To The Commissioners
Special Service Area #38 Northcenter
Chicago, Illinois

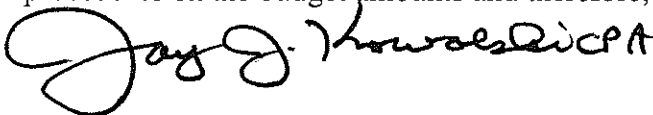

Independent Auditors' Report

We have audited the accompanying Statements of Assets, Liabilities and Net Assets of Special Service Area #38 Northcenter as of December 31, 2010 and the related Statement of Revenues, Expenditures and Changes in Net Assets, Statement of Cash Flows and Summary Schedule of Audit Findings for the year then ended. These financial statements are the responsibility of Special Service Area #38 Northcenter management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amount and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph, present fairly, in all material respects, the financial position of Special Service Area #38 Northcenter as of December 31, 2010 and its revenues, expenditures, changes in net assets, cash flows and summary schedule of audit findings for the year then ended in conformity with generally accepted auditing standards.

The 2010 and 2009 budget amounts, which were arrived at by the Special Service Area and are shown in the Statement of Revenue, Expenditures and Changes in Net Assets, are presented for comparison purposes only. We have not performed any auditing procedures on the budget amounts and therefore, express no opinion on them.

Jay J. Kowalski, CPA

**SPECIAL SERVICE AREA #38 NORTHCENTER
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of organization- Special Service Area #38 Northcenter was created by the City of Chicago to provide additional services to the area. The primary source of funds is from real estate taxes on certain property in the Special Service Area. Special Services Area #38 generates revenue for the sole purpose of improving and enhancing the business district of Northcenter., which are generally properties fronting Irving Park Road from Ravenswood to Western, Lincoln Avenue from Montrose to Addison, and Western Avenue from Montrose to Addison. Activities and services funded include: cleaning and beautification activities, coordination of advertising and promotional events, attraction and recruitment of new quality businesses to the area, and technical assistance to existing and potential businesses.

In addition, Special Service Area #38 Northcenter funds the operation of a public services office in the heart of the commercial area, which is a resource to both businesses and area residents.

Basis of Accounting – The accompanying financial statements have been prepared on the accrual method. Based on information provided by the Department of Planning and Development, the recognition of revenue by the SSA when received would be considered within generally accepted accounting principles. This allows Special Service Area's to prepare financial statements on the accrual method.

Cash and Cash Equivalents- Cash and cash equivalents are held in the name of Special Service Area #38 Northcenter without physical segregation as to various restricted portions. All earnings on such are allocated to unrestricted revenue. For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be equivalents.

Estimates- The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 – REAL ESTATE TAX REVENUE

The Organization's principal source of revenue is from real estate taxes levied on certain property located in the boundaries listed in Note 1. The taxes are assessed and collected by Cook County, and paid to the City of Chicago, which then remits to the Organization. Taxes are levied in one year, but paid in two installments the following year by the property owners. The Organization recognizes this revenue in the year in which the funds become available.
