The Coordinator will schedule an appointment for you, give you directions and help take the fear out of being sick away from home.

**Guest Membership** is provided at an affiliated HMO if you or a covered dependent travels away from the service area for at least 90 days. Whether the reason is extended out-of-town business, semesters at school or families living apart, you can still enjoy the full range of benefits offered by the affiliated HMO near your travel destination.

**"Covered in full"** means a service is covered to the full extent required by the City and its agreement with the HMO. In some instances, there may be limits on frequency of service. All services listed for the HMOs must be authorized in advance by Plan Physicians in order to be covered. **This HMO Benefit Highlight Sheet describes eligibility and benefits available for the 2014 plan year. It is only to be used as a guide. Please refer to specific benefit booklets available from the HMO for more detailed information.**
