The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the previous re-zoning of this Property from a Business Planned Development to the B3-5 Community Shopping District prior to approval of this Planned Development triggers the requirements of Section 2-44-080 of the Municipal Code of Chicago (the “Affordable Requirements Ordinance” or “ARO”). Any developer of a “residential housing project” within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (“ARO Units”) as affordable units; (ii) pay a fee in lieu of the development of the ARO Units; or (iii) any combination of (i) and (ii); provided, however, residential housing projects with 20 or more units must provide at least 25% of the ARO Units on-site (“Required Units”). The Property is located in a higher income area within the meaning of the ARO, and the Planned Development has a total of 79 units. As a result, the Applicant’s affordable housing obligation is 8 ARO Units (10% of 79 rounded up), 2 of which are Required Units (25% of 8). The Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$132,411 per unit, as adjusted in accordance with the ARO (“Cash Payment”) for 6 units and providing the 2 affordable units in an off-site building, to be approved by the Department of Housing (“DOH”), as set forth in the Affordable Housing Profile Form attached hereto. The Applicant agrees that the ARO Units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (“AMI”), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to DOH for review and approval, and DOH may adjust the requirements to reflect any such change without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and execute and record an affordable housing agreement in accordance with Section 2-44-080(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DOH may enforce remedies for any breach of this Statement, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to the B3-5 Community Shopping District.

**Re: Application for Residential-Business Planned Development
1623-31 North Halsted Street**

Dear Chairman Tunney:

The undersigned, Paul W. Shadle, an attorney with the law firm of DLA Piper LLP (US), which firm represents LV Halsted, LLC, the applicant for a proposal to rezone the subject property from the B3-2 Community Shopping District to the B3-5 Community Shopping District then to a Residential-Business Planned Development, certifies that they have complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for a change in zoning on approximately May 13, 2020; and a source for additional information on the application.

The undersigned certifies that they have made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about May 13, 2020, the undersigned, on behalf of LV Halsted, LLC, (the "Applicant"), intends to file an application to rezone the property located at 1623-31 North Halsted Street, Chicago, Illinois (the "Property") from the B3-2 Community Shopping District to the B3-5 Community Shopping District and then to a Residential-Business Planned Development. Please note that the Applicant is not seeking to rezone or purchase your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the Property.
