

2010 WRIGLEY FIELD CUBS NIGHT BASEBALL RESIDENT PARKING PROGRAM

The **objective** of the Wrigley Field night baseball resident parking program is **to preserve limited available on-street parking for area residents on Cubs night game dates. It is not the objective of the program to subject area residents or their guests to Resident Parking Program violation enforcement actions.**

ALL VIOLATIONS OF PARKING REGULATIONS THAT RESULT IN A PUBLIC HAZARD SHOULD BE STRICTLY ENFORCED. (i.e. fire hydrants, bus stops, crosswalks, driveways, and alleys)

The Chicago Police Department Detail Unit manages and coordinates night baseball parking violation enforcement. The Department of Streets and Sanitation provides tow trucks. Normally eight police officers and as many as eight tow trucks are assigned to this activity. Night baseball Program enforcement activities are coordinated at the Wrigley Field Police Command Center located in the Chicago Cubs Brown Parking Garage at 1140 W. Eddy.

The night baseball program area involves four City wards

1. 32nd Ward (Alderman Scott Waguespack) -2657 N. Clybourn Avenue (773) 248-1330
2. 44th Ward (Alderman Thomas Tunney) -1057 W. Belmont Avenue- (773) 525-6034
3. 46th Ward (Alderman Helen Shiller) - 4544 N.Broadway (773) 878-4646
4. 47th Ward (Alderman Eugene Schuller) - 4237 N. Lincoln Avenue- (773) 348-8400

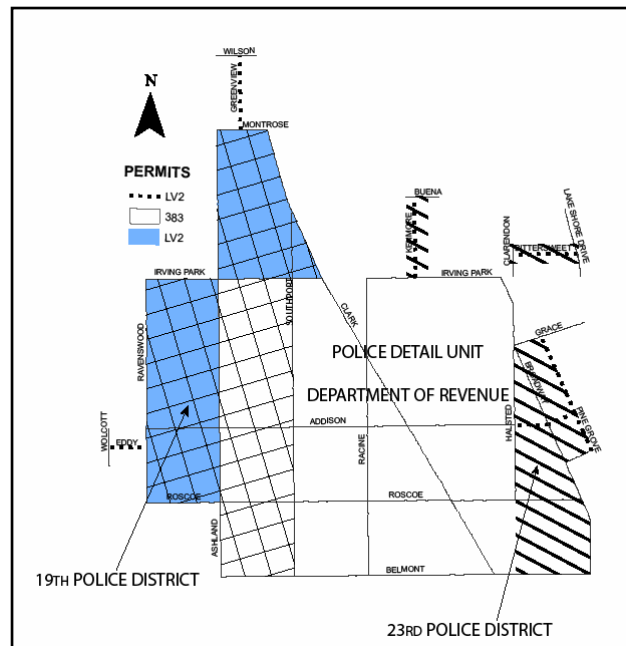

Night baseball resident parking restrictions are primarily enforced by the:

- Chicago Police Department Detail Unit
- Chicago Police Department 19th Police District
- Chicago Police Department 23rd Police District
- Department of Revenue Parking Enforcement Aids

(See map to right that shows areas of responsibility.)

Towing enforcement actions for night baseball resident parking violations are initiated as a result of any one of the following:

1. A citizen request to the night baseball telephone hotline 1-866-4CPD-TOW (866-427-3869).
2. A request from an involved Alderman's office (32nd, 44th, 46th, 47th Wards).
3. Police designated street surveys for parking violators in one of two designated Zones that rotate on a game-by-game basis.

Zone 1 is the area bounded by and including Irving Park Road on the north, Belmont Avenue on the south,

Racine Avenue on the east, and Ashland Avenue on the west.

Zone 2 is the area bounded by and including Irving Park Road on the north, Belmont Avenue on south, Halsted Street on the east, and Racine Avenue on the west.

Towing enforcement is primarily initiated by Detail Unit enforcement personnel in the Zone designated for towing.

The Zone that is not being enforced as part of the towing operation is enforced with parking violation enforcement by Parking Enforcement Aides of the Department of Revenue.

This enforcement goes from 6 PM to 8 PM. Between 4 PM and 6 PM, the Parking Enforcement Aides issue parking violations for parking meter violations, as well as rush hour control, fire hydrant, bus stop, crosswalk, and driveway parking violations. Eight Parking Enforcement Aides normally are assigned to this enforcement activity.
