**Re: Support for Proposed Dormer Addition at 2154 W. Potomac**

Dear Mr. Wong,

I fully support the proposed dormer addition at 2154 W. Potomac Avenue. The work that the owner and architect have done with DPD's Historic Preservation Division to make this addition minimally visible from the street is adequate. I am pleased when improvements can be made to historic homes and those improvements do not interfere with the important character of the property itself and the landmark districts in which they sit.

Furthermore, Wicker Park Committee has always guarded the preservation treasure that is the Wicker Park Historic District. Their letter of support on this matter carries great weight and provides important community feedback that this is a good project.

Should you have additional questions about this matter, please contact Brian Pelrine at the 2<sup>nd</sup> Ward Service Office, at (312) 643-2299.

Sincerely,

Alderman Brian Hopkins  
2<sup>nd</sup> Ward
