**ADDENDUM #1**, REQUEST FOR PROPOSAL ("RFP") FOR THE CENTRALIZED WHEELCHAIR ACCESSIBLE VEHICLE (WAV) TAXICAB DISPATCH SERVICE is posted and available to download at [www.Chicago.Gov/BACP](http://www.Chicago.Gov/BACP).

The City of Chicago Department of Business Affairs and Consumer Protection (BACP) invite the submission of proposals in response to a Request for Proposals (RFP) for the operation of a centralized dispatch service for City of Chicago licensed wheelchair accessible vehicle (WAV) taxicabs. BACP is seeking an interested and eligible vendor to operate the City of Chicago's Centralized Dispatch Service for Wheelchair Accessible Vehicle (WAV) Taxicabs.

The purpose of the RFP is to identify an entity to provide such dispatch services, which, in addition to providing a means of summoning WAV taxicabs by telephone, will include the ability to hail WAV taxicabs electronically. The goal of the Centralized Dispatch Service for WAV Taxicabs is to ensure a swift response to a passenger's request for WAV taxicab service by timely connecting the passenger with a WAV taxicab. BACP is seeking Respondents to provide onsite management; technology and equipment; and oversight and coordination of the Centralized Dispatch Service for WAV Taxicabs. Pursuant to Municipal Code of Chicago Section 9-112-570 "Taxicab wheelchair accessible vehicles and centralized wheelchair accessible dispatch", the Commissioner of BACP is authorized to regulate a centralized dispatch system for wheelchair accessible vehicle taxicabs. The chosen Respondent will be responsible for providing a centralized dispatch service for WAV taxicab vehicles as defined in the RFP.
