

The Department of Family & Support Services (DFSS) coordinates the One Summer Chicago annual summer jobs initiative for youth ages 14-24. Each year, we strive to improve the program and leverage more resources and partnerships to expand and enhance the experience for Chicago’s young people. This year we received the largest number of applications for funding partnerships and opportunities which made the selection process tough.

For Summer 2015, DFSS is delighted to announce the community-based organizations selected to administer three of our summer job program models: Greencorps Chicago Youth Program (Greencorps), Summer Youth Employment Program (SYEP) and One Summer Chicago Plus (OSC+).

The organizations listed below will receive a conditional award notification in the next week, and subsequently will work with DFSS staff to execute a contract scope of work and budget for each awarded program.
