interest in the Contractor and the individual is a Substantial Owner of the Contractor. If Corporation B is held by another entity, then this analysis must be applied to that entity.

If Contractor's response below is #1 or #2, then all of the Contractor's Substantial Owners must remain in compliance with any such child support obligations (A) throughout the term of the Contract and any extensions thereof; or (B) until the performance of the Contract is completed, whichever is later. Failure of Contractor's Substantial Owners to remain in compliance with their child support obligations in the manner set forth in either (A) or (B) constitutes an event of default.

Check one:

1. No Substantial Owner has been declared in arrearage on any child support obligations by the Circuit Court of Cook County or by another Illinois court of competent jurisdiction.
2. The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on child support obligations. All such Substantial Owners, however, have entered into court-approved agreements for the payment of all such child support owed, and all such Substantial Owners are in compliance with such agreements.
3. The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on child support obligations and (1) at least one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support owed; or (2) at least one such Substantial Owner is not in compliance with a court-approved agreement for the payment of all such child support owed; or both (1) and (2).
4. There are no Substantial Owners.

PART VII. AFFIDAVIT OF LOCAL BUSINESS

If this is a competitively bid Contract funded in whole by City funds, Contractor should complete this section.

- A. Is bidder/proposer a "Local Business" as defined by the provisions of this Specification?
 Yes No
- B. How many persons are currently employed by bidder/proposer? _____
- C. Does bidder/proposer have business locations outside the City of Chicago?
 Yes No
If so, list such bidder/proposer's business addresses: _____
- D. How many of bidder/proposer's current employees work at City of Chicago locations? _____
- E. Is bidder/proposer subject to City of Chicago taxes (including the Head Tax)?
 Yes No

PART VIII. INCORPORATION INTO CONTRACT, COMPLIANCE, AND PENALTIES

The bidder/proposer understands and agrees that:

A. The above certifications [Parts I-VII] shall become part of any Contract awarded to the bidder/proposer and are a material inducement to the City's execution of the Contract or other action with respect to which this Disclosure Affidavit is being executed and delivered on behalf of the bidder/proposer. Furthermore, the bidder/proposer shall comply with these certifications during the term and/or performance of the Contract or other action.

B. If the City determines that any information provided herein is false, incomplete, or inaccurate, the City may terminate the Contract or other transaction, terminate the applicant's participation in the Contract or other transaction, and/or decline to allow the applicant to participate in other Contracts or transactions with the City.

C. Contractor will terminate its subcontract with any subcontractor, if the City so demands, if the City determines that any information provided by a subcontractor in any of the subcontractor certifications required by this Affidavit is false, incomplete, or inaccurate. Contractor shall insert adequate provisions in all subcontracts to allow it to terminate subcontracts as required by this paragraph.

D. The following civil and criminal penalties, among others, may apply:

A Contractor who makes a false statement material to Part II(A) (2) of this certification commits a Class 3 Felony. 720 ILCS 5/33E - 11(b). Making a false statement concerning Part III(A) of this certification is a Class A misdemeanor, voids the Contract and allows the City to recover all amounts paid to the Contractor under the Contract in a civil action. 65 ILCS 5/11-42. 1-1.

E. This Disclosure Affidavit, some or all of the all information provided herein, and any attachments may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this Disclosure Affidavit, bidder/proposer waives and releases any possible rights or claims it may have against the City in connection with the public release of any information contained in the completed Disclosure Affidavit and any attachments.

PART IX. VERIFICATION

Under penalty of perjury, I certify that I am authorized to execute this Disclosure Affidavit on behalf of the Contractor, that I have personal knowledge of all the certifications made herein, and that the same are true.

 FOR CONTRACTOR'S OWN OPERATIONS**

In connection with the above referenced agreement or modification ("Contract") the undersigned Contractor acknowledges and agrees that the provisions of this Rider are added to and become a part of the Contract. Further, in the event of any conflict between the terms of the Contract and this Rider, the specific provisions of this Rider govern control and supersede the terms of the Contract, to the extent of the conflict or discrepancy. Contractor agrees as follows

A Definitions

"Information Technology" means, individually and collectively, every item of computer, networking or communications hardware, firmware, software, and peripherals including, without limitation, hardware, firmware, software, and peripherals contained in or installed on goods and equipment, and data processing operations and services

"Y2K Compliant" means that the Information Technology fully complies with and satisfies the following requirements

1. correctly and accurately, and without interruption, processes date/time data (including, but not limited to, calculating, comparing, and sequencing) from, into, and between the twentieth and twenty-first centuries, and the years 1999 and 2000 and leap year calculations, regardless of the use of current calendar dates;
2. performs and functions accurately, consistently and without interruption before, during, and after January 1, 2000, without any changes in operation associated with or arising from the advent of the new century and the millennium;
3. responds to two digit date input in a way that resolves any ambiguity as to century in a disclosed, defined, consistent and pre-determined manner; and

B To the extent that the Contractor relies on or uses Information Technology in its own general business operations, Contractor warrants that all Information Technology used by Contractor in its business operations is Y2K Compliant, OR, if it is not Y2K Compliant, Contractor warrants that any failure by Contractor to be Y2K Compliant in accordance with this Rider will not adversely affect Contractor's ability to perform all required services or provide or deliver any goods, whether or not of a type involving Information Technology, under any contracts or agreements with the City.

C Contractor has ascertained that, to the extent required to make the warranties included in paragraph B of this Rider, Contractor's own suppliers and subcontractors are Y2K Compliant as to information Technology used in their own operations

D If Contractor is unable to perform under the Contract as a result, directly or indirectly, of a failure of its information Technology or that of any of its subcontractors or suppliers to be Y2K Compliant, Contractor's nonperformance will not be considered a matter excused by force majeure for any purpose under the Contract or this Rider, nor will it be considered to be an event beyond Contractor's reasonable control, nor will Contractor otherwise be excused from performance under the Contract as a result of any Y2K related problem.

E Contractor will cooperate with and provide adequate assurance to the City of its continuing Y2K Compliance; its failure at any time to do so will constitute an event of default under the Contract.

For good and lawful consideration the receipt of which is hereby acknowledged, the Contractor agrees and acknowledges that the following additional contract terms are hereby added to the above-referenced Contract. The terms set forth below will hereafter have full force and effect as if set forth in the Contract in their entirety.

Living Wage Ordinance

A. The City has enacted Section 2-92-610 of the Municipal Code of Chicago to provide for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated thereunder:

1. If the Contractor has more than 25 full-time employees, and
2. If at any time during the performance of the Contract the Contractor, subcontractor(s) and/or any other entities that perform any portion of the Contract (collectively the "Performing Parties") use 25 or more full-time security guards (in the aggregate), or any number of other full time Covered Employees, then
3. The Contractor must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate established by the City Council (the "Base Wage") for all work performed pursuant to the Contract.

B. The Contractor's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term or performance of the Contract when the conditions set forth in Sections A.1 and A.2 above are met and will continue uninterrupted thereafter until the end of the term or performance of the Contract.

C. The Base Wage is currently \$7.60 per hour. The Base Wage may be adjusted by the City Council, if it is adjusted, the Contractor and all other Performing Parties must pay the Base Wage as adjusted. If the payment of prevailing wages is required for work done under the Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the prevailing wage rates apply and must be paid.

D. The Contractor must include provisions in all agreements with other Performing Parties requiring them to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the Purchasing Agent demonstrating that all Covered Employees used by Performing Parties have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Performing Parties to verify compliance herewith. Failure to comply with the requirements of this section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three years.

E. Not-for-Profit Corporations: If the Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois Not-for-Profit law, then the provisions of Sections A through D above do not apply.
