for

BROKERAGE OF A BICYCLE SHARING SYSTEM ADVERTISING, SPONSORSHIP, AND PARTNERSHIP

Specification No. 102885

I GENERAL INVITATION

1.1 PURPOSE OF THE REQUEST FOR PROPOSAL

The City of Chicago (“City”), acting through its Chicago Department of Transportation (“Department” or “CDOT”) invites the submission of proposals from firms or organizations experienced in brokering sponsorships and partnerships and marketing outdoor advertising space. Brokers must develop and execute an advertising and sponsorship program for the City’s bikesharing program. The City expects this program will significant revenue to fund the expansion, operations, and recapitalization of the bikesharing program. The City invites the submission of proposals from firms with experience and expertise in these areas.

Please note that, in addition to this RFP relating to the bicycle sharing program, the City has also issued a RFQ to identify brokers (“Brokerage RFQ”) to solicit sponsorships and advertising for various classes of asset categories (excluding the bicycle sharing system). Response to this RFP (the bicycle system RFP) will not result in qualification of firms under the Brokerage RFQ, and parties interested in submitting their qualifications for City assets other than the bicycle sharing system should submit their qualifications under the Brokerage RFQ.

Companies with demonstrated experience in this area, and with an interest in making their services available to the City of Chicago, are invited to respond to this RFP. For purposes of this RFP, **Chief Procurement Officer (“CPO”)** means the Chief Procurement Officer for the City of Chicago. **“Commissioner”** means Chief Executive Officer of the City ‘Chicago Department of Transportation. **“Respondents”** means the companies or individuals that submit proposals to this RFP. The documents submitted will be referred to as **“Proposals.”**

The Services contemplated are professional in nature. The selected Respondent (“Contractor”) acting as an individual, partnership, corporation or other legal entity, must be of professional status, licensed to perform in the State of Illinois and licensed for all applicable professional discipline(s) requiring licensing and is governed by the professional ethics in its relationship to the City. All reports, information, or data prepared or assembled by the Contractor under a contract awarded pursuant to this RFP are confidential in nature and will not be made available to any individual or organization, except the City, without the prior written approval of the City. Any contract resulting from this RFP document will contain a provision requiring confidentiality on the part of Contractor.

The Contractor must be financially solvent and each of its members if a joint venture, its employees, agents or subcontractors of any tier must be competent to perform the Services required under this RFP document.

II SCOPE OF SERVICES

2.1 Scope of Services

The Services that the City seeks to acquire are described in detail in Exhibit 1 to this RFP.

2.2 Term of Services

The initial contract term will be five (5) years from the date on which a contract is awarded by the City. In addition, the contract may provide that the City may elect to extend the contract up to two 5-year periods to provide for ongoing Services. Attached as Exhibit 9 are sample terms and conditions for the contract entered into pursuant to this RFP. The City reserves the right to revise these terms and conditions, and the City will add terms and conditions as it sees fit, including, without limitation, requiring a guarantee from a third party as to the broker's financial obligations under the Agreement, such as a performance and payment bond on the City's required form or a direct-pay letter of credit from a financial institution approved by the City Comptroller. Respondent must identify in its response to the RFP any objections that it has to the terms and conditions included in Exhibit 9.

III OVERVIEW AND VISION

In June 2012, the City of Chicago will launch the largest bikesharing system in the United States. The system is currently in development and the City has not selected a name for the new bikesharing system. This presents an opportunity for the City to partner with potential sponsors and advertisers to generate additional visibility and revenue for the City and to enhance the user experience for the customer.

Over the past three years bikesharing has expanded rapidly in North America. There are now large bikesharing systems operating in: Washington, DC; Boston, MA; Chattanooga, TN; Minneapolis, MN; Denver, CO; Miami, FL; Ottawa; Toronto; and Montreal.

Chicago intends to launch a 300 station/3,000 bike system in June 2012 and expand to 500 stations and 5,000 bikes in 2013. The bikesharing system will serve a dense network of stations. The stations will be primarily located in a 30 square mile area centered on the loop. Stations will be located on the street or on sidewalks in full view of pass vehicles and pedestrians. The system is designed to allow users to pick up and drop off a bicycle at any location. Trips are designed to be one-way or two-way and typically under 30 minutes. The bikesharing system will be usable by members that pay an annual fee to join and by casual users that pay by the day or the week. Based on the experience of bikesharing in other large cities, the City of Chicago anticipates serving (with its 300 station system):

- 45,000 annual members
- 280,000 casual users annually

Based on usage of comparable systems in other cities the City anticipates that users could take up to 4,000,000 trips and travel almost 5,500,000 miles over the course of a year.

Based on peer experiences, CDOT projects 150,000 monthly visits to its website and 570,000 page views. In addition, it is possible that the bikesharing program could have roughly 80,000 Facebook page views and 9,000 Twitter followers.

This usage should scale as the system grows. An RFP for this system was issued December 5, 2011. CDOT anticipates awarding this contract in January 2012.

In addition, to users the Chicago bikesharing system will be at the center of the third largest metropolitan area and the 2nd largest Central Business District in the United States. In 2010 the City hosted 39.2 million international and domestic tourists.

The City of Chicago has an existing contract for outdoor advertising on bus shelters. There are 2,175 bus shelters and 110 news racks throughout the City. This contract expires on December 31, 2012.

CDOT's objectives for this program include, but are not limited to the following:

- Reducing traffic congestion and vehicular emissions;
- Conserving limited energy resources;
- Adding physical activity into everyday travel;
- Reducing transportation costs; and
- Improving mobility for Chicagoans, the business community, and visitors.

Said offerors need not be experts in bike-sharing, but rather be consolidated companies which can undertake the tasks described in the Scope of Services section of the RFP.

The goals of the sponsorships and advertising opportunities developed through this RFP are:

1. Build the Chicago Bikeshare Brand
2. Increase Usage of Chicago Bikeshare
3. Generate Revenue for Chicago Bikeshare

Identify what percentage of the services will be performed utilizing your own workforce, equipment and facilities. What percentage of the work will be subcontracted?

5. Professional Qualifications and Specialized Experience of Respondent and Key Personnel Committed to this Project - limit of three pages plus a Staff Organization chart plus Resumes

The City anticipates this effort to lead to revenue generation opportunities for the City of Chicago that will support its bikesharing program. The Respondent should provide the following as a part of its pricing proposal:

Estimated Valuation: The Respondent should provide the City with an estimate of the valuation of their approach to sponsorship. This estimate will be refined as the City works with the winning bidder to develop the final sponsorship, advertising, and partnership package. Respondents should provide a detailed description of their methodology of valuing the City of Chicago's assets. The level of valuation will not be a determining factor in the award of this contract. Rather the valuation will be used to determine the feasibility of Respondent's proposal with respect to revenue sharing.

Guaranteed Revenue: The Respondent may provide an offer of guaranteed revenue they are willing to provide the City of Chicago for the right to serve as its broker.

Shared Revenue: The Respondent shall propose revenue sharing that will allow the City and Respondent to share in the benefit of increased sponsorship revenue. The Respondent can propose variable rates depending on the amount generated (i.e. X% of all revenue under \$X,XXX,XXX, Y% of all revenue generated above \$X,XXX,XXX and below \$Y,YYY,YYY, et cetera).

Consistent with the City's practice of encouraging and facilitating the participation of MBEs and WBEs in prime contractor roles on City projects, the City urges Respondents to partner with MBE and/or WBE firms at the prime contractor level. To be eligible for favorable consideration under the Prime Contractor element of the criteria, proposed MBE and/or WBE participation on a Respondent's team must include well-defined management roles and responsibilities for the MBE and/or WBE team members and must allocate to the MBE and/or WBE financial risk commensurate with the financial rewards available to be achieved by a successful Respondent.

5.3 Volume II - Required Content - Representations and Certifications

1. Minority Owned Business Enterprise/Women Owned Business Enterprise Commitment

Respondent must complete and submit the forms that are attached to this RFP in Exhibit 5 to evidence Respondent's proposed MBE/WBE participation in some aspect of the contract. For purposes of your response to this RFP, the minimum Minority Business Enterprise (MBE) participation goal is 25% and the minimum Women Business Enterprise (WBE) participation goal is 5% of the total contract value.

Respondent must submit a completed Schedule D-1 and obtain a separate Schedule C-1 completed and signed by each proposed MBE and WBE firm describing the

services to be provided. With each Schedule C-1 form, Respondent should submit a current Letter of Certification issued by the City of Chicago. The proposed MBE or WBE firm must be certified by the City of Chicago at the time of Proposal submission. The City reserves the right to require Respondents to replace any proposed MBE/WBE that is not certified with the City of Chicago.

Further, the percentage participation for each MBE or WBE firm on the individual Schedule C-1s should match the percentages for each MBE or WBE firm listed on the Schedule D-1. All schedules submitted must be original signature. Failure to submit these documents, or incomplete documents, may result in Respondent being declared non-responsive.

In order to determine the best way in which to achieve and document MBE/WBE participation, Respondent must refer to the Special Conditions Regarding Minority Business Enterprise Commitment and Women Business Enterprise Commitment attached to this RFP as Exhibit 5. To locate MBE/WBE firms who are currently certified with the City of Chicago in various areas of specialty, you can search the City's MBE/WBE Directory Database on the City's website: www.cityofchicago.org/Procurement.

VI EVALUATING PROPOSALS

6.1 Evaluating Process

An Evaluation Committee, which will include the representatives of the Department of Finance, the Chicago Department of Transportation, and the Department of Procurement Services and may include representatives of other departments of the City ("Evaluation Committee" or "EC") will review and evaluate the Proposals, as described below.

In evaluating Proposals, the EC will first consider the completeness and responsiveness of the Respondent's Proposal. The RFP proposal evaluation process is organized into three phases:

- Phase I Preliminary Proposal Assessment
- Phase II Proposal Evaluation
- Phase III Site Visits and/or Oral Presentations (if necessary)

Phase I - Preliminary Proposal Assessment

Phase I will involve an assessment of the Respondent's compliance with and adherence to all submittal requirements requested in Section 5.2 Volume I, Statement of Qualifications and Section 5.3, Volume II, Representations and Certifications. Proposals which are incomplete and missing key components necessary to fully evaluate the Proposal may, at the discretion of the EC, be rejected from further consideration due to "non-responsiveness" and rated Non-Responsive.

Phase II - Proposal Evaluation

In Phase II, the EC will evaluate the extent to which a Respondent's proposal meets the project requirements set forth in the RFP. Phase II will include a detailed analysis of the Respondent's qualifications, experience, proposed implementation plan, preliminary cost proposal and other factors based on the evaluation criteria outlined in Section 6.2 Evaluation Criteria.

As part of the evaluation process, the EC will review the information required by Section V, above, for each Proposal received. The EC may also review any other information that is available to it, including but not limited to information gained by checking references and by investigating the Respondent's financial condition.

The City reserves the right to seek clarification of any information that is submitted by any Respondent in any portion of its Proposal or to request additional information at any time during the evaluation process. Any material misrepresentation made by a Respondent may void the Proposal and eliminate the Respondent from further consideration.

The City reserves the right to enlist independent consulting services to assist with the evaluation of all or any portion of the Proposal responses as it deems necessary.

6.2 Evaluation Criteria

In addition, the Evaluation Committee will review the overall responsiveness and completeness of the Proposal with respect to the requirements outlined in this RFP and Respondent's Proposal using the following criteria (not necessarily listed in order of importance):

A. Professional and Technical Competence

Past and current performance of respondent (and team members) on other contracts in terms of generating revenue, building a brand, and increasing usage of its clients' products/services. The Evaluation Committee may solicit from current and/or previous clients including the City, other government agencies, or any available sources, relevant information concerning Respondent's record of performance.

C. Quality, comprehensiveness and adequacy of the proposed approach to utilizing, including the staffing plan, local availability and commitment of personnel who will manage and oversee the City's account.

The Evaluation Committee will review each proposal for the Respondent's understanding of the objectives of the Services and how these objectives may be best accomplished. Each Respondent will be evaluated on its overall strategy, methodology, and approach to meeting the City's requirements. Additionally, the City will evaluate the creativity of proposed opportunities and past experience.

D. Financial Proposal relative to information provided in [Exhibit 4](#).

E. The level, relevancy and quality of participation by MBE/WBE firms and commitment to meeting or exceeding the City's goals for subcontracting with MBE/WBE subcontractors certified by the City of Chicago. Consistent with the City's practice of encouraging and facilitating the participation of MBE/WBEs in prime contractor roles on City projects, the City urges Respondents to partner with MBE/WBE firms at the prime contractor level.

To be eligible for favorable consideration under this element of the criteria, proposed MBE/WBE participation on a Respondent's team must include well-defined management roles and responsibilities for the MBE/WBE team members and must allocate to the MBE/WBE financial risk commensurate with the financial rewards available to be achieved by a successful Respondent.

- F. Legal Actions - The EC will consider legal actions, if any, against Respondent and any division, subsidiary or parent company of Respondent, or against any member, partner, etc., of Respondent if Respondent is a business entity other than a corporation.

If any Respondent has provided any services for the City in researching, consulting, advising, drafting or reviewing of this RFP or any services related to this RFP, such Respondent may be disqualified from further consideration.
- J. Degree to which the Respondent accepts the City's Sample Professional Services Agreement in Exhibit 9 that will impact contract negotiations and City's ability to successfully negotiate and award a contract.

VII SELECTION PROCESS

After the Evaluation Committee ("EC") completes its review of Proposals in Phase II, it may submit to the Commissioner of the Chicago Department of Transportation ("CDOT") and the Chief Financial Officer (CFO) of the Department of Finance a recommended short list of Respondents (Phase III), or submit a recommendation to select a Respondent, or a recommendation to reject any or all Proposals.

Phase III- Site Visit and/or Oral Presentations

If the EC submits a short list of Respondents for further review, then, in the sole discretion of the Commissioner of CDOT and the Chief Procurement Officer ("CPO") of the Department of Procurement Services, those short-listed Respondents may be subject to a site visit and/or invited to appear before the Evaluation Committee for an oral presentation; to clarify in more detail information what was submitted in Respondent's Proposal; and/or to ask Respondent to respond to additional questions. Afterwards, the Evaluation Committee will make a final evaluation, including a final ranking of the Respondents, and will submit a recommendation for one or more Respondents to the Commissioner of CDOT and the CFO.

The Commissioner of CDOT will recommend one or more Respondents for contract negotiations to the CFO. Contract negotiations will include clarification and finalization of the scope and agreement on a fair and reasonable compensation for Services.

The City will require the selected Respondent(s) to participate in contract negotiations. The City's requirement that the selected Respondent(s) negotiate is not a commitment by the City to award a contract. If the City determines that it is unable to reach an acceptable contract with the selected Respondent(s), including failure to agree on a fair and reasonable price proposal for the Services or any other terms or conditions, the CFO may terminate negotiations with the selected

Respondent(s), and negotiate with any of the other qualified Respondents, until such time as the City has negotiated a contract meeting its needs.

The City reserves the right to terminate this RFP solicitation at any stage if the CFO determines this action to be in the City's best interests. The receipt of Proposals or other documents will in no way obligate the City to enter into any contract of any kind with any party.

**EXHIBIT 1
SCOPE OF SERVICES**

**BICYCLE SHARING SYSTEM ADVERTISING, SPONSORSHIP, AND PARTNERSHIP FOR THE CITY
OF CHICAGO SERVICES**

The Chicago Department of Transportation (“CDOT”) is seeking proposals from brokers to develop and implement a sponsorship and advertising program for the Chicago bikesharing system. The City has identified several different types of advertising and sponsorship schemes, but the City of Chicago recognizes that there may be other opportunities for advertising and sponsorship.

Responsive proposals must address the following elements. However, the City does not seek to limit the creativity of the respondents. Therefore Respondents may offer additional opportunities as a part of their proposal.

A. Outdoor Advertising:

CDOT is seeking proposals for the selection, design, fabrication, installation, and maintenance of advertisements on its bike system. Such selection, design, fabrication, installation, and maintenance of advertisements will be completed by the selected offeror(s), at no cost to the City.

The City of Chicago has identified several locations on which advertisements can be placed:

Advertising Panels: These panels are approximately 3 x 5 feet and backlit. The final size will be determined when the City selects a bikesharing provider. Each station will contain the City of Chicago seal. One side of the advertising panel will include a map of bike facilities throughout the City. Finally, the City reserves the right to use 5% of all inventory or any unsold inventory for public service announcements or to advertise City services.

Bicycle Fenders: These fenders are half-circles measuring approximately 24 inches in diameter. The final dimensions are subject to the equipment of the bikeshare operator.

Bidders may elect to reserve some or all of this space for sponsorship (Described in Section D). Exhibit 10 provides advertising standards that the City will apply to this program.

B. Electronic Advertising:

Based on peer city experiences, CDOT it is possible the City could have 150,000 monthly visits to its website and 570,000 page views. In addition, it is possible the City could have roughly 80,000 Facebook page views and 9,000 Twitter followers. It is possible the City could have serving 45,000 annual members and 280,000 daily users. CDOT also has identified opportunities for advertising on electronic assets. These assets include the bikeshare website and direct marketing to its membership. Exhibit 10 provides advertising standards that the City will apply to this program.

C. Station Sponsorship:

CDOT also envisions sponsorships of specific stations. These sponsorships could be denoted on the station and on the Bikesharing website.

D. System-wide Sponsorship

DDOT is seeking proposals for a system-wide sponsorship for its bicycle fleet and bike sharing station panels throughout the City. This sponsorship may include a title sponsorship such as; ABC Corp Bikeshare or Chicago Bikeshare by ABC Corp. The selection, design,

fabrication, installation and maintenance of such sponsorship will be completed by the selected offeror, at no cost to the City. The City retains the right to reject any potential sponsorship that conflicts with the policy goals of the bikesharing system.

E. Event Sponsorships

The City of Chicago envisions creating or engaging in a number of events over the course of a year. For example, this could lead to a “bikeshare day” at a sporting event in which a sponsor encourages patrons to attend a sporting event by bikesharing. Alternately, the City could host a bikesharing-specific event such as a race or charity ride focused on purchasing new stations, providing subsidized memberships to low-income riders, or encouraging bicycle safety.

F. Partnerships

The City of Chicago also recognizes that there are opportunities to develop long-term strategic partnerships that will help build customer loyalty and attract new members. The City envisions partnering with companies that share the values of the Chicago bikesharing system and offer opportunities to expand the utility of joining Chicago’s bikeshare system. CDOT is seeking partners in, but not limited to, the following sectors:

- Health/Fitness
- Retail/Grocery
- Financial Services
- Travel/Leisure

The City views these partnerships as a way to increase the value of a membership and to improve the user experience over an opportunity to directly increase revenue.

CDOT reserves the right to approve all opportunities identified by the winning bidder. In addition, CDOT does not consider this a public forum and will not accept sponsors or advertisers that have the potential to damage the public perception of the bikesharing service or the City of Chicago. Respondents should address each of these areas. However, they are invited to also provide alternative approaches to meeting the goals of this request for proposals.

SPECIAL CONDITIONS REGARDING MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE (MBE/WBE) COMMITMENT AND SCHEDULES

I. Policy and Terms

- A. It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the contractor shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies or services.

The Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

- B. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.
- C. Accordingly, the contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Contract Goal: 25.0

WBE Contract Goal: 5.0

- D. The commitment is met by the contractor's status as an MBE or WBE, or by a joint venture with one or more certified MBEs or WBEs that will perform work on the project, or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the contractor's business (but no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitment with respect to all contracts of such contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both an MBE and WBE shall not be credited more than once against a contractor's MBE or WBE commitment in the performance of the contract.

- E. As noted above, the contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this contract. However, in determining the manner of MBE/WBE participation, the contractor shall first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this contract. In appropriate cases, the

Chief Procurement Officer will require the contractor to demonstrate the specific efforts undertaken to involve MBEs and WBEs in direct participation in the performance of this contract.

- F. The contractor also may with prior approval of the Chief Procurement Officer or designee, meet all, or part, of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.

II. Definitions

- A. **“Area of Specialty”** means the description of an MBE or WBE firm*s business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm*s claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm*s Area of Specialty. This information is also contained in the Directory. Credit toward this contract*s MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

- B. **“Directory”** means the Directory of Certified “Disadvantaged Business Enterprises,” “Minority Business Enterprises” and “Women Business Enterprises” maintained and published by the Contract Compliance Administrator. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.
- C. **“Executive Director”** means the executive director of the Office of Compliance or his or her designee.
- D. **“Minority Business Enterprise”** or **“MBE”** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.
- E. **“Women Business Enterprise”** or **“WBE”** means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations.
- F. **“Joint Venture”** means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by MBEs and WBEs in contract work.

III. Joint Ventures

Bidders may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in contract work. A joint venture seeking to be credited for MBE and/or WBE participation may be formed among MBE and/or WBE firms or between an MBE and/or WBE firm and a non-MBE/WBE firm.

A joint venture is eligible for MBE or WBE credit if the MBE/WBE joint venture partner(s) share in the ownership, control and management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE and/or WBE ownership percentage.

Notice: The City requires that, whenever a joint venture is proposed as the prime contractor, each joint venture partner must separately sign the proposal to the City, in the pages captioned, **TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR**, as applicable.

IV. Counting MBE/WBE Participation Toward the Contract Goals

- A. The inclusion of any MBE or WBE in the contractor's MBE/WBE Utilization Plan shall not conclusively establish the contractor's right to full MBE/WBE credit for that firm's participation in the contract. Once an MBE or WBE is determined to be eligible in accordance with these rules, the total dollar value of the work awarded to the MBE or WBE may be counted toward the MBE or WBE goal except as indicated below:
- B. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others. A contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) portion of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information concerning brokers' fees and/or commissions; (2) intended sub-suppliers or other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

- C. MBEs and WBEs who have been certified as "brokers" shall no longer be considered eligible to participate for any consideration of MBE or WBE credit on contracts awarded by the City in 1993 and thereafter, until further notice.
- D. A joint venture may count toward its MBE or WBE goal the dollar value of the actual work performed by the MBE and/or WBE joint venture partner with its own resources.
- E. When a MBE or WBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward the contract specific goals only if the MBE's or WBE's subcontractor is itself a MBE or WBE. Work that a MBE or WBE subcontracts to a non-MBE or WBE does not count towards the contract specific goals.

The Chief Procurement Officer reserves the right to disallow goal credit for all, or any portion, of work performed by an MBE or WBE joint venturer based on evaluations of non-compliance with these Special Conditions or any other City, State and/or Federal regulation.

V. Regulations Governing Reduction or Waiver of MBE/WBE Goals

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder or proposer determines that it is unable to meet the MBE and/or WBE goal percentage on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder/proposer's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

Bidders/proposers will be considered responsive to the terms and conditions of these Regulations if a waiver request and proof of notification to an assist agency is submitted at the time of bid/proposal opening. Once the bids have been opened, the lowest responsive and responsible bidder so deemed by the Chief Procurement Officer or authorized designee will have no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. **Proposers responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein. Respondents to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations.** Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder/proposer; or re-advertising the bid/proposal. All bidders/proposers are encouraged to submit all required documents at the time of bid opening to expedite the contract award.

A. Direct/Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

1. The bidder/proposer has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Direct participation involves subcontracting a portion of the goods/services specifically required in the bid/proposal. Indirect participation is the subcontracting of goods/services not specifically related to the performance of this contract. Documentation must include but is not necessarily limited to:
 - a. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;
 - b. A listing of all MBE/WBE firms contacted that includes:
 - (1) Names, address and telephone numbers of MBE/WBE firms solicited;
 - (2) Date and time of contact;
 - (3) Method of contact (written, telephone, facsimile, etc.)
 - c. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:
 - (1) Project identification and location;
 - (2) Classification/commodity of work items for which quotations were sought;

- (3) Date, item and location for acceptance of subcontractor bid proposals;
- (4) Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portion of the work and indicates why negotiations were unsuccessful;
- (5) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of work that was solicited.

OR

2. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder/proposer must provide the following information:
 - a. A detailed statement of the work identified for MBE/WBE participation for which the bidder/proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
 - (1) A listing of all potential subcontractors contacted for a quotation on that work item;
 - (2) Prices quoted for the subcontract in question by all such potential subcontractors for that work item.
 - b. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
 - (1) The City's estimate for the work under a specific subcontract;
 - (2) The bidder/proposer's own estimate for the work under the subcontract;
 - (3) An average of the bona fide prices quoted for the subcontract;
 - (4) Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

B. Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community.

The notice requirement of this Section will be satisfied if a bidder/proposer contacts at least one of the associations on Attachment A when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Chief Procurement Officer or Executive Director may contact the assist agency for verification of notification.

C. Impracticability

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

2. The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders/proposers, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

VI. Procedure To Determine Bid Compliance

The following Schedules and described documents constitute the bidder*s MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

A. Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Contractor.

A Schedule C-1 executed by the MBE/WBE (subcontractor or Joint Venture partner) must be submitted by the bidder/proposer for each MBE/WBE included on their Schedule D-1 and must accurately detail the work to be performed by the MBE/WBE and the agreed rates and prices to be paid.

If any fully completed and executed Schedule C-1 is not submitted with the bid/proposal, it must be received by the Contract Administrator within ten (10) days of the bid/proposal opening. (All post bid/proposal submissions must have original signatures on all documents). Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

- **Letters of Certification.**

A copy of each proposed MBE/WBE firm*s current Letter of Certification from the City of Chicago must be submitted with the bid/proposal.

All Letters of Certification issued by the City of Chicago include a statement of the MBE/WBE firm*s Area of Specialty. The MBE/WBE firm*s scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

- **Joint Venture Agreements.**

If the bidder*s/proposer*s MBE/WBE proposal includes the participation of an MBE/WBE as joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement.

B. Schedule D-1: Affidavit of MBE/WBE Goal Implementation Plan

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm.

Except in cases where the bidder/proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V. herein, the

bidder/proposer must commit to the expenditure of a specific dollar amount of participation and a specific percentage of the total award amount for each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, as percentages of the total estimated usage.

All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the bid opening (see Section VI. A., above), the bidder/proposer may submit a revised Schedule D-1 (executed and notarized) to conform with the Schedule C-1. Except in cases where substantial and documented justification is provided, bidders/proposers will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

VII. Reporting Requirements During The Term of The Contract

- A. The Contractor shall, not later than thirty (30) days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements shall be made available to the Chief Procurement Officer upon request.
- B. In the case of one time procurements of supplies with either single or multiple deliveries to be performed in less than one year from the date of contract award, an "MBE/WBE Utilization Report," indicating final MBE and WBE payments shall be submitted directly to the Department of Procurement Services so as to assure receipt either at the same time, or before the using Department receives the contractor*s final invoice. Final payments may be held until the Utilization Reports have been received.
NOTICE: Do not submit invoices with "MBE/WBE Utilization Reports."
- C. During the term of all other contracts, the contractor shall submit regular "MBE/WBE Utilization Reports," a copy of which is attached. The frequency with which these reports are to be submitted will be determined by the Chief Procurement Officer, but in no case will reports be required less often than on a quarterly basis. In the absence of written notice from the Chief Procurement Officer, the contractor*s first "MBE/WBE Utilization Report" will be due ninety (90) days after the date of contract award, and reports will be due quarterly thereafter.
- D. "MBE/WBE Utilization Reports" are to be submitted directly to: Department of Procurement Services, Office of Vendor Relations, City Hall, Room 403, 121 N. LaSalle Street, Chicago, Illinois 60602.
- E. The Executive Director shall be entitled to examine, on five (5) business days notice, the contractor*s books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

VIII. MBE/WBE Substitutions

Changes by the contractor of the commitments earlier certified in the Schedule D-1 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The contractor must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate an MBE/WBE subcontract and to utilize a substitute firm for some phase of

work. The contractor*s notification should include the reason for the substitution request, as well as, the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section VI. above, "Procedure to Determine Bid Compliance."

The City will not approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary for the contractor in order to comply with MBE/WBE contract requirements.

After award of contract, no relief of the MBE/WBE requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements of this contract must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section V. above, entitled "Regulations Governing Reductions To or Waiver of MBE/WBE Goals".

IX. Non-Compliance and Damages

The following constitutes a material breach of this contract and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the contract, at law or in equity:

- (1) failure to satisfy the MBE/WBE percentages required by the contract; and
- (2) the contractor or subcontractor is disqualified as an MBE or WBE, and such status was a factor in contract award, and was misrepresented by the contractor.

In the event that the contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the contractor shall seek to discharge the disqualified subcontractor or supplier, upon proper notification to the Chief Procurement Officer and/or Executive Director and make every effort to identify and engage a qualified MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the contractor may be withheld until corrective action is taken.

X. Arbitration

- A. In the event that a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney*s fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and an MBE/WBE.
- B. An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation

contained in the last sentence of the previous paragraph, Section X. A. above, within ten (10) days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (“AAA”), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

- C. All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorney*s and arbitrator fees, as damages to a prevailing MBE/WBE.
- D. The MBE/WBE must send the City a copy of the “Demand for Arbitration” within ten (10) days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

XI. Record Keeping

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.

1.7. EDS FREQUENTLY ASKED QUESTIONS

Q: Where do I file?

A: The web link for the Online EDS is <https://webapps.cityofchicago.org/EDSWeb>

Q: How do I get help?

A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?

A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State law and City ordinances and certify compliance with various laws and ordinances. An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.

Q: Who is the Applicant?

A: “Applicant” means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.

Q: Who is the Disclosing Party?

A: “Disclosing Party” means any entity or person submitting an EDS. This includes owners and parent companies.

Q: What is an entity or legal entity?

A: “Entity” or “Legal Entity” means a legal entity (for example, a corporation, partnership, joint venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?

A: “Person” means a human being.

Q: Who must submit an EDS?

A. An EDS must be submitted in any of the following three circumstances:

<u>Applicants:</u>	<u>An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name.</u>
<u>Entities holding an interest:</u>	<u>Whenever a legal entity has a beneficial interest (E. G. direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf.</u>
<u>Controlling entities:</u>	<u>Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the controlling entity must also file an EDS on its own behalf.</u>

Q: What information is needed to submit an EDS?

A: The information contained in the Preparation Checklist for EDS submission.

Q: I don't have a user ID & password. Can I still submit an Online EDS?

A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?

A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?

A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering "Yes" to "Is this an existing City of Chicago user ID?" when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

Q: I don't have an email address. How do I submit an Online EDS?

A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as www.hotmail.com or www.yahoo.com or mail.google.com to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?

A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?

A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

Q: Who is the EDS team?

A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

Q: I forgot my password. What should I do?

A: To retrieve a temporary password, click the "Forgot your password?" link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?

A: Click on "Create New" after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

Q: How do I fill out a Disclosure of Retained Parties?

A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on "Create New". Answer (click) "Contract" to "Is this EDS for a contract or an EDS information update?" Click "Fill out EDS", and click on the "Retained Parties" tab. When finished, click on "Ready to Submit."

Q: How do I attach documents?

A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word, or paper format.

Q: Who can complete an Economic Disclosure Statement online?

A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

Q: What are the benefits of filing my Economic Disclosure statement electronically?

A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: Will my information be secure?

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the "Online EDS" login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication, Only you will have knowledge of this unique identification information.

Q: I am filing electronically. How do I sign my EDS?

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: My address has changed. How can I update my information?

A: You must be an EDS Captain for your organization to update this. Log-in and click on "Vendor Admin, Site Administration." Select the appropriate site and click edit.

Q: I have more questions. How can I contact the Department of Procurement Services?

A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Standard Time.

Q: Can I save a partially complete EDS?

A: Yes. Click "Save". To avoid data loss, we recommend you save your work periodically while filling out your EDS.

Q: Do I have to re-type my information each time I submit an EDS?

A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

Q: What are the system requirements to use the Online EDS?

A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/
- Your web browser is set to permit running of JavaScript.
- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.
- Your monitor resolution is set to a minimum of 1024 x 768.
- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at <http://get.adobe.com/flashplayer>

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

If Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

AGREEMENT

This Agreement is entered into as of the _____ day of _____, _____ ("**Effective Date**") by and between _____, a _____ corporation ("**Contractor**"), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its Department of _____ ("**City**"), at Chicago, Illinois. The City and Contractor agree as follows:

BACKGROUND INFORMATION

The Contractor warrants that it is ready, willing and able to perform as of the effective date of this Agreement to the full satisfaction of the City.

NOW, THEREFORE, the City and the Contractor agree as follows:

ARTICLE 1. INCORPORATION OF BACKGROUND INFORMATION

The Background Information set forth above is incorporated and made a part of this Agreement by reference.

TERMS AND CONDITIONS

ARTICLE 2. DEFINITIONS

2.1 Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"**Additional Services**" means those services, which are within the general scope of Services of this Agreement, but beyond the description of services required under Section 3.1, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the City in a written amendment under Section 10.3 of this Agreement before Contractor is obligated to perform those Additional Services and before the City becomes obligated to pay for those Additional Services.

"**Agreement**" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"**Chief Procurement Officer**" means the Chief Procurement Officer of the City and any representative duly authorized in writing to act on his behalf.

"**Commissioner**" means the Commissioner of the Department of _____, and any representative authorized in writing to act on the Commissioner's behalf.

"**Department**" means the City Department of _____.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 and Exhibit 1 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" means any person or entity with whom Contractor contracts to provide any part of the Services, including subcontractors and subconsultants of any tier, suppliers and materials providers, whether or not in privity with Consultant.

2.2 Interpretation

(a) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

(b) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

(c) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

(d) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

(e) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

Exhibit 7	List of Key Personnel
Exhibit 8	Provisions Required If Federal Funds Are Involved
Exhibit 9	Sample Contractors Performance & Payment Bond
Exhibit 11	Public Work Provisions
Exhibit 12	Required Federal Provisions

ARTICLE 3. DUTIES AND RESPONSIBILITIES OF CONTRACTOR

3.1 Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3.3. The Services that Contractor must provide are described in Exhibit 1, Scope of Services and Time Limits for Performance.

3.2 Deliverables

In carrying out its Services, Contractor must prepare or provide to the City various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the City.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 9.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its obligations under this Agreement.

3.3 Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary. Any review, approval, acceptance of Services or Deliverables or payment for any of the Services by the City does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City's rights against Contractor under this Agreement, at law or in equity.

Contractor must be appropriately licensed to perform the Services, if required by law, and must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed as may be required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must, at the City's option, perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure, unless the reason is failure to have and maintain required licensure. See subsection 9.1 (b)(ii) regarding failure to comply with licensure requirements.

3.4 Personnel

(a) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the City and with prior written consent of the City.

(b) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the City. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.4(b). The Department may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the key person or persons from performing Services under this Agreement and must replace him or them in accordance with the terms of this Agreement. Key Personnel, if any, are identified in Exhibit 7.

(c) **Salaries and Wages**

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.4(c) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

3.5 Disadvantaged Business Enterprise Commitment

In the performance of this Agreement, including the procurement and lease of materials or equipment, Contractor must abide by the contracting requirements regarding disadvantaged business enterprises (MBE/WBE) as defined and discussed in 49 CFR Part 26 and the Special Conditions Regarding MBE/WBE Commitment set forth in Exhibit 3. Contractor's completed Schedules C-1 and D-1 in Exhibit 3, evidencing its compliance with this requirement, are a part of this Agreement, upon acceptance by the Chief Procurement Officer. Contractor must utilize minority and women's business enterprises at the greater of the amounts listed in those Schedules C-1 and D-1 or the percentages listed in them as applied to all payments received from the City.

3.6 Insurance

Contractor must provide and maintain at Contractor's own expense, during the term of this Agreement and any time period following expiration if Contractor is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 5 of this Agreement, insuring all operations related to this Agreement.

3.7 Indemnification

(a) Contractor must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

- (i) injury, death or damage of or to any person or property;
- (ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Contractor's failure to perform or cause to be performed Contractor's promises and obligations as and when required under this Agreement, including Contractor's failure to perform its obligations to any Subcontractor;

(iv) the City's exercise of its rights and remedies under Section 9.2 of this Agreement; and

(v) injuries to or death of any employee of Contractor or any Subcontractor under any workers compensation statute.

(b) "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor's breach of this Agreement or to Contractor's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

(c) At the City Corporation Counsel's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, Contractor waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Contractor's performance of Services beyond the term. Contractor acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Contractor's duties under this Agreement, including the insurance requirements in Exhibit 5 of this Agreement.

3.8 Ownership of Documents

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Contractor under this Agreement are property of the City, including, as further described in Section 3.9 below, all copyrights inherent in them or their preparation. During performance of its Services, Contractor is responsible for any loss or damage to the Deliverables, data, findings or information while in Contractor's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Contractor. If not restorable, Contractor must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 3.7.

3.9 Copyright Ownership

Contractor and the City intend that, to the extent permitted by law, the Deliverables to be produced by Contractor at the City's instance and expense under this Agreement are conclusively deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101 *et seq.*, and that the City will be the sole copyright owner of the

Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Contractor hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Contractor will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Contractor warrants to the City, its successors and assigns, that on the date of transfer Contractor is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Contractor further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Contractor warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

3.10 Records and Audits

(a) Records

(i) Contractor must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If Contractor fails to make such delivery upon demand, then Contractor must pay to the City any damages the City may sustain by reason of Contractor's failure.

(ii) Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Contractor must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Article 11.

(b) Audits

(i) Contractor and any of Contractor's Subcontractors must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. Contractor must maintain records showing actual time devoted and costs incurred. Contractor must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Contractor conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Contractor must maintain and make similarly available to the City detailed records supporting Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

(iii) Contractor must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of any such audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Contractor to reimburse the City in accordance with subsection A or B above is an event of default under Section 9.1 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.11 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Contractor under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Contractor must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Contractor by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.

(b) Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(c) If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor's possession by reason of this Agreement, Contractor must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

(d) HIPAA and AIDS Confidentiality Act. To the extent not defined here the capitalized terms below and in Exhibit 6 will have the same meaning as set forth in the Health Insurance Portability and Accountability Act (Act). See 45 CFR parts 160, 162 and 164. Contractor and all its Subcontractors must

comply with the Act and all rules and regulations applicable to it including the Privacy Rule, which sets forth the Standards for Privacy of Individually Identifiable Health Information at 45 CFR part 160 and part 164 subparts A and E; the Standards for Electronic Transactions, which are located at 45 CFR parts 160 and 162 and the Security Standards, which are located at 45 CFR parts 160, 162 and 164. Contractor must also comply with the Illinois AIDS Confidentiality Act (410 ILCS 305/1 through 16) and the rules and regulations of the Illinois Department of Public Health promulgated under it. If Contractor fails to comply with the applicable provisions under the ACT or the Illinois AIDS Confidentiality Act, such failure will constitute an event of default under this Agreement for which no opportunity for cure will be provided.

Additionally, if Contractor is a Business Associate it must comply with all requirements of the Act applicable to Business Associates including the provisions contained in Exhibit 6.

3.12 Assignments and Subcontracts

(a) Contractor must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the Chief Procurement Officer and the Department. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the Chief Procurement Officer, including approvals for the use of any Subcontractors, operate to relieve Contractor of any of its obligations or liabilities under this Agreement.

(b) All Subcontractors are subject to the prior approval of the Chief Procurement Officer. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Department, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by Contractor personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Contractor of any of its obligations or liabilities under this Agreement.

(c) Contractor, upon entering into any agreement with a Subcontractor, must furnish upon request of the Chief Procurement Officer or the Department a copy of its agreement. Contractor must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Department and the Chief Procurement Officer. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

(d) Contractor must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the Chief Procurement Officer. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Contractor under this Agreement, without such prior written approval, has no effect upon the City.

(e) Under ' 2-92-245 of the Municipal Code, the Chief Procurement Officer may make direct payments to Subcontractors for Services performed under this Agreement. Any such payment has the same effect as if the City had paid Contractor that amount directly. Such payment by the City to Contractor's Subcontractor under no circumstances operates to relieve Contractor of any of its obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

(f) The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

ARTICLE 4. DURATION OF AGREEMENT

4.1 Term of Performance

This Agreement takes effect as of the Effective Date and continues, except as provided under Sections 5.4 or Article 9, until the later of (i) _____, as that date may be extended under Section 4.3, or (ii) completion of the final task assigned before the date, if and as extended, in (i).

4.2 Timeliness of Performance

(a) Contractor must provide the Services and Deliverables within the time limits required under any task order or request for services pursuant to the provisions of Section 3.1 and Exhibit 1. **Further, Contractor acknowledges that TIME IS OF THE ESSENCE and that the failure of Contractor to comply with the required time limits may result in economic or other losses to the City.**

(b) Neither Contractor nor Contractor's agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Contractor by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

4.3 Agreement Extension Option

This Agreement will be in effect for the dates indicated within this Agreement for a _____ month term. Laws 3220).

The provisions of this Section 7.5 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

7.6 Business Relationships with Elected Officials

Pursuant to § 2-156-030(b) of the Municipal Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in § 2-156-080 of the Municipal Code.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. 7.7 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and
- (ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services

(collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2011, the Base Wage is \$11.18 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

7.8 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;

- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be

granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

7.9 Prohibition on Certain Contributions

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent (**Owners**), spouses and domestic partners of such Owners, Contractor's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("**Mayor**") or to his political fundraising committee (i) after execution of this Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Contractor or the date Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Contractor's bid.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.

7.11 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

7.12 False Statements

Any person who knowingly makes a false statement of material fact to the city in violation of any statute, ordinance or regulation, or who knowingly falsifies any statement of material fact made in connection with an application, report, affidavit, oath, or attestation, including a statement of material fact made in connection with a bid, proposal, contract or economic disclosure statement or affidavit, is liable to the city for a civil penalty of not less than \$500.00 and not more than \$1,000.00, plus up to three times the amount of damages which the city sustains because of

(b) Contractor represents that it, and to the best of its knowledge, its Subcontractors if any (Contractor and Subcontractors will be collectively referred to in this Section 8.5 as "**Consulting**

Parties"), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Upon the request of the City, Consulting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Consulting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Consulting Parties' past or present clients. If Consulting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Consulting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) Further, Consulting Parties must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information, as described in Section 3.11 of this Agreement. If the City, by the Commissioner in his reasonable judgment, determines that any of Consulting Parties' services for others conflict with the Services that Consulting Parties are to render for the City under this Agreement, Consulting Parties must terminate such other services immediately upon request of the City.

(f) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

8.6 Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Agreement or because of the City's execution, attempted execution or any breach of this Agreement.

8.7 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

ARTICLE 9. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

9.1 Events of Default Defined

The following constitute events of default:

- (a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.
- (b) Contractor's failure to perform any of its obligations under this Agreement including the following:
 - (i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;
 - (ii) Failure to have and maintain all professional licenses required by law to perform the Services;
 - (iii) Failure to timely perform the Services;
 - (iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
 - (vi) Discontinuance of the Services for reasons within Contractor's reasonable control;
 - (vii) Failure to comply with Section 7.1 in the performance of the Agreement;
 - (viii) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate; and
 - (ix) Any other acts specifically stated in this Agreement as constituting an act of default.
- (c) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer (when such prior approval is permissible by law), which approval the Chief Procurement Officer will not unreasonably withhold.
- (d) Contractor's default under any other agreement it may presently have or may enter into with the City for the duration of this Agreement. Contractor acknowledges that in the event of a default under this Agreement the City may also declare a default under any such other agreements.
- (e) Contractor's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the Chief Procurement Officer, it indicates a willful or reckless disregard for City laws and regulations.
- (f) Contractor's failure to update its EDS to reflect any changes in information, including changes in ownership, and to provide it to the City as provided under Section 7.1(a).

9.2 Remedies

- (a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give

Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Chief Procurement Officer decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Chief Procurement Officer may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.2 and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the City would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Contractor under this Section 9.2;

(ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iv) The right to money damages;

(v) The right to withhold all or any part of Contractor's compensation under this Agreement;

(vi) The right to deem Contractor non-responsible in future contracts to be awarded by the City;

(vii) The right to declare default on any other contract or agreement Contractor may have with the City.

(c) City's Reservation of Rights. If the Chief Procurement Officer considers it to be in the City's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or

power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

9.3 Early Termination

(a) In addition to termination under Sections 9.1 and 9.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Contractor. The City will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

(c) Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Contractor or the City.

(d) If the City's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.3.

9.4 Suspension

The City may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice to the City may treat the suspension as an early termination of this Agreement under Section 9.3.

9.5 Right to Offset

(a) In connection with Contractor's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

- (i) if the City terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- (ii) if the City exercises any of its remedies under Section 9.2 of this Agreement;
- (iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Contractor is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under § 2-92-380 of the Municipal Code, the City may set off from Contractor's compensation under this Agreement an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by Contractor to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Contractor, and without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Contractor unrelated to this Agreement. When the City's claims against Contractor are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Contractor to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

ARTICLE 10. GENERAL CONDITIONS

10.1 Entire Agreement

(a) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.

(b) No Collateral Agreements

Contractor acknowledges that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Contractor to enter into this Agreement or has been relied upon by Contractor, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions**

Contractor acknowledges that Contractor was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

10.2 Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

10.3 Changes, Modifications, and Amendments

No change, modification, or amendment of this Agreement, or any part hereof, is valid unless stipulated in writing and signed by the Mayor, Comptroller, and Chief Procurement Officer of the City. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 10.3. This Section, 10.3, does not apply, however, to Agreement extensions governed by section 4.3, Agreement Extension Option.

10.4 Governing Law and Jurisdiction

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Contractor irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of process on Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Contractor, or by personal delivery on any officer, director, or managing or general agent of Contractor. If any action is brought by Contractor against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

10.5 Severability

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

10.6 Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

10.7 Cooperation

Contractor must at all times cooperate fully with the City and act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to ensure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

10.8 Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the City's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

10.9 Independent Contractor

(a) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This Agreement is between the City and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.

(ii) Contractor is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Contractor.

(c) Shakman Accord

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Consultant is aware that City policy prohibits City employees from directing any individual to apply for a position with Consultant, either as an employee or as a subcontractor, and from directing Consultant to hire an individual as an employee or as a subcontractor. Accordingly, Consultant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Consultant under this Agreement are employees or subcontractors of Consultant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Consultant.

(iii) Consultant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Consultant by a City employee or City official in violation of Section 10.10(c)(ii) above, or advocating a violation of Section 10.10(c)(iii) above, Consultant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Consultant will also cooperate with inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

10.10 Electronic Ordering and Invoices

The Contractor shall cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to catalogs, purchase orders, releases, and invoices. Contractor shall accept electronic purchase orders and releases upon request of the Chief Procurement Officer. Contractor shall provide the City electronic catalogs, copies of invoices and other electronic documents upon request. The electronic ordering and invoice documents shall be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The Chief Procurement Officer reserves the right to change the document format and/or the means of transmission upon written notice to the Contractor. Contractor shall ensure that the essential information, as determined by the Chief Procurement Officer, in the electronic document, corresponds to that information submitted by the Contractor in its paper documents. The electronic documents shall be in addition to paper documents required by this contract, however, by written notice to the Contractor, the Chief Procurement Officer may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

10.11 Participation by Other Local Government Agencies

Other local government agencies may be eligible to participate in this agreement pursuant to the terms and conditions of this Contract if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the City of Chicago's Chief Procurement Officer, and if such purchases have no net adverse effect on the City of Chicago, and result in no diminished services from the Contractor to the City's user departments pursuant to such purchases. Examples of such Local Government Agencies are: Board of Education, Chicago Park District, City

Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), Cook County and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

Advertising Standards

The City of Chicago ("City") recognizes that there are opportunities to realize revenues to be used for the public benefit through the marketing of City Assets, including the display of advertising and/or promotional materials thereon. Pursuant to the authority granted in Section 2- 32-055 of the Chicago Municipal Code, the Chief Financial Officer ("CFO") of the City of Chicago adopts these rules in relation to the display of advertising and/or promotional materials on certain City Assets.

These rules are intended to:

- identify the types of advertising and/or promotional materials that are eligible for display on City Assets to which these rules apply;
- ensure that the rules for accepting advertising and/or promotional materials for display on certain City Assets are consistently enforced;

- maximize revenue for the City of Chicago.

In making City Assets available for marketing, including the display of advertising and/or promotional materials, the City is acting to generate revenues and not to create a public forum or a limited public forum for dissemination, debate or discussion of public issues. The display of advertising or promotional materials on City Assets pursuant to said marketing efforts does not imply any City endorsement of any product or service advertised, or messages displayed.

DEFINITIONS:

The term "Assets" has the same meaning as in Section 2-32-055 of the Chicago Municipal Code.

The terms "nudity," "sexual conduct," and "sexual excitement" have the same meanings herein as in 720 ILCS 5/11-21(a) (2011) and as such law may be amended, modified or supplemented.

LIMITATIONS UPON ADVERTISEMENTS AND PROMOTIONAL MATERIALS

Advertisements and/or promotional materials displayed on City Assets pursuant to the authority granted by the Section 2-32-055 of the Chicago Municipal Code shall comply with the following rules.

Advertising or promotional materials displayed on City Assets may not contain material or information that:

1. is false, misleading, or deceptive;
2. is libelous or defamatory;

5. implies or declares an endorsement by the City of Chicago of any product, service or activity, except upon the written consent of the City of Chicago;
6. is obscene, pornographic, or sexually-explicit material, including, but not limited to, the depiction of nudity, sexual conduct, or sexual excitement;

Advertisements and/or promotional materials displayed pursuant to a contract or agreement with the City entered into prior to the effective date of Section 2-32-055 of the Chicago Municipal Code are not affected hereby.

Nothing herein limits the City's right to enter into a sponsorship agreement with any person or entity engaged in the business of manufacturing or selling alcoholic beverages, or an agreement for "pouring rights" or for the sale or distribution of alcoholic beverages on City property or at City events.

RESERVATION OF RIGHTS

The City reserves the right, subject to any contractual obligations, to alter these rules, including the right to set additional limitations on advertising and/or promotional materials that may be displayed on City Assets subject to these rules, or to ban the display of advertising and/or promotional materials thereon entirely.
