### **A. Federal Requirements**

It is an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individuals race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individuals race, color, religion, sex, age, handicap or national origin.

Contractor must comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 et seq. (1988), as amended. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. 2000(e) note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. sec. 6101-6106 (1988); Rehabilitation Act of 1973, 29 U.S.C. sec. 793-794 (1988); Americans with Disabilities Act, 42 U.S.C. sec. 12102 et seq.; and 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal laws, rules, regulations and executive orders.

### **B. State Requirements**

Contractor must comply with the Illinois Human Rights Act, 775 ILCS 5/1 - 101 et seq. (1992), as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 44 Ill. Admin. Code '750 Appendix A. Furthermore, the Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq. (1992), as amended; and all other applicable state laws, rules, regulations and executive orders.

### **C. City Requirements**

Contractor must comply with the Chicago Human Rights Ordinance, Ch. 2-160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990), as amended; and all other applicable municipal code provisions, rules, regulations and executive orders. Further, Contractor must furnish or shall cause each of its Subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

## **2.15. INDEMNITY**

Contractor must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all losses, including those related to:

1. injury, death or damage of or to any person or property;
2. any infringement or violation of any property right (including any patent, trademark or copyright);
3. Contractor's failure to perform or cause to be performed Contractor's covenants and obligations as and when required under this Contract, including Contractor's failure to perform its obligations to any Subcontractor;
4. the City's exercise of its rights and remedies under this Contract; and
5. injuries to or death of any employee of Contractor or any Subcontractor under any workers compensation statute;

"Losses" means, individually and collectively, liabilities of every kind, including Losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor's breach of this Contract or to Contractor's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

At the City Corporation Counsels option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Contractor waives any limits to the amount of its obligation to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820ILCS305/1 et seq. or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2nd 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute or judicial decision.

The indemnities in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor's performance of service beyond the term. Contractor acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Contractor's duties under this Contract, including the insurance requirements set forth in the Contract.

## **2.16. LIVING WAGE ORDINANCE**

A. Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated thereunder:

1. if the Contractor has twenty-five (25) or more full-time employees, and

2. if at any time during the performance of the contract the Contractor and/or any subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses twenty-five (25) or more full-time security guards, or any number of other full-time Covered Employees, then
  3. the Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all work performed pursuant to the Contract.
- B. The Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Contract term when the conditions set forth in A.1 and A.2 above are met, and will continue thereafter until the end of the Contract term.
- C. The current Base Wage is \$11.18. Each July 1<sup>st</sup> thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by two thousand (2000) hours or the current base wage, whichever is higher. At all times during the term of this Contract, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.
- D. The Contractor must include provisions in all subcontracts requiring its subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by the Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Contractor and/or Subcontractors to verify compliance herewith. Failure to comply with the requirements of this Section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City Contract or subcontract for up to three (3) years.
- E. Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Section A through D above do not apply.

## **2.17. SUBLETTING OR ASSIGNMENT OF CONTRACT OR CONTRACT FUNDS**

No contract will be assigned or any part of the same sub-contracted without the written consent of the Chief Procurement Officer; but in no case will such consent relieve the Contractor from his obligations, or change the terms of the Contract.

The Contractor must not transfer or assign any Contract funds or claims due or to become due without the written approval of the Chief Procurement Officer having first been obtained.

The transfer or assignment of any Contract funds either in whole or in part, or any interest therein, which will be due or to become due to the Contractor, will cause the annulment of said transfer or assignment so far as the City is concerned.

## **2.18. SUBCONTRACTORS**

The Contractor must notify the Chief Procurement Officer, in writing, of the names of all Subcontractors to be used and will not employ any that the Chief Procurement Officer may object to.

The Contractor will not subcontract any portion of the services or work to be performed hereunder without the prior written consent of the Chief Procurement Officer. The Subcontracting of the services or work or any portion thereof without the prior written consent of the Chief Procurement Officer will be null and void. The Contractor will not make any substitution of a Subcontractor without the written consent of the Chief Procurement Officer. The substitution of a Subcontractor without the prior written consent of the Chief Procurement Officer will be null and void. The Chief Procurement Officer's consent will not relieve the Contractor from any of its obligations under the Contract.

The Contractor will subcontract with only competent and responsible Subcontractors. If, in the judgment of the Director or the Chief Procurement Officer, any Subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the services, acts contrary to instructions, acts improperly, is not responsible, is unfit, violates any laws applicable to this Contract, or fails to follow the requirements of this Contract, then the Contractor will, immediately upon notice from the Director or the Chief Procurement Officer, discharge or otherwise remove such Subcontractor.

## **2.19. SUBCONTRACTORS WITH DISABILITIES**

The City encourages Contractors to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

## **2.20. SUBCONTRACTOR PAYMENTS**

Contractor must submit a status report of Subcontractor payments with each invoice for the duration of the Contract on the "Subcontractor Payment Certification" form required by the City. The form can be downloaded from the City's website at:

[http://egov.cityofchicago.org/webportal/COCWebPortal/COC\\_EDITORIAL/subcompliance.pdf](http://egov.cityofchicago.org/webportal/COCWebPortal/COC_EDITORIAL/subcompliance.pdf). The statement must list the following for Contractor and for each Subcontractor and supplier for the period for which payment is requested:

- (i) Total amount invoiced by the Contractor for the prior month;
- (ii) The name of each particular Subcontractor or supplier utilized during the prior month;
- (iii) Indication if the Subcontractor or supplier is acting as an MBE, WBE, DBE, or non-certified firm on this Contract;
- (iv) The vendor/supplier number of each Subcontractor or supplier;
- (v) Total amount invoiced that is to be paid to each Subcontractor or supplier.

If a Subcontractor has satisfactorily completed its Work, or provided specified materials in accordance with the requirements of the Contract, Contractor must pay Subcontractor for such work or materials within fourteen (14) calendar days of Contractor receiving payment from the City.

## **2.21. MATERIALS INSPECTION AND RESPONSIBILITY**

The City, by its Chief Procurement Officer, will have a right to inspect any materials to be used in carrying out this Contract.

The City does not assume any responsibility for the availability of any controlled materials or other materials and equipment required under this Contract.

The Contractor will be responsible for the contracted quality and standards of all materials, components or completed work furnished under this Contract up to the time of final acceptance by the City.

Materials, components or completed work not complying therewith may be rejected by the Chief Procurement Officer and must be replaced by the Contractor at no cost to the City.

Any materials or components rejected must be removed within a reasonable time from the premises of the City at the entire expense of the Contractor, after written notice has been mailed by the City to the Contractor that such materials or components have been rejected.

## **2.22. CASH BILLING DISCOUNT**

Any cash billing discounts offered will not be considered in the evaluation of bids.

## **2.23. RECORDS AND AUDITS**

(i) Contractor must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Contract, promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Contract. If Contractor fails to make such delivery upon demand, then Contractor must pay to the City any damages the City may sustain by reason of Contractor's failure.

(ii) Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Contract. Contractor must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Section 2.13.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Contract or within five (5) years after the Contract ends, in connection with the goods, work, or services provided under this Contract. Each calendar year or partial calendar year is considered an "audited period". If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

- A. If the audit has revealed overcharges to the City representing less than five percent (5%) of the total value, based on the Contract prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for fifty percent (50%) of the cost of the audit and fifty percent (50%) of the cost of each subsequent audit that the City conducts;
- B. If, however, the audit has revealed overcharges to the City representing five percent (5%) or more of the total value, based on the Contract prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Contractor to reimburse the City in accordance with A or B above is an event of default under this Contract, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorney's fees.

## **2.24. PRICE REDUCTION**

If at any time after the date of the bid or offer the Contractor makes a general price reduction in the comparable price of any material covered by the Contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to the Contract for the duration of the Contract period (or until the price is further reduced). Such price reduction will be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a general price reduction will mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this Contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a general price reduction under this provision. The Contractor must invoice the ordering offices at such reduced prices indicating on the invoice that the reduction is pursuant to the Price Reduction provision of the Contract documents. The Contractor, in addition, must within ten (10) calendar days of any general price reduction notify the Chief Procurement Officer of the City of Chicago of such reduction by letter. Failure to do so may require termination of the Contract. Upon receipt of any such notice of a general price reduction all ordering offices will be duly notified by the Chief Procurement Officer.

The Contractor must furnish, within ten (10) calendar days after the end of the Contract period, a statement certifying either:

1. that no general price reduction, as defined above, was made after the date of the bid or offer; or
2. if any such general price reductions were made, that is provided above, they were reported to the Chief Procurement Officer within ten (10) calendar days, and ordering offices were billed at the reduced prices.

Where one (1) or more such general price reductions were made, the statement furnished by the Contractor must include with respect to each price reduction:

1. the date when notice of any such reduction was issued;
2. the effective date of the reduction; and
3. the date when the Chief Procurement Officer was notified of any such reduction.

## **2.25. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4**

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Contractor's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Contractor is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

- B. neither party is married; and
- C. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

- E. two of the following four conditions exist for the partners:
  1. The partners have been residing together for at least 12 months.
  2. The partners have common or joint ownership of a residence.
  3. The partners have at least two of the following arrangements:
    - a. joint ownership of a motor vehicle;
    - b. a joint credit account;
    - c. a joint checking account;
    - d. a lease for a residence identifying both domestic partners as tenants.
  4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

## **2.26. CONFLICTS OF INTEREST**

No member of the governing body of the City of Chicago or other unit of government and no other officer, employee or agent of the City of Chicago or other unit of government who exercises any functions or responsibilities in connection with the carrying out of the project will have any personal or financial interests, direct or indirect, in the Contract.

The Contractor covenants that he presently has no interest and will not acquire any interest, direct or indirect, in the project to which the Contract pertains which would conflict in any manner or degree with the performance of its work hereunder. The Contractor further covenants that in its performance of the Contract no person having any such interest will be employed.

## **2.27. GOVERNMENTAL ETHICS ORDINANCE**

Contractor must comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120 of this Chapter pursuant to which no payment, gratuity or offer of employment will be made in connection with any City contract, by or on behalf of a subcontractor to the prime Contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this Chapter will be voidable as to the City.

## **2.28. DISCLOSURE OF OWNERSHIP**

Pursuant to Chapter 2-154 of the Municipal Code of the City of Chicago, any person, business entity or agency submitting a bid or proposal to or contracting with the City of Chicago will be required to complete the Disclosure of Ownership Interests in the Online Economic Disclosure Statement and Affidavit. Failure to provide complete or accurate disclosure will render this Agreement voidable.

## **2.29. DISCLOSURE OF RETAINED PARTIES**

The bidder is required to execute the Disclosure of Retained Parties Section of the Online Economic Disclosure Statement and Affidavit (EDS). Refusal to execute the Disclosure of Retained Parties section of the Economic Disclosure Statement and Affidavit and Familial Relationship Disclosure will result in the Chief Procurement Officer declaring the bidder non-responsible; moreover, if a bidder is deemed non-responsible under this provision, the bidder's status as a non-responsible bidder may apply to the bidder's subsequent bids. The City's Web address to submit the EDS and Familial Relationship Disclosure is: <http://webapps.cityofchicago.org/EDSWEB>.

## **2.30. GOVERNING LAW AND JURISDICTION**

This Contract is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Contractor irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Contract. Service of process on Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Contract, by registered or certified mail addressed to the office actually maintained by Contractor, or by personal delivery on any officer, director, or managing or general agent of Contractor. If any action is brought by Contractor against the City concerning this Contract, the action must be brought only in those courts located within the County of Cook, State of Illinois.

## **2.31. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL**

It is the duty of any bidder, proposer or Consultant, all Subcontractors, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Consultant, Subcontractor or such applicant to cooperate with the Inspector General or the Legislative Inspector General in any investigation or hearing, if applicable, undertaken pursuant to Chapters 2-56 or 2-55, respectively, of the Municipal Code. Contractor understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code. All subcontracts must inform Subcontractors of the provisions and require understanding and compliance with them.

## **2.32. SECTION 2-92-380 OF THE MUNICIPAL CODE OF CHICAGO**

- a. In accordance with Section 2-92-380 of the Municipal Code of Chicago and in addition to any other rights and remedies (including any of set-off) available to the City of Chicago under the contract or permitted at law or in equity, the City will be entitled to set off a portion of the contract price or compensation due under the contract, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the contracting party to the City. For purposes of this section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint. debt means a specified sum of money owed to the City for which the period granted for payment has expired.
- b. Notwithstanding the provisions of subsection (a), above, no such debt(s) or outstanding parking violation complaint(s) will be offset from the contract price or compensation due under the contract if one or more of the following conditions are met:

1. the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and debts owed to the City and the contracting party is in compliance with the agreement; or
2. the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or
3. the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

### **2.33. SECTION 11-4-1600(E) OF THE MUNICIPAL CODE OF CHICAGO**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Contract is executory, Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Contract, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Contract, at law or in equity.

This section does not limit the Contractor's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Contract.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Contract, and may further affect the Contractor's eligibility for future contract awards.

### **2.34. BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS**

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the city, or any person acting at the direction of such official, to contact, either orally or in writing, any other city official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any city council committee hearing or in any city council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this contract will be grounds for termination of this contract. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the city; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the city.

### **2.35. MACBRIDE PRINCIPLES ORDINANCE**

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of Chicago, if the primary Contractor conducts any business operations in Northern Ireland, it is hereby required that the Contractor will make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

For those Contractors who take exception in competitive bid contracts to the provision set forth above, the City will assess an eight percent (8%) penalty. This penalty will increase their bid price for the purpose of canvassing the bids in order to determine who is to be the lowest responsible bidder. This penalty will apply only for purposes of comparing bid amounts and will not affect the amount of any contract payment.

The provisions of this Section will not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

### **2.36. CONTRACTOR CERTIFICATION**

The Contractor or each joint venture partner, if applicable, must complete the appropriate subsections in the attached Economic Disclosure Statement and Affidavit (the Affidavit) under: Certification By Applicant, which certifies that the Contractor or each joint venture partner, its agents, employees, officers and any subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the City of Chicago, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended: Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

### **2.37. COMPLIANCE WITH CHILD SUPPORT ORDERS ORDINANCE**

The Child Support Arrearage Ordinance, Municipal Code of Chicago, Section 2-92-415, furthers the City's interest in contracting with entities which demonstrate financial responsibility, integrity and lawfulness, and finds that it is especially inequitable for Contractors to obtain the benefits of public funds under City contracts while its owners fail to pay court-ordered child support, and shift the support of their dependents onto the public treasury.

In accordance with Section 2-92-415 of the Municipal Code of Chicago, if the Circuit Court of Cook County or an Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owner in arrearage on their child support obligations and: (1) a one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support owed, or (2) a Substantial Owner is not in compliance with a court-approved agreement for the payment of all such child support owed, (see Certification of Compliance with Child Support Orders in Economic Disclosure Statement and Affidavit), then:

For those bidders in competitive bid contracts, the City will assess an eight percent (8%) penalty. This penalty will increase their bid price for the purpose of canvassing the bids in order to determine the lowest responsible bidder. This penalty will apply only for purposes of comparing bid amounts and will not affect the amount of any contract payment.

For purposes of this section, "SUBSTANTIAL OWNER" means any person who owns or holds a ten percent (10%) or more percentage of interest in the bidder; where the bidder is an individual or sole proprietorship, substantial owner means that individual or sole proprietorship.

"PERCENTAGE OF INTEREST" includes direct, indirect and beneficial interests in the Contractor. Indirect or beneficial interest means that an interest in the Contractor is held by a corporation, joint venture, trust, partnership, association, estate or other legal entity, in which the individual holds an interest, or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a twenty percent (20%) interest in Contractor, and an individual or entity has a fifty percent (50%) or more percentage of interest in Corporation B, then such individual or entity indirectly has a ten percent (10%) or more percentage of interest in the Contractor. If Corporation B is held by another entity, then this analysis similarly must be applied to that next entity.

The provisions of this Section will only apply where not otherwise prohibited by federal, state or local law.

## **2.38. NON-COLLUSION, BRIBERY OF A PUBLIC OFFICER OR EMPLOYEE**

Contractor, in performing under this contract must comply with the Municipal Code of Chicago, Section 2-92-320, as follows:

No person or business entity will be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct.

For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity shall be chargeable with the conduct. One business entity shall be chargeable with the conduct of an affiliated agency.

Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the Chief Procurement Officer under certain specific circumstances. Reference is made to Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the Chief Procurement Officer to reduce, suspend, or waive the period of ineligibility.

## **2.39. FEDERAL TERRORIST (NO-BUSINESS) LIST**

Contractor warrants and represents that neither Contractor nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security

of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

"Affiliate" means a person or entity which directly, or indirectly through one or more entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

## **2.40. COMPLIANCE WITH ALL LAWS**

Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, regulations, codes, ordinances and executive orders, in effect now or later and whether or not they appear in the Agreement, including those specifically referenced herein or in any of the Contract Documents. Contractor must pay all taxes and obtain all licenses, certificates and other authorizations required in connection with the performance of its obligations hereunder, and Contractor must require all Subcontractors to do so. Failure to do so is an event of default and may result in the termination of this Agreement.

The Contractor understands and will abide by the terms of Chapter 2-55 of the Municipal Code of Chicago.

The Contractor will comply with Section 2-154-020 of the Municipal Code of Chicago.

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Chief Procurement Officer. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

## **2.41. COMPLIANCE WITH ENVIRONMENTAL LAWS**

### **3.8. CHICAGO BUSINESS PREFERENCE**

For purposes of this provision, a "Chicago Business" is an entity which: (1) has meaningful, day-to-day business operations at a location(s) within the corporate limits of the City of Chicago; (2) reports to the Internal Revenue Service such location(s) as the place(s) of employment for the majority of its regular, full-time work force; (3) holds appropriate City of Chicago business license(s) (if such license(s) are required for the business); and (4) is subject to applicable City of Chicago taxes. City of Chicago taxes include, but are not limited to, employer's expense tax pursuant to Section 3-20-030 of the Municipal Code (if the business has fifty or more employees). Any entity desiring the Chicago Business designation must submit, at the time of bid, a completed, signed and notarized Affidavit of Chicago Business in the form that is included in this bid document as Section 13 ("Affidavit"). Failure to submit a properly completed Affidavit at the time of bid will result in the entity not being considered for the Chicago Business designation. The Chief Procurement Officer reserves the right to investigate and verify any information submitted in an Affidavit but is under no obligation to do so. The Chief Procurement Officer's determination as to whether an entity qualifies for designation as a Chicago Business shall be final.

If a bidder is a joint venture, partnership or other business combination consisting of more than one entity (collectively, "joint venture"), and all entities comprising the joint venture (collectively, "members") are designated Chicago Businesses in accordance with the above paragraph, the joint venture will be deemed to be a Chicago Business. Where not all joint venture members are Chicago Businesses, such joint venture will be considered a Chicago Business only if Chicago Business members hold at least a fifty percent (50%) interest in the joint venture. Chicago Business members have a fifty percent (50%) interest in the joint venture only if the Chicago Business member(s) directly hold(s) a fifty percent ownership interest in the joint venture and either: (A) the Chicago Business member(s) directly employ(s) fifty percent or more of the workforce performing the duties that the joint venture will self-perform, including but not limited to management of the joint venture itself, or (B) the Chicago Business member(s), as direct subcontractor(s) to the joint venture, perform(s) work or services equal to fifty percent or more of the amount of the bid. Joint venture bidders whose members are NOT all Chicago Businesses must submit with their bids a copy of the signed joint venture agreement, copies any subcontracts with the Chicago Business members, and such other information as they deem relevant and necessary to establish their eligibility for the Chicago Business designation in accordance with this paragraph. Failure to submit such information at the time of bid will result in the joint venture not being considered for the Chicago Business designation. The Chief Procurement Officer reserves the right to investigate and verify any information submitted by a

joint venture bidder but is under no obligation to do so. The Chief Procurement Officer's determination as to whether a joint venture qualifies for designation as a Chicago Business shall be final.

In the event that there are bids both from Chicago Businesses and bidders that are not Chicago Businesses, the Chief Procurement Officer will accept the lowest bid price or lowest evaluated bid price, as applicable, from a responsive and responsible bidder that is a Chicago Business, provided that such bid price does not exceed by more than two percent (2%) the lowest bid price or lowest evaluated bid price, as applicable, from a responsive and responsible bidder that is not a Chicago Business.

### **3.9. CALCULATION OF MBE/WBE COMMITMENT**

For purposes of calculating bidder's percentage of Minority Business Enterprise (MBE) and/or Women Business Enterprise (WBE) dollar commitment toward the minimum goal of 25% MBE and 5% WBE participation as stated in the Special Condition Regarding Minority Business Enterprise and Women Business Enterprise, the estimated amount of the bidders total bid price will be used to calculate the actual dollar commitment to each MBE and/or WBE firm listed on your Schedule D-1, MBE/WBE Goal Implementation Plan. If at the end of this contract, the actual dollar value is below the estimated value, the City will consider adjustments to your MBE/WBE plan which are proportionate to the actual dollar value of this Contract.

The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements shall be made available to the Chief Procurement Officer upon request.

During the term the contract, the Contractor will submit monthly MBE/WBE Utilization Reports, a copy of which is attached. The frequency with which these reports are to be submitted will in no case be less often than on a quarterly basis. In the absence of written notice from the Chief Procurement Officer, the contractor's first MBE/WBE Utilization Report will be due ninety (90) calendar days after the date of contract award, and reports will be due monthly thereafter.

MBE/WBE Utilization Reports are to be submitted directly to: Department of Procurement Services, Division of Contract Monitoring and Compliance, City Hall, Room 400, 121 North LaSalle Street, Chicago, Illinois 60602.

**NOTICE:** Do not submit invoices with MBE/WBE Utilization Reports. Final payments may be held until the Utilization Reports have been received.

The City of Chicago's Department of Procurement Services, Contract Compliance Administrator will be entitled to examine, on five (5) business days notice, the Contractor's books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the Contract.

Such changes which are mutually agreed upon by and between the City and the Contractor, will be incorporated in written modifications to this Contract.

Failure of the Contractor to familiarize himself/herself with all requirements of the Contract Documents will not relieve him/her from complying with all of the provisions thereof.

### **3.14. PARTICIPATION BY OTHER LOCAL GOVERNMENT AGENCIES**

Other local government agencies may be eligible to participate in this agreement pursuant to the terms and conditions of this Contract if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the City of Chicago's Chief Procurement Officer, and if such purchases have no net adverse effect on the City of Chicago, and result in no diminished services from the Contractor to the City's user departments pursuant to such purchases. Examples of such Local Government Agencies are: Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

### **3.15. PURCHASE ORDER BLANKET RELEASES**

Requests for Various Plastic Receptacle Liners in the form of City of Chicago blanket releases (a.k.a. purchase order releases or suborders) will be issued by the Various Using Departments and sent to the Contractor to be applied against the Contract. Blanket releases will indicate the specification number, purchase order number, blanket release number, product description, quantities ordered for each line item, unit cost, total cost, shipping address, delivery date, fund chargeable information and other pertinent instructions regarding delivery.

For purchase order releases placed before a price increase effective date, Contractor must honor Contract prices listed on the purchase order release including releases with multiple delivery shipments that are scheduled after the effective date of the increase.

The Contractor must not honor any order(s) or make any deliveries of Various Plastic Receptacle Liners without receipt of a City of Chicago blanket release issued by the Various Using Departments. Any Various Plastic Receptacle Liners provided by the Contractor without a blanket release is made at the Contractor's risk. Consequently, in the event such blanket release is not provided by the City, the Contractor releases the City from any liability whatsoever to pay for any Various Plastic Receptacle Liners provided without said blanket release.

### **3.16. SAMPLES**

In order to determine that the proposed Various Plastic Receptacle Liners conform to this specification, the City reserves the right to test and/or inspect bidder's products. Other tests and measurements may also be performed throughout the contract term, as determined by the City.

For bid evaluation purposes, the bidder must furnish and deliver, upon request by the Chief of Procurement Officer, two (2) samples of any proposed Plastic Receptacle Bags within seven (7) business days from the receipt of notice. All samples must be delivered Freight on Board, (F.O.B.), City of Chicago, Department of Procurement Services, 121 north LaSalle Street, Room 403, Chicago, IL 60602, Attn: Doris Moore. All samples must be tagged or labeled with the company's name, address and City specification number. Failure to furnish said samples within this time period will be cause for rejection of the bid for being non-responsive to this requirement.

The City will not be liable for the condition of the samples, if the bidder requests return of the sample. The cost to furnish and deliver the sample(s) will be borne by the bidder.

### **3.17. INSPECTION UPON DELIVERY**

Upon delivery of the specified Various Plastic Receptacle Liners, the City will conduct an in-depth initial visual examination solely for the purpose of identifying gross and obvious damage. The Contractor's representative may be present for the initial examinations.

If defects or omissions are discovered during the inspection, the City may:

- (i) Refuse acceptance of any/all units.
- (ii) Arrange with the Contractor to make corrections.
- (iii) Require the Contractor to remove any/all units from the City's premises at its own cost to make the necessary corrections.

Any/all labor and materials which may be required to correct non-compliant aspects of all items must be provided by the Contractor in a prompt manner, at no cost to the City. The "promptness" of corrective actions will be established by the City based upon the quantity and scope of the corrections required.

### **3.18. INVOICES**

Invoices and Subcontractor Payment Certification forms must be mailed to the Various Using Departments

All invoices must be dated "originals," and must reference the City specification number, contract/purchase order number and blanket release number, and must be accompanied by Subcontractor Payment Certification forms. Invoice quantities, commodity codes, description of deliverable(s), unit of measures and pricing information must correspond to the Various Plastic Receptacle Liners quoted on the Proposal Pages and on the blanket release.

Invoices for over-shipments or items with price/wage escalations will be rejected unless the Contract includes a provision for such an adjustment.

Freight, handling and shipping costs are not to be invoiced; deliveries are to be made F.O.B., City of Chicago. As stated the City of Chicago is exempt from paying State of Illinois sales tax and Federal excise taxes on purchases.

### **3.19. ELECTRONIC ORDERING AND INVOICES**

The Contractor will cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to purchase orders, releases and invoices. Contractor will accept electronic purchase orders and releases upon request of the Chief Procurement Officer. Contractor will provide the City electronic copies of invoices and other electronic documents upon request. The electronic ordering and invoice documents shall be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The Chief Procurement Officer reserves the right to change the document format and/or the means of transmission upon written notice to the Contractor. Contractor shall ensure that the essential information, as determined by the Chief Procurement Officer, in the electronic document, corresponds to that information submitted by the Contractor in its paper documents.

The electronic documents shall be in addition to paper documents required by this contract, however, by written notice to the Contractor, the Chief Procurement Officer may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

### **3.20. PAYMENT**

The City will process payment within sixty (60) calendar days after receipt and acceptance of invoices and Subcontractor Payment Certification forms completed in accordance with the terms herein, and all supporting documentation necessary for the City to verify delivery and acceptance of the Various Plastic Receptacle Liners provided under this Contract.

The City will not be obligated to pay for any Various Plastic Receptacle Liners that was not ordered with a purchase order release or that are non-compliant with the terms and conditions of these specifications. Any Various Plastic Receptacle Liners which fail tests and/or inspections are subject to replacement at the cost of the Contractor.

The City will not be obligated to pay for any Various Plastic Receptacle Liners if it is noncompliant with the terms and conditions of these Specifications.

### 3.21. PRICE ADJUSTMENT

The quoted pricing will be valid and firm for the initial twelve (12) month contract period beginning with the start date of the Contract. Original bid prices set forth on the Proposal Pages of the Contract will remain in effect for the first twelve (12) months of the Contract term. Contractor is not entitled to any price adjustment during this 12 month time period. Contractor should factor in commodity and/or input price escalations, volatility, risks, and other factors in its proposed prices on the Proposal Pages for the initial twelve (12) month period from the start date of this Contract. After the initial twelve (12) month period, a price adjustment may be considered for the next six (6) month period, and every six (6) month period thereafter.

Annual requests for price adjustment will reference the Producer Price Index (PPI) for "Rubber and plastic products": Series ID: WPU 0722, not seasonally adjusted, as it appears in the periodical Producer Price Indices published by the U.S. Department of Labor, Bureau of Labor Statistics. This index can currently be found on the Internet at <http://data.bls.gov/labjava/outside.jsp?survey=wp>, although this sites URL is subject to change. (Select commodity data, then select Group "Unsupp.Plastic film/sheet/other shapes" and Item "0722, and get data).

The base index for this contract will be June 2011. The comparison index will be based on the average of the last three (3) months of the specified PPI index prior to the contract's twelve (12) month anniversary. Thus, for example, if the contract started August 1, 2011, the first opportunity to request a price escalation would be August 1, 2012. The comparison index would be the average of the indices for the months of May, June, and July 2012, which would then be compared to the initial base index of June 2011.

For subsequent semi-annual price adjustments, the previous three (3) month comparison index will become the new base index, and the new comparison index will be based on the last three (3) month average of the specified PPI prior to the six month anniversary (18<sup>th</sup> month of the Contract). Following the previous example, the next opportunity for price adjustment would be February 1, 2013 where the three month average from the specified PPI indices of May, June, and July 2011 would be compared to the three month average for November 2012, December 2012, and January 2013. In August 2013, you would then compare the three month average of November 2012, December 2012, and January 2013 to the three month average of May 2013, June 2013, and July 2013.

In the event the Contractor did not request adjustment in the previous eligibility period, the comparison index will be the average of the last three (3) months of the specified PPI index prior to the opportunity to request that was not exercised by the Contractor.

For example, if the Contractor could have requested an adjustment in August 2012 and did not do so, but then makes a request at the next eligibility period in February 2013, the base index would be based on the three (3) month average of the May, June, and July 2012 specified PPI index.

The calculations for price adjustment are as follows:

Percentage change in PPI = (comparison index – base index) / base index

New contract line item price = current contract price x (1 + percentage change in PPI)

All calculations are to be rounded to two (2) decimal places.

The PPI information used will be the preliminary data as the PPI is subject to revision for four months after publication and requests will utilize information that is less than four months old. In the event the data is revised, the preliminary data will still be used for the calculations.

The effective date for the price change will initially be the 12 month anniversary of the contract and then every six month anniversary thereafter. The Contractor must submit their formal written request to the Chief Procurement Officer, including documentation and calculations supporting their request and the new proposed prices, within 30 days of the anniversary period. If the Contractor fails to request a price adjustment within 30 days of the anniversary, the Contractor will not be entitled to a price adjustment for the upcoming six (6) month time period.

If the Producer Price Index data are not available for any month of the final three full months of the annual contract period, the PPI data for the most recent three full months preceding the anniversary of the Contract will be used in computing the price adjustment.

It is the Contractor's responsibility to request the increase. If the Contractor delivers product after the date requested for the escalation to begin (the anniversary date of the start of the Contract) but prior to the increase being granted, the Contractor may retroactively bill the City for the difference if and when the request is formally approved. In the interim the Contractor must bill the City at the prices currently in effect in the Contract.

The price escalation applies to Lines 1 through 31 and will not require a formal modification to the Contract.

### **3.22. ACCEPTANCE**

It is understood and agreed by and between the parties hereto, that the initial acceptance of any delivery will not be considered as a waiver of any provision of these Specifications and will not relieve the Contractor of its obligation to supply satisfactory Various Plastic Receptacle Liners which conform to the Specifications, as shown by any test or inspections for which provisions are herein otherwise made.

### **3.23. DEEMED INCLUSION**

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in the Contract are deemed inserted in the Contract whether or not they appear in the Contract or, upon application by either party, the Contract will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after the Contract is signed prevent its enforcement.

### **3.24. NON-APPROPRIATION**

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Contract, then the City will notify the Contractor of that occurrence and this contract will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this contract are exhausted. No payments will be made to the Contractor under this Contract beyond those amounts appropriated and budgeted by the City to fund payments under this Contract.

### **3.25. CONFIDENTIALITY**

1. Unless expressly agreed otherwise by the Director in writing, all Deliverables (including but not limited to all drawings, documents, specifications, plans, reports, statistics and data) and any other information in any form prepared by or provided to Contractor in connection with this Agreement (collectively, "Project Data") are property of the City and are confidential. Contractor agrees that, except as specifically authorized by the Director in writing or as may be required by law, Project Data will be made available only to the Director, his designees, and, on a need-to-know basis, Contractor's employees and subcontractors. Contractor

acknowledges that Project Data may contain information vital to the security of the airport. If Contractor fails to comply with this section, Contractor is liable for the reasonable costs of actions taken by the City, the airlines, the Federal Aviation Administration ("FAA"), or the Transportation Security Administration ("TSA") that the applicable entity, in its sole discretion, determines to be necessary as a result, including without limitation the design and construction of improvements, procurement and installation of security devices, and posting of guards.

2. Except as authorized in writing by the Director, Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain.

If Contractor is presented with a subpoena or a request by an administrative agency regarding any Project Data which may be in Contractor's possession by reason of this Agreement, Contractor must immediately give notice to the Director and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before any Project Data are submitted to the court, administrative agency, or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

### **3.26. TERMINATION**

The City may terminate this contract or all or any portion of the contract, at any time by a notice in writing from the City to the Contractor. The City will give notice to the Contractor. The effective date of termination will be the date the notice is received by the Contractor or the date stated in the notice, whichever is later. If the City elects to terminate the contract in full, all services to be provided under it must cease and all materials that may have been accumulated in performing this contract whether completed or in the process, must be delivered to the City within ten (10) calendar days after the effective date stated in the notice.

After the notice is received, the Contractor must restrict its activities, and those of its subcontractors to winding down any activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in the Payment clause and as outlined in the Proposal page, but if any compensation is described or provided for on the basis of a period longer than ten (10) calendar days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed services. The payment so made to the Contractor is in full settlement for all services satisfactorily performed under this contract. If Contractor disputes the amount of compensation determined by the City to be due Contractor, then the Contractor must initiate dispute settlement procedures in accordance with the Disputes provision in the General Conditions.

If the City's election to terminate this contract for default pursuant to the Default provision in the General Conditions is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be deemed to be an early termination pursuant to this Termination provision.

### 3.27. CONTRACTOR'S INSURANCE

The Contractor must provide and maintain at Contractor's own expense, until Contract completion and during the time period following completion if Contractor is required to return and perform any additional work, the insurance coverage's and requirements specified below, insuring all operations related to the Contract.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverage's. The Contractor must advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the City retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

## 4. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE AND WOMEN BUSINESS ENTERPRISE

### 4.1. POLICY AND TERMS

It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code will have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, national origin or sex, and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

The Chief Procurement Officer has established a goal of awarding not less than twenty-five percent (25%) of the annual dollar value of all non-construction contracts to certified MBEs and five percent (5%) of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Percentage	WBE Percentage
25%	5%

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation will be credited more than once against a Contractor's MBE or WBE commitment with respect to all Contracts of such Contractor), or by any combination of the foregoing. Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both a MBE/WBE will not be credited more than once against a Contractor's MBE or WBE commitment in the performance of the Contract.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this Contract. However, in determining the manner of MBE/WBE participation, the Contractor will first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this Contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of this Contract.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.

### 4.2. DEFINITIONS

1. **"Area of Specialty"** means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory. Credit toward this contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

**NOTICE:** The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

2. **“Directory”** means the Directory of Certified “Disadvantaged Business Enterprises,” “Minority Business Enterprises” and “Women Business Enterprises” maintained and published by the Executive Director. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.
3. **“Executive Director”** means the executive director of the Office of Compliance or his or her designee.
4. **“Minority Business Enterprise”** or **“MBE”** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.
5. **“Women Business Enterprise”** or **“WBE”** means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations.
6. **“Joint Venture”** means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by MBEs and WBEs in contract work. A joint venture seeking to be credited for MBE/WBE participation may be formed among certified MBE/WBE firms or between certified MBE/WBE firm(s) and non-MBE/WBE firm(s).

A joint venture is eligible for MBE/WBE credit if the MBE/WBE partner(s) share in the ownership, control, management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE/WBE ownership percentage.

#### **4.3. COUNTING MBE/WBE PARTICIPATION TOWARD THE CONTRACT GOALS**

1. The inclusion of any MBE or WBE in the contractor's MBE/WBE Utilization Plan shall not conclusively establish the contractor's right to full MBE/WBE credit for that firm's participation in the contract.
2. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others. In this regard, a contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) portion of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information concerning broker's fees and/or commissions; (2) intended sub-suppliers or other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

3. The participation of MBEs and WBEs who have been certified as "brokers" shall no longer be considered eligible to participate on contracts awarded by the City in 1993 and thereafter until further notice for any consideration of MBE or WBE credit.

4. Credit for the participation of MBEs/WBEs as joint venture partners shall be based upon an analysis of the duties, responsibilities and risks undertaken by the MBE/WBE as specified by the joint venture's executed joint venture agreement. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE/WBE joint venture partner is found to have duties, responsibilities, risks or loss and management control over the joint venture that is not commensurate with or in proportion to its joint venture ownership.

#### **4.4. REGULATIONS GOVERNING REDUCTIONS TO OR WAIVER OF MBE/WBE GOALS**

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder or proposer determines that it is unable to meet the MBE and/or WBE percentage on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder/proposer's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

Bidders/proposers will be considered responsive to the terms and conditions of these Regulations if a waiver request and proof of notification to an assist agency is submitted at the time of bid/proposal opening. Once the bids have been opened, the lowest responsive and responsible bidder so deemed by the Chief Procurement Officer or authorized designee will have no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. Proposers responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. Respondents to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations. Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder/proposer; or re-advertising the bid/proposal. All bidders/proposers are encouraged to submit all required documents at the time of bid opening to expedite the contract award.

##### **1. Direct/Indirect Participation**

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

- a) The bidder/proposer has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Direct participation involves subcontracting a portion of the goods/services specifically required in the bid/proposal. Indirect participation is the subcontracting of goods/services not specifically related to the performance of this contract. Documentation must include but is not necessarily limited to:
  - (i) A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;
  - (ii) A listing of all MBE/WBE firms contacted that includes
    - (1) Names, address and telephone numbers of MBE/WBE firms solicited;

- (2) Date and time of contact;
  - (3) Method of contact (written, telephone, transmittal of facsimile documents, etc.)
- (iii) Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:
- (1) Project identification and location;
  - (2) Classification/commodity of work items for which quotations were sought;
  - (3) Date, item and location for acceptance of subcontractor bid proposals;
  - (4) Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
  - (5) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of work that was solicited.

**OR**

- b) Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractors' quote is excessively costly, the bidder/proposer must provide the following information:
- i) A detailed statement of the work identified for MBE/WBE participation for which the bidder/proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
    - (1) A listing of all potential subcontractors contacted for a quotation on that work item;
    - (2) Prices quoted for the subcontract in question by all such potential subcontractors for that work item.
  - ii) Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
    - (1) The City's estimate for the work under a specific subcontract;
    - (2) The bidder/proposers own estimate for the work under the subcontract;
    - (3) An average of the bona fide prices quoted for the subcontract;
    - (4) Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

2) Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community.

The notice requirement of this Section will be satisfied if a bidder/proposer contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Chief Procurement Officer or Contract Compliance Officer may contact the assist agency for verification of notification.

- 3) **Impracticability**
  - i) If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.
  - ii) The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders/proposers, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

#### **4.5. PROCEDURE TO DETERMINE BID COMPLIANCE**

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

**1) Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.**

A Schedule C-1 executed by the MBE/WBE (or Schedule B/Joint Venture Subcontractor) must be submitted by the bidder/proposer for each MBE/WBE included on their Schedule D-1 and must accurately detail the work to be performed by the MBE/WBE and the agreed rates and prices to be paid. If any fully completed and executed Schedule C-1 is not submitted with the bid/proposal, it must be received by the Contract Administrator within ten (10) calendar days of the bid/proposal opening. (All post bid/proposal submissions must have original signatures on all documents). Failure to submit a completed Schedule C-1 in accordance with this section and a Schedule D-1 shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

**2) Letters of Certification.**

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

**3) Joint Venture Agreements.**

If the bidder's/proposer's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement and a Schedule B. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

#### 4) **Required Schedules Regarding DBE/MBE/WBE Utilization.**

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. Except in cases where the bidder/proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section 4.4. herein, the bidder/proposer must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening (See Section 4.5A. above), the bidder/proposer may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Except in cases where substantial and documented justification is provided, bidders/proposers will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

#### **4.6. REPORTING REQUIREMENTS DURING THE TERM OF THE CONTRACT**

1. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.
2. In the case of one (1) time procurements of supplies with either single or multiple deliveries to be performed in less than one (1) year from the date of contract award, a "MBE/WBE Utilization Report", indicating final MBE and WBE payments will be submitted directly to the Department of Procurement Services so as to assure receipt either at the same time, or before the using Department receives contractors final invoice. (NOTICE: Do not submit invoices with "MBE/WBE Utilization Reports.") Final payments may be held until the Utilization Reports have been received.
3. During the term of the contract, the Contractor will submit quarterly "MBE/WBE Utilization Reports", a copy of which is attached. The frequency with which these reports are to be submitted will be in no case less often than on a quarterly basis. In the absence of written notice from the Chief Procurement Officer, the contractors first MBE/WBE Utilization Report will be due ninety (90) calendar days after the date of contract award, and reports will be due quarterly thereafter.
4. MBE/WBE Utilization Reports are to be submitted directly to: Department of Procurement Services, Division of Vendor Relations, City Hall, Room 400, 121 N. LaSalle Street, Chicago, Illinois 60602.
5. The Executive Director will be entitled to examine, on five (5) business days notice, the contractors books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

#### **4.7. MBE/WBE SUBSTITUTIONS**

Changes by the contractor of the commitments earlier certified in the Schedule D-1 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The contractor must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate a MBE/WBE subcontract and to utilize a substitute firm for some phase of work. The contractor's

notification should include the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section 5, "Procedure to Determine Bid Compliance."

The City will not approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary for the contractor in order to comply with MBE/WBE contract requirements.

After award of contract, no relief of the MBE/WBE requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements of this contract must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section entitled "Regulations Governing Reductions To or Waiver of MBE/WBE Goals."

#### **4.8. NON-COMPLIANCE AND DAMAGES**

The following constitutes a material breach of this contract and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the contract, at law or in equity:

1. Failure to satisfy the MBE/WBE percentages required by the contract; and
2. The contractor or subcontractor is disqualified as a MBE or WBE, such status was a factor in contract award, and was misrepresented by the contractor.

In the event that the contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the contractor shall seek to discharge the disqualified subcontractor or supplier, upon proper notification to the Chief Procurement Officer and/or Executive Director and make every effort to identify and engage a qualified MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the contractor may be withheld until corrective action is taken.

#### **4.9. ARBITRATION**

- 1) In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.
- 2) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

- 3) All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorney's and arbitrator fees, as damages to a prevailing MBE/WBE.
- 4) The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

#### 4.10. RECORD KEEPING

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three (3) years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.

**Q: What information is needed to request a user ID & password for Online EDS?**

A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

**Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?**

A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering "Yes" to "Is this an existing City of Chicago user ID?" when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

**Q: I don't have an email address. How do I submit an Online EDS?**

A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as [www.hotmail.com](http://www.hotmail.com) or [www.yahoo.com](http://www.yahoo.com) or [mail.google.com](http://mail.google.com) to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

**Q: I forgot my user ID. Can I register again?**

A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

**Q: Who is the EDS Captain?**

A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

**Q: Why do we need EDS Captains?**

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

**Q: Who is the EDS team?**

A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

**Q: I forgot my password. What should I do?**

A: To retrieve a temporary password, click the "Forgot your password?" link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary

password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

**Q: How do I complete an Online EDS?**

A: Click on "Create New" after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

**Q: How do I fill out a Disclosure of Retained Parties?**

A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on "Create New". Answer (click) "Contract" to "Is this EDS for a contract or an EDS information update?" Click "Fill out EDS", and click on the "Retained Parties" tab. When finished, click on "Ready to Submit."

**Q: How do I attach documents?**

A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word, or paper format.

**Q: Who can complete an Economic Disclosure Statement online?**

A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

**Q: What are the benefits of filing my Economic Disclosure statement electronically?**

A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

**Q: Will my information be secure?**

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the "Online EDS" login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication. Only you will have knowledge of this unique identification information.

**Q: I am filing electronically. How do I sign my EDS?**

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

**Q: My address has changed. How can I update my information?**

A: You must be an EDS Captain for your organization to update this. Log-in and click on "Vendor Admin, Site Administration." Select the appropriate site and click edit.

**Q: I have more questions. How can I contact the Department of Procurement Services?**

A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.

**Q: Can I save a partially complete EDS?**

A: Yes. Click "Save". To avoid data loss, we recommend you save your work periodically while filling out your EDS.

**Q: Do I have to re-type my information each time I submit an EDS?**

A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

**Q: What are the system requirements to use the Online EDS?**

A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at [www.adobe.com/products/reader/](http://www.adobe.com/products/reader/)
- Your web browser is set to permit running of JavaScript.
- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.
- Your monitor resolution is set to a minimum of 1024 x 768.
- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at <http://get.adobe.com/flashplayer>

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.
