1 MS. LIGHTFOOT: My name is Lori Lightfoot  
2 president of the Police Board. We begin the meeting  
3 by welcoming two new members to the Police Board,  
4 John Simpson, a partner at Broadhaven Capital  
5 Partners, and Claudia Valenzuela, associate director  
6 of litigation at the National Justice Center.

7 The City Council approved Mayor  
8 Emmanuel's appointments of Mr. Simpson and  
9 Ms. Valenzuela on September 24th. Welcome to the  
10 Board.

11 The first item of business is approval of  
12 the minutes of the Board's public meeting of  
13 September 17, 2015. Is there a motion to approve  
14 the minutes?

15 MS. FRY: So moved.

16 MR. FOREMAN: Second.

17 MS. LIGHTFOOT: All those in favor say aye.  
18 All opposed? Motion passes.

19 Our next regular public meeting will be  
20 Thursday, November 19, 2015 at 7:30 p.m. here at  
21 Chicago Public Safety Headquarters. Also, I'm going  
22 to note that our December meeting will change.  
23 Instead of being December 10th, it will be December  
24 9th, same time, same location. At this time, I ask

1 for a motion to close a series of executive sessions  
2 for the purposes of considering litigation personnel  
3 matters as authorized in the Sections (2C) (1), (3),  
4 (4), and (11) of the Illinois Open Meetings Act. Is  
5 there such a motion?

6 MR. FOREMAN: So moved.

7 MR. EADDY: Second.

8 MS. LIGHTFOOT: All those in favor say aye?  
9 All those opposed. Motion passes.

10 A report of the disciplinary actions  
11 taken by the Board during the previous month has  
12 been made available at this evening's meeting. This  
13 report and the Board's written findings and  
14 decisions are posted on the Board's website. The  
15 Police Board, as authorized by the Open Meetings  
16 Act, has considered in a closed session several  
17 disciplinary cases. The Board will now take final  
18 action on these cases.

19 Regarding case number 15 PB 2887, is  
20 there a motion to find Police Officer Bill Caro  
21 guilty of disobeying a direct order to pay his  
22 indebtedness to the City of Chicago, and to  
23 discharge him from the Chicago Police Department?

24 MS. FRY: So moved.

1 MR. EADDY: Second.

2 MS. LIGHTFOOT: All in favor say aye. May I  
3 have a show of hands? Voting in favor are Board  
4 Members Foreman, Conlon, Eaddy, Fry, Sweeney, and  
5 myself. Board Member Ballate is opposed. Motion  
6 passes.

7 Is there a motion to adopt the written  
8 findings and decision and dissent that has been  
9 reviewed by all Board members who participated in  
10 the case?

11 MR. FOREMAN: So moved.

12 MR. EADDY: Second.

13 MS. LIGHTFOOT: All in favor say aye? Any  
14 opposed? The motion passes by unanimous vote.

15 Regarding case number 15 PB 2893, the  
16 Superintendent filed charges to discharge Sergeant  
17 Centeria Moore-Powell from the Chicago Police  
18 Department for making a false report regarding an  
19 on-duty traffic crash. The Superintendent  
20 subsequently moved to withdraw the charges without  
21 prejudice because Respondent resigned from the CPD.  
22 Is there a motion to grant the Superintendent's  
23 motion to withdraw charges?

24 MS. BALLATE: So moved.

1 MR. FOREMAN: Second.

2 MS. LIGHTFOOT: All in favor say aye. Any  
3 opposed? Voting in favor are Board Members Foreman,  
4 Ballate, Conlon, Eaddy, Fry, Simpson, Sweeney,  
5 Valenzuela, and myself. The motion passes.

6 The Board's decisions in all cases on  
7 which we took final action this evening will be  
8 entered as of today's date and will be issued to the  
9 parties. A copy of the written decisions will be  
10 posted on the Board's website within ten business  
11 days pursuant to the Municipal Code of Chicago.

12 Next, the general orders and other  
13 directives issued by the Superintendent of Police  
14 during the previous month are listed in the blue  
15 books and are available on the Police Department's  
16 website. The next item is the Superintendent's  
17 report to the Board. Superintendent McCarthy.

18 SUPERINTENDENT McCARTHY: Good evening,  
19 everyone. I'm going to dispense with what I  
20 normally would have spoken about here because I saw  
21 a number of people who are coming tonight to speak  
22 about the Rekia Boyd case. And as you all know, the  
23 case has been forwarded from IPRA to the Police  
24 Department. The case is still under review. Our

1 attorneys are looking at it to determine correct  
2 charges and all the legalities that need to go  
3 forward to bring a good case in front of the Police  
4 Board. I apologize, we don't have it done yet. We  
5 still have 60 days but I can -- I'm not going to put  
6 a timeframe on this, but I'll guarantee you that it  
7 will not take that long. But tonight I cannot sit  
8 here and tell you where the case is because it's a  
9 little premature based on what we're doing. And  
10 I'll leave it like that.

11 MS. LIGHTFOOT: Thank you, Superintendent. I  
12 will now call upon those members of the public who  
13 signed up in advance to speak. When your name is  
14 called, please step up to the microphone, and we ask  
15 that you limit your comments to two minutes.

16 Again please, out of respect for the  
17 other people who are coming before -- after you,  
18 please conduct yourself with civility and respect.  
19 The first person on the list is Marie Tyse. Good  
20 evening.

21 MS. TYSE: Good evening. My name is Marie  
22 Tyse, and I have two points to make. First, Mayor  
23 Emmanuel and Superintendent McCarthy have been  
24 unable to address adequately the escalation of

1 violence in Chicago. They first blame our black  
2 children telling us that we have failed to parent  
3 because most of our youngsters are gang bangers.  
4 I'm here to tell you that these young adult  
5 criminals are not our children. Our children --  
6 quite the contrary, our children are teachers,  
7 firefighters, police officers, lawyers, doctors, and  
8 more, all self sufficient members of society. These  
9 young adult criminals terrorizing our neighborhood  
10 are the legacy of former Richard J and Richard M.  
11 Daley's racist administrative policies.

12 Richard J put black families in public  
13 housing for political reasons. They lived on what  
14 can only be characterized as an island where over  
15 generations they developed a subculture of survival.  
16 They inhabited this environment along with a  
17 storefront church, a currency exchange, a liquor  
18 store, a substandard school, and a corner grocery.  
19 Richard M continued his father's racist policies  
20 before finally transitioning them out of public  
21 housing into black neighborhoods on the south and  
22 west sides of the City without an iota of reasonable  
23 preparation for living elsewhere, again for  
24 political reasons.

1                   These families brought their  
2 violent-prone survival values with them. These are  
3 not our children. These are Richard J and  
4 Richard M. Daley's children.

5                   My second point is this: Mayor Emmanuel  
6 use of Heather McDonald's discredited myth of the  
7 first in effect to explain the uptake in violent  
8 crime is another attempt by him to blame anyone and  
9 anything other than the failed policing strategies  
10 from Superintendent McCarthy, with all due respect  
11 sir. His contention that police officers are  
12 unwilling to engage in proactive policing out of  
13 fear that they may be subjected to negative news  
14 reports or have their careers end prematurely is  
15 absolute nonsense.

16                  MS. LIGHTFOOT: Ma'am your time is up. Can  
17 you please wrap it up?

18                  MS. TYSE: Yes, I'll wrap it up. Professional  
19 police officers whom we strongly support, perform  
20 their duties even in the face of criticism. I say  
21 shame on Mayor Emmanuel for throwing our police  
22 officers under the bus. Thank you.

23                  MS. LIGHTFOOT: Thank you. Next speaker,  
24 Ronald Brown.

1 MR. BROWN: Good evening. Thank you for the  
2 opportunity to speak this evening. I live in the  
3 Auburn-Gresham neighborhood and would like remind  
4 the police department and everyone present in this  
5 room that those of us who live in Auburn-Gresham are  
6 victims of the homicidal madness that is occurring  
7 in our city. Mayor Emmanuel, Superintendent  
8 McCarthy, and some newspaper journalists and  
9 television reporters have recently appeared to  
10 routinely blame us for the criminal activity in our  
11 neighborhood. We are told that we need to identify  
12 the who, what, when, where, and how these homicides  
13 and shootings are taking place. This is known as  
14 blaming the victim. This narrative must change.

15 It's only in predominantly Black and Brown  
16 neighborhoods that this narrative is widely used.

17 The police and media routinely identify  
18 these criminals in our midst as documented gang  
19 members as if that's all that is needed to be said,  
20 case closed. The crime somehow becomes  
21 understandable. This provides the administration  
22 and police officials with all the cover they need to  
23 tell us why they can't solve crime in our  
24 neighborhood. When a shooting or a homicide occurs

1 in a more affluent area of the City, the narrative  
2 is much different. Residents in those areas are not  
3 told to find the criminals or search their homes for  
4 crime, evidence of crime. They are viewed as  
5 victims and treated with care and consideration. In  
6 neighborhoods struggling with rising violent crime,  
7 residents are blamed for the crime, are disrespected  
8 and dismissed by the police officials who seem to  
9 take the position that the problem is ours to solve.

10 A recent victim of murder in  
11 Auburn-Gresham, Ashton Simpson was a 36-year-old  
12 husband and father who tried to take a proactive  
13 role when shooting broke out near his home in mid  
14 September. He was shot and killed for his efforts.  
15 Most of the black community is responsible -- is  
16 composed of responsible tax-paying residents  
17 deserving respect, safety, security, and service.  
18 We object to the categorization that we are somehow  
19 responsible for the crime in our neighborhood. We  
20 do not wish to live in terror. We do not accept the  
21 fearful lifestyle as our new normal. The narrative  
22 that our law-abiding citizens are somehow at fault  
23 for these crimes must change.

24 MS. LIGHTFOOT: Thank you, sir. Next is

1 Isadore Glover, Junior.

2 MR. GLOVER: Good evening, my name is Isador  
3 Glover, Junior. I'm a member of the North Beverly  
4 Civic Association. We recommend that the City of  
5 Chicago Department of Police formally request the  
6 assistance of the Department of Homeland Security  
7 Office of The Operations Coordination. In addition,  
8 the Chicago Police Department may want to explore  
9 combining their customer notification initiative  
10 with the State of Illinois Street Gang Rico Act.  
11 Doing so would facilitate the unity of the purpose  
12 among local, state, and federal agencies and allow  
13 the Chicago Police Department to take advantage of  
14 the intelligence and law enforcement components of  
15 the Office of Operations Coordination.

16 Use of their resources is key to  
17 identifying the source, transport lines, delivery,  
18 channels, and storage locations of guns and drugs  
19 that are reaching our neighborhoods and are at the  
20 core of homicides in our community.

21 We believe that this approach will  
22 enhance the significant efforts that continue to be  
23 made by our police officers and may help the local  
24 communities strengthen relationships with the local

1 patrol officers they depend on for day-to-day  
2 services and protection. Thank you.

3 MS. LIGHTFOOT: Next is Mike Elliott.

4 MR. ELLIOTT: Chicago Alliance Against Racism  
5 and Political Repression has been involved with  
6 demanding justice for Rekia Boyd from the very  
7 beginning. We have literally waited years for IPRA  
8 to finally investigate the clearcut murder of our  
9 sister, Rekia Boyd, and for IPRA to recommend the  
10 firing of Dante Servin. It's only because of  
11 pressure from Rekia's family and activists in the  
12 streets that IPRA has finally made this decision to  
13 recommend the firing of Dante Servin. So we are not  
14 going to thank you for that because you owe us that.  
15 You have been owing us that for a long time now.

16 Now, the decision to support the firing  
17 of Servin is on the desk of the chief of police and  
18 we expect you to support that fully. We expect you  
19 to support that recommendation fully and  
20 immediately. We demand that you fire Dante Servin  
21 now and take away his pension. Even though we are  
22 aware of your, Police Chief McCarthy, we are aware  
23 of your atrocious past as the police chief of New  
24 Jersey, which was under federal monitoring for its

1 brutality and violation of citizens rights. And  
2 that's why Rahm Emmanuel handpicked you to come to  
3 Chicago. But with what miniscule credibility you  
4 have left in Black and Latino communities, we expect  
5 you to decide to recommend the firing of Dante  
6 Servin immediately or that little bit of credibility  
7 will be destroyed.

8           The solution to holding police  
9 accountable for their countless crimes and  
10 misconduct and shootings in black and poor  
11 communities in Chicago is an elected civilian police  
12 accountability council that will replace IPRA. It  
13 will replace IPRA and the Police Board. IPRA has  
14 earned the name in our community as standing for  
15 Impunity for Police Repression Agency.

16           MS. LIGHTFOOT: Mr. Elliott, your time is up.  
17 Could you wrap up please?

18           MR. ELLIOTT: Wrapping up right now. Finally  
19 at last month's Police Board hearing, Servin was one  
20 of only five officers that IPRA recommended for  
21 firing. We demand that Police Chief McCarthy  
22 support the firing of each of those five police  
23 officers who unlawfully acted in our community, and  
24 we will gladly accept your resignation Police Chief

1 McCarthy right now.

2 MS. LIGHTFOOT: Next speaker is Dorothy  
3 Holmes.

4 MS. HOLMES: Hi. I'm the mother of Ronald  
5 Johnson that was murdered October 12, 2014, 5300  
6 King Drive by Detective George Hernandez. And  
7 today, I finally seen that video. He did not have  
8 to shoot my son. Close as I am to this lady right  
9 here, he could have grabbed my son and threw him  
10 down, but instead, he jumped out the backseat of the  
11 police car and opened fire on him causing my son's  
12 life.

13 You all be the judge of it. How many of  
14 ya'll sitting up there, how would you feel if this  
15 was your kid that the police killed? Ya'll wouldn't  
16 like that, and we don't like it either. It's  
17 justice or else. That's all I got say.

18 MS. LIGHTFOOT: Next speaker is Quinnisha  
19 Allen. (No response.) Next speaker will be Douglas  
20 Hunter. (No response.) Next speaker is Armanda  
21 Shackelford.

22 MS. SHACKELFORD: Hello everybody. First, I'm  
23 here to support the young lady that was killed by  
24 the police officer. I'm here with -- to support her

1 family because that was wrong for him to do that,  
2 and I'm hoping and praying that he -- that he gets  
3 fired and his pension be taken away from him. Also,  
4 there are other officers that did torture. My son  
5 was one of them that was tortured by Officer Keel  
6 and Officer Bredzky. It wasn't nice what they did  
7 to him, and it was wrong. If your job consists of  
8 finding a person that did the crime, look for that  
9 person for that specific reason. Don't just pick  
10 somebody and torture them into signing a confession  
11 that you typed out. That picture don't look right.  
12 It's something wrong with that.

13 If I say I didn't do it, don't make me be  
14 done did it. I said I didn't do it, but you said I  
15 did, and you're going to torture me until I just  
16 give up. The system needs to change.

17 Furthermore, it shouldn't never started.  
18 Things like that shouldn't never been going on.  
19 This was completely wrong. Now, if I do wrong, you  
20 arrest me, but if an officer do wrong to another  
21 person, it's nothing done to him. It's something  
22 wrong with that. I feel like if I deserve to be  
23 punished because I did wrong, what's wrong with  
24 them? They are above the law? That's not fair and

1 that needs to change. But like I said at first, it  
2 shouldn't never started. They should have had  
3 better watch over their officers to watch what  
4 they're doing. Don't just take their word for it  
5 because they can make errors just like we do.

6 MS. LIGHTFOOT: Ms. Shackelford, your time is  
7 running out.

8 MS. SHACKELFORD: All right.

9 MS. LIGHTFOOT: Next speaker is Mark Clements.

10 MR. CLEMENTS: Hello, my name is Mark  
11 Clements. I'm a torture victim, someone that spent  
12 28 years inside of the Illinois Department of  
13 Corrections. I welcome each and every one of you on  
14 this panel this evening due to the fact that Rekia  
15 Boyd, she cannot be wished good evening. Her life  
16 was taken from her. There's Grellan Johnson, a  
17 torture victim. You can't wish good evening to him  
18 either. He died in prison waiting to have a hearing  
19 on his claim of torture. How long must this stuff  
20 go on?

21 Here it is with you, Superintendent  
22 McCarthy being present, a torture reparations  
23 package of 5.5 million dollars. John Burge and his  
24 underlings, you can't get John Burge's pension but

1 you can get his underlings pension and you still  
2 refuse to do it. Michael Keele is one of them.  
3 Kenneth Boudreau is one of them. Halloran is one of  
4 them. James O'Brian is one of them. He didn't  
5 torture none of you, but he did torture this color  
6 and you know it, Rita. We must put a stop to this.  
7 We must put a stop. You know it, Lori. We must put  
8 a stop to it. God put you each in position to make  
9 a change, not to stay stuck and to allow the same  
10 systematic patterns of torture to occur. Glen  
11 Evans, this stuff just graduates, and what is  
12 happening now, our kids are being victimized and we  
13 are told to shut up.

14 I say this and I say it loud and clear.  
15 As a result of that torture reparations package  
16 Mr. Superintendent, you have to go to your desk, and  
17 I'm going to be watching you sir, because each and  
18 every one of those 36 officers who was an underling  
19 and gave me some of that money, guess what? They  
20 are accountable. That means they beat me inside of  
21 a police station. That means that John McCann  
22 should not be getting his pension. None of these  
23 officers should be receiving their pension. And  
24 even the officer in Rekia Boyd's case, I demand that

1 he be fired, and you have that authority to fire him  
2 and to terminate him. Do the right thing. If you  
3 want some love from the Black community, treat us  
4 right.

5 MS. LIGHTFOOT: Next speaker is LaCreshia  
6 Birts.

7 MS. BIRTS: So I would like to address what  
8 happened last week at the City budget hearing on  
9 policing. But before I go there, let me state it  
10 has been reported that Second Deputy Al Wysinger has  
11 decided to retire. That is unfortunate because he  
12 was one of the few entities in the Department who  
13 actually listened to the people. When Rekia's  
14 family came to testify at the Board a few months  
15 ago, Wysinger acknowledged their presence by  
16 greeting each of them respectfully.

17 When I started in this movement with  
18 UIB 100 to advocate for marijuana equalization,  
19 Wysinger kept an open line of communication with us.  
20 I just wish that Wysinger would have pushed forward  
21 some of the changes demanded by the people before he  
22 exited the Department.

23 But I can't fault Wysinger because all  
24 actions taken by CPD start and end with you,

1     McCarthy.  You're the bottom line in the scheme of  
2     all of this.  You stand and enforce the standards of  
3     policemen, and you're responsible for disciplining  
4     the officers when their actions are problematic and  
5     harmful to the community.  And despite you claiming  
6     that every part of the system should be held  
7     accountable last week at the City Council budget  
8     hearing, you made little attempt to take  
9     accountability for your role in this system.

10             Not only have you been unaccountable,  
11     McCarthy, you have shown blatant disrespect and  
12     disregard to the people in this city, particularly  
13     the poor, Brown, disenfranchised, and Black people  
14     in the city.

15             This disrespect and disregard can be  
16     examined by your constant refusal to listen to the  
17     people.  You have the opportune moment to listen to  
18     the folks at your so-called listening tours, but  
19     instead of allowing active and engaged members of  
20     the community to testify and provided input at your  
21     -- you held private meetings with cronies of the  
22     Mayor.  And instead of being sensitive -- instead of  
23     being sensitive to the problematic history that CPD  
24     has with black people, particularly young black

1 people, you stood on the side of Officer Dante  
2 Servin and said that he was justified in his  
3 shooting of innocent Rekia Boyd.

4 MS. LIGHTFOOT: Ms. Birts, your time is up.

5 MS. BIRTS: This was at system -- this was a  
6 shooting that took place only a couple of months  
7 after Trayvon Martin. Your insensitivity and your  
8 disregard for certain subsets of this City does call  
9 for your resignation. So either stand up --

10 MS. LIGHTFOOT: Your time is up.

11 MS. BIRTS: And demand for -- stand up and  
12 hold police who commit crimes against civilians  
13 accountable. Stand up and fire Dante Servin. Stand  
14 up or step down. Stand up or step down.

15 MS. LIGHTFOOT: Next speaker is John Hawkins.

16 MR. HAWKINS: The case of Rekia Boyd is not  
17 complicated. Dante Servin shot into a crowd, put a  
18 bullet in Rekia Boyd's head, killed her, and the  
19 system let him off. He belongs behind bars. The  
20 system let him off and your recommendation that  
21 Dante Servin be fired did not come out of the blue.  
22 It's because these people behind me have been  
23 mobilizing and struggling for years for justice for  
24 Rekia Boyd that you even made that recommendation.

1                   And now Superintendent McCarthy says he  
2 will have to hem and hah over what to do. It's not  
3 a complicated issue. The role of the police under  
4 capitalism is not to protect and serve you and me.  
5 It's to protect and serve the billionaire capitalist  
6 rulers of this country. The role of the police is  
7 to put us down, to put us in our place, to kill us,  
8 to terrorize us so we don't organize and fight for  
9 our rights.

10                   Police cannot be reformed. The police  
11 are a tool of the capitalist to defend the system  
12 where the rich get richer and the poor get poorer  
13 and the police are here to keep it that way. They  
14 cannot be reformed by a civilian review board. The  
15 only thing that can change the repressive role of  
16 police is working people taking power in this  
17 country. Black Lives Matter has been -- made gains.  
18 That's the only reason you recommended that Dante  
19 Servin be fired.

20                   We are going to see a trial soon in  
21 Baltimore of Freddie Gray. The six cops involved  
22 never would have been indicted had it not been for  
23 the mobilizations and demonstrations. There is a  
24 new time going on right now in this country, where

1 when black youth are killed, when working class  
2 youth are killed, the people go out into the streets  
3 to protest and raise hell and say this isn't right,  
4 and to say there has to be some kind of justice and  
5 the police have to pay the same price.

6 I very much agree with the speaker to the  
7 left of me who said the cops are above the law. You  
8 and I can't do the same things that cops do. They  
9 are above the law. The system put them in place  
10 where they can kill us, murder us, they can carry  
11 out crimes against us and not pay the same price if  
12 you and I did the same thing. They are above the  
13 law. That's how capitalism works.

14 MS. LIGHTFOOT: Mr. Hawkins, your time is up.

15 MR. HAWKINS: Superintendent McCarthy, you  
16 don't have to hem and hah and take your 60 days or  
17 whatever. It's simple. Fire Dante Servin. Take  
18 away his pension.

19 MS. LIGHTFOOT: Next speaker is Bertha  
20 Ascamilla.

21 MS. ASCAMILLA: Hello. My name is Bertha  
22 Ascamilla, and I'm here in support of Rekia Boyd and  
23 her family. It's a terrible thing that has to  
24 happen to people by getting killed or being beat up

1 by these police officers. I agree that Dante Servin  
2 should be fired, take his pension away, and he  
3 should not be allowed to carry a weapon. He should  
4 not be allowed to carry a weapon.

5 Number two, there are other torturists in  
6 the city of Chicago who have broken laws, committed  
7 crimes and nothing happens to them. Boudreau,  
8 Halloran, O'Brian, Michael Keel, and others. These  
9 officers -- can't you look up at me, Mr. McCarthy?  
10 These police officers should be indicted for crimes  
11 they have committed. There are victims that are  
12 still in prison for crimes that these officers put  
13 on them.

14 And Ms. Rita Fry, you do know about this.  
15 You could have tried to do something to stop this,  
16 but you know what, if C-PAC was around at that time,  
17 none of this would have happened because these  
18 officers would have been locked up. They would have  
19 stopped this from continuing on, from making these  
20 men, our loved ones to be suffering in prisons and  
21 their families.

22 Do you have any idea of what this torture  
23 is? It's not just a word. I hope and pray that  
24 something happens with these police officers because

1 we aren't going away. These police officers,  
2 deserve to be punished like how we usually are. The  
3 thing is, there is no evidence on us with them.  
4 There is a long history of patterns.

5 MS. LIGHTFOOT: Ma'am, your time is up.

6 MS. ASCAMILLA: And please, November 3rd, 26th  
7 and California, Room 301, there is going to be a  
8 hearing where supposedly Michael Keel and Kenneth  
9 Boudreau are expected to testify. Please be there  
10 in support, everybody, 301, November 3rd.

11 MS. LIGHTFOOT: Next speaker is Carolyn  
12 Johnson.

13 MS. JOHNSON: Good evening. My name is  
14 Carolyn Johnson. I'm here to support -- I'm here to  
15 support the family of Rekia Boyd, and I also would  
16 like to see Dante Servin fired along with other  
17 detectives. That officer know they do tactics. You  
18 know the tactics because you teach them. What  
19 happened to shooting below the legs and not shooting  
20 into crowds where civilians is standing at? I don't  
21 know, a long time ago when I was coming up, back  
22 then when you wanted to stop a criminal or a suspect  
23 from doing something, you shoot them below the  
24 waist, but now you all are being taught to shoot to

1 kill. It's not right.

2 My baby, my other kids, they're confused  
3 who the law is, you know. How is we going to teach  
4 them one way, teach them right, when we are looking  
5 at the right do wrong. It's hard. And then I'm  
6 also here to ask that Kenneth Boudreau, James  
7 O'Brian, Detective Keel, and Holloran be fired as  
8 well. Ya'll fired Burge, why you can't fire them?  
9 My son was 13 years old when they took him and  
10 tortured him. O'Brian kidnapped my son out of my  
11 hands and told me I couldn't go with him. I didn't  
12 know no better so I just stood there. They electric  
13 shocked him, tortured him. His mind is gone, now  
14 mine is going because they're still out here.

15 Every time I look around, I got to make  
16 sure O'Brian or Boudreau ain't jumping out to get  
17 me. So it's not right that these officers are still  
18 working all these years. And ya'll say lock up the  
19 bad guy. They locking up all the good guys leaving  
20 the bad guys out here with the bad cops.

21 Why you don't get the system right when  
22 these officers are still out here? They poisoning  
23 the good cops, going to turn them into bad cops.

24 You all are talking about the gangs --

1 MS. LIGHTFOOT: Your time is up.

2 MS. JOHNSON: You all are the gangs. You make  
3 our kids the gang. You don't understand why these  
4 kids shoot and killing and then kill themselves  
5 makes me want to shoot and kill myself because you  
6 ain't doing nothing.

7 MS. LIGHTFOOT: Thank you. Our next speaker  
8 is Aislinn Sol.

9 MS. SOL: I first have to just speak to the  
10 issue of street violence and who are our people.  
11 All of our brothers and sisters, all of our Black  
12 youth, whether they're in a gang or not, are our  
13 family. We know scientifically what causes street  
14 violence. We know what causes it. It's  
15 disinvestment in the communities. It's the shutting  
16 down of schools and it's unemployment. To address  
17 that we have to address those things. It's not more  
18 cops. Cops are never going to be able to address  
19 that. The only thing they will do is kill us more  
20 and arrest us. That will never take -- that will  
21 never address the underlying problems. So I just  
22 have to respectfully respond to our brothers and  
23 sisters over here who are requesting for more police  
24 on the streets.

1                   Now, I want to specifically talk about  
2       Rekia Boyd. In no other circumstance is it  
3       acceptable to take three years to fulfill a sworn  
4       duty. It has been three years, McCarthy. You don't  
5       need 60 days. You don't need 30 days. Fire Servin  
6       now. Judge Porter ruled that Dante Servin committed  
7       first-degree murder. You have a murderer on the  
8       Chicago Police Board. You have a murderer who is an  
9       employee of the government right now in 2015. This  
10      is not Nazi Germany. This is not South Africa under  
11      apartheid. This is not pre 1865 under slavery in  
12      this country. This is 2015.

13                  Why is it difficult? Why is it so hard?  
14      Why is it taking three years to do your duty? This  
15      is your sworn duty to represent the people of  
16      Chicago. Who are you accountable to? You're  
17      accountable to us ultimately. You're accountable to  
18      us, and we are demanding that you do your sworn duty  
19      by firing Dante Servin. That's the least you can  
20      do.

21                  MS. LIGHTFOOT: Your time is up.

22                  MS. SOL: Fire Servin now.

23                  MS. LIGHTFOOT: Next speaker is Crista Noel.

24                  MS. NOEL: Good evening everyone. Fire Servin

1 now. With that being said, I have a letter that I'm  
2 going to submit to the Board, along with  
3 Superintendent McCarthy and the U.S. Attorney's  
4 Office as well as the State's Attorney and anybody  
5 else I can find. But with that being said, I don't  
6 want to take the time because Martinez did not get  
7 an opportunity to get on the list, so I'm going to  
8 have --

9 MS. LIGHTFOOT: No, he didn't but we only  
10 recognize people who call ahead of time.

11 MS. NOEL: You're not going to let him talk?

12 MS. LIGHTFOOT: I am not.

13 MS. NOEL: All right then, I'll read my letter  
14 then. "Dear Superintendent McCarthy." I didn't put  
15 the "dear" in, I just said that. "On your desk sits  
16 a recommendation to fire a Chicago police detective  
17 that, based on the judge at the trial where he was  
18 recently acquitted of involuntary manslaughter, only  
19 because of the States Attorney's charge of reckless  
20 being incorrect, was involved in a murder. The  
21 murder of Rekia Boyd was unjustified. There is no  
22 doubt about that in the minds of the community as  
23 well as yours. Rekia was an innocent bystander, and  
24 as you're aware, was not a threat in any way to this

1 officer.

2 Perhaps had it been your daughter who was  
3 shot and killed by New Jersey police officers on the  
4 day allegedly -- alleged day that you and your wife  
5 argued and cursed at them, while your gun was in  
6 plain sight, your perspective and your comments in  
7 regard to the shooting would be different.

8 Therefore, we are imploring you to make  
9 your decision as swiftly as Dante Servin made his.  
10 But instead of directing your pen to make the  
11 correct split-second decision and not relying on the  
12 excuses from an extremely -- I'm sorry, but instead,  
13 correcting your pen to make the correct split-second  
14 decision and not relying on excuses for extremely  
15 bad judgement made on that early morning night of  
16 March 21, 2012 by Dante Servin, we end very simply  
17 with this: You have already made two comments in  
18 regards to Rekia's death that have been  
19 inflammatory, without basis and in fact, extremely  
20 biased and derogatory towards the family.

21 You have made no attempt to approach the  
22 family or send your condolences, even after  
23 realizing that she was innocent and the civil suit  
24 which you used as an excuse was settled. Your

1 legacy is already checkered, to say the least.

2 MS. LIGHTFOOT: Ms. Noel.

3 MS. NOEL: Adding a third -- by adding a third  
4 negative commentary to this tragedy, you will  
5 solidify your voice in the community as being one  
6 that should never be listened to, that should be  
7 completely removed from the community and the city  
8 of Chicago."

9 MS. LIGHTFOOT: Our last speaker is Robert  
10 More.

11 UNKNOWN WOMAN: I called yesterday. I called  
12 and you can look at my phone. Check my phone.

13 MS. LIGHTFOOT: Go ahead, Mr. More.

14 MR. MORE: October 15, 2015, Chicago Police  
15 Board Hearing, A.D. introduction Robert More,  
16 St. Michael the Archangel, Branch 4 administrative  
17 assistant. Introduction to the last September  
18 meetings incorporated herein by reference as fully  
19 conveyed herein. Challenge the constitutionality of  
20 an email sent from Dr. Caproni as applied to  
21 whatever rule is applied. That rule in the Police  
22 Board meeting Dr. Caproni accused me of, in my  
23 understanding, of having made anti-Semitic remarks  
24 at the September meeting. That email sent back to

1 Dr. Caproni, and all that will be posted shortly in  
2 the website so people can follow this for themselves  
3 to see what is actually going on here. In response  
4 to that accusation, there is also a counter to the  
5 accusation, an email from Robert J. More.

6 The next issue is that Robert J. More  
7 asked Dr. Caproni to substantiate the claim or  
8 retract it immediately. Robert More being  
9 substantially damaged by false accusations, entirely  
10 unjustified.

11 Now the next issue, Superintendent, what  
12 was the cause of your absence from the September and  
13 June, 2015 meetings?

14 MS. LIGHTFOOT: Mr. More, keep talking.

15 MR. MORE: Why were you not present? But let  
16 me get my two minutes. I got here all the points.  
17 If I can't get into this, I will go to the website  
18 and make another video because I have 11 points I'm  
19 trying to get in. Superintendent? He is not  
20 answering the question. There is no answer to that  
21 question. Mr. Bazarek? There is no answer.  
22 They're looking off into space. What is the present  
23 status, Mr. Superintendent, of the Bland Young and  
24 Spencer murder investigation -- prevention of

1 investigation? For the record, there is no response  
2 to that question.

3 On the website, we are posting a formula  
4 for first responders in the city of Chicago so that  
5 they can refuse to go into a building under  
6 circumstances substantially similar to what was  
7 encountered on September 11, of 2001 and  
8 April 19, 1995 where if those first responders can  
9 refuse to go in the building so they can prevent the  
10 type of loss of life, tragic waste of life.

11 MS. LIGHTFOOT: Mr. More, your time is up.  
12 Please wrap up.

13 MR. MORE: The rest of these points will all  
14 be posted on the website and on the video. Thank  
15 you and I salute the young Marines, sheriffs, peace  
16 officers, roll keepers and --

17 MS. LIGHTFOOT: Mr. More, your time is up. At  
18 this time all persons who signed in advance --

19 UNKNOWN WOMAN: I'm asking that you respect my  
20 presence and allow me to speak. I ask that you not  
21 violate my right to this open meeting.

22 MS. LIGHTFOOT: We have no record of you  
23 calling yesterday to sign up.

24 UNKNOWN WOMAN: I called. There is a message

1 on your recording, Madam, and I also stipulated that  
2 when going to the website, the information for the  
3 meeting is not available.

4 MS. LIGHTFOOT: The information for the  
5 meeting is available.

6 UNKNOWN WOMAN: Not on the CPD website.

7 MS. LIGHTFOOT: It's not on CPD's website,  
8 ma'am. We have a separate website.

9 UNKNOWN WOMAN: But it should be.

10 MS. LIGHTFOOT: I will be happy to discuss  
11 this with you after the meeting.

12 UNKNOWN WOMAN: I would like to speak.

13 MS. LIGHTFOOT: Is there a motion to adjourn?

14 MS. FRY: So moved.

15 MS. LIGHTFOOT: Second?

16 MR. CONLON: Second. All in favor say aye.  
17 All opposed. Motion passes, meeting is adjourned.
