1 PRESIDENT FOREMAN: Good evening. I'm Ghian
2 Foreman, President of the Chicago Police Board and
3 I have called the meeting to order.

4 Board members Eaddy and Simpson are
5 unable to attend this meeting in person. Is there
6 a motion to permit their remote attendance?

7 TRUSTEE WOLFF. So moved.

8 TRUSTEE DELGADO: Second.

9 PRESIDENT FOREMAN: All in favor?

10 (Ayes in unison.)

11 PRESIDENT FOREMAN: The motion passes.

12 The first item of business is approval of
13 the minutes of the Board's regular public meeting
14 held on November 15, 2018. Is there a motion to
15 approve the minutes?

16 TRUSTEE SWEENEY: So moved.

17 TRUSTEE DELGADO: Second.

18 PRESIDENT FOREMAN: All in favor?

19 (Ayes in unison.)

20 PRESIDENT FOREMAN: Any opposed? The motion
21 passes.

22 The schedule of the Board's regular
23 public meetings for 2019 has been made available at
24 this evening's meeting and will be posted on the

1 Board's website. Our next regular public meeting
2 will be held Thursday, January 17, at 7:30 p.m.
3 here at Chicago Public Safety Headquarters.

4 (Trustee O'Malley joins the
5 meeting.)

6 PRESIDENT FOREMAN: At this time I ask for a
7 motion to close a series of executive sessions for
8 the purposes of considering personnel matters and
9 litigation, as authorized by Sections 2(c)(1), (3),
10 (4), and (11) of the Illinois Open Meetings Act.

11 Is there such a motion?

12 TRUSTEE ZOPP: So moved.

13 PRESIDENT FOREMAN: Second?

14 TRUSTEE WOLFF: Second.

15 PRESIDENT FOREMAN: All in favor?

16 (Ayes in unison.)

17 PRESIDENT FOREMAN: Opposed? The motion
18 passes.

19 Earlier this evening the Board, as
20 required by the Illinois Open Meetings Act, met and
21 considered the minutes and recordings of all past
22 closed meetings to determine whether the need for
23 confidentiality still exists. The Board members
24 unanimously agreed that it continues to be

1 necessary to keep confidential the minutes and
2 recordings of its past closed meetings.

3 A report of disciplinary actions taken
4 by the Board during the previous month has been
5 made available at this evening's meeting. This
6 report and the Board's written Findings and
7 Decisions are posted on the Board's website.

8 First we are going to take final action.
9 The Police Board, as authorized by the Open
10 Meetings Act, has considered in a closed meeting
11 one disciplinary case. The Board will now take
12 final action on this case.

13 Regarding case number 18 PB 2942, is
14 there a motion to find Police Officer Wendy A.
15 Williams guilty of generating false official police
16 reports, and to discharge her from the Chicago
17 Police Department?

18 TRUSTEE SWEENEY: So moved.

19 MR. FLORES: Second.

20 PRESIDENT FOREMAN: All in favor?

21 (Ayes in unison.)

22 PRESIDENT FOREMAN: None opposed.

23 Voting in favor are Board members Wolff,
24 Delgado, Eaddy, Flores, O'Malley, Simpson, Sweeney,

1 Zopp and myself. The motion passes.

2 Is there a motion to adopt the written
3 Findings and Decision that has been reviewed by all
4 Board members who participated in the case?

5 TRUSTEE WOLFF: So moved.

6 PRESIDENT FOREMAN: Is there a second?

7 TRUSTEE FLORES: Second.

8 PRESIDENT FOREMAN: All in favor?

9 (Ayes in unison.)

10 PRESIDENT FOREMAN: Any opposed? The motion
11 passes.

12 The Board's decision in the case on which
13 we took final action this evening will be entered
14 as of today's date and will be issued to the
15 parties. A copy of the written decision will be
16 posted on the Board's website as required by the
17 Municipal Code of Chicago.

18 The general orders and other directives
19 issued by the Superintendent of Police during the
20 previous month are listed in the books made
21 available at this evening's meeting and are posted
22 on the Police Department's website.

23 The next item is the Superintendent's
24 report to the Board.

1 CHIEF WALLER: Good evening. I apologize that
2 the Superintendent could not be in attendance
3 himself. I'm Chief Fred Waller from Patrol, and I
4 appreciate the opportunity always to be in
5 attendance and brief you all on just some of the
6 small things that we are doing, especially during
7 the holiday season.

8 We are a little bit in mourning. We have
9 lost one of our officers, a sergeant had passed.
10 But to uplift the community, the citizens during
11 this time, we've been doing toy give-aways, we have
12 had different holiday parties with the community
13 and in the different districts that we are in.

14 We are now recognizing new programs, a
15 DCO program in the 25th District which will
16 concentrate completely on -- those officers will
17 only concentrate on the problems of that community
18 and sector those areas off, partner with the
19 community and different communities within that
20 district. So we are excited about that program.
21 Excited about expanding that program.

22 So I do thank you, again, for allowing me
23 to present to you tonight.

24 PRESIDENT FOREMAN: Thank you.

1 I will now call upon those members of the
2 public who signed up in advance to speak. When
3 your name is called, please step up to the
4 microphone. We ask that you limit your comments to
5 two minutes.

6 The first speaker is Dawn Vitrano.

7 MS. VITRANO: Good evening. My name is Dawn
8 Vitrano and this is my mom, Connie Altman, and this
9 is my daughter, Lauren Vitrano.

10 Lauren took her own life on October 9,
11 2017. She was 24 years old. She was set to
12 graduate from the University of Chicago College of
13 Pharmacy in May of 2018. Her sister accepted her
14 hood and diploma.

15 I have an ongoing investigation pending
16 with the Internal Affairs Division of the Chicago
17 Police Department, case number 1087135. Lauren's
18 boyfriend of seven years, Sean Brady, with whom she
19 had been living with at the time was a cadet in the
20 Police Academy. While attending the academy, Sean
21 had a sexual affair with one of his instructors,
22 Terra Richardson. Subsequently, Terra was kicked
23 out of the Academy, but retained her job along with
24 all of her benefits. Terra was also recently

1 promoted to sergeant within the last couple of
2 months. Sean was allowed to continue and graduate,
3 becoming a police officer.

4 After our Internal Affairs interview, an
5 affidavit was signed by my daughter Amanda and
6 myself, alleging two counts. Number one,
7 fraternization between cadet and instructor; and
8 two, Sean failing to alert anyone as to what Lauren
9 was telling him and texting him. She explicitly
10 told him on six or seven occasions how and when she
11 would end her life. He did nothing and told no
12 one.

13 Sean and Terra were both found guilty of
14 the sexual affair, but Sean was found not guilty on
15 the count of failure to notify anyone, myself
16 included.

17 Is the CPD's motto not to serve and
18 protect? Sean's vicarious victimization of Lauren
19 is something he will have to live with for the rest
20 of his life.

21 My question is, how is Terra Richardson
22 politically connected? Where is the clout and
23 privileged treatment coming from? Why am I still
24 being told she is grieving this punishment that has

1 been handed down to her and is waiting to go to
2 arbitration?

3 This has been over a year now. I'm in
4 the same spot I was last December. Terra should
5 have been fired immediately. Sergeant, supervisor,
6 and instructor are all titles she is not fit to
7 own. Thank you very much.

8 PRESIDENT FOREMAN: Thank you.

9 Next speaker, Octavia Mitchell.

10 Ms. Vitrano, Chief Waller, would you --
11 who would you like Ms. Vitrano to speak to?

12 CHIEF WALLER: I think I saw Chief Washington
13 here from Internal Affairs.

14 PRESIDENT FOREMAN: Ms. Vitrano, in the back.

15 The next speaker, Octavia Mitchell.

16 MS. MITCHELL: Good evening. My name is
17 Octavia Mitchell, I am the parent of the deceased
18 Izeal Jackson. Izeal Jackson was murdered on April
19 24, 2010, by an officer, CPD officer, who shot him
20 three times in the back.

21 I did go to trial on this case but was
22 misrepresented. However, during this trial when
23 the police officer testified to things that I do
24 not believe. Officer get on the stand and

1 testified, because I've been looking for his DNA.

2 He had three tests, it was three tests
3 that was taken as far as Izeal's body; DNA swabs,
4 fingerprints, (inaudible) prints, which none of
5 that could connect my son to the gun that they said
6 he had.

7 There is a DNA -- the DNA swabs are
8 missing. We did the fingerprints and the forensics
9 was taken, but it could not connect my son to the
10 gun that they're saying that he had. The officer
11 got on the stand and stated that he had no idea
12 where the DNA is and they sent it to the Illinois
13 State Police Department, who I had contact and
14 stated they never received it.

15 So it's DNA that's out here. This is
16 important evidence to prove my son's innocence,
17 although it will never bring him back. My son was
18 a junior in high school, he was going to graduate
19 out of Hyde Park, and he also played baseball for
20 Hyde Park. During the -- our side and everything,
21 he showed that my son did not drink, did not smoke.
22 He had nothing in his system but greasy foods, like
23 that.

24 So I've been asking and wondering, where

1 is his DNA. I see where it was taken, I see where
2 it was supposed to have been held for
3 investigation, I saw where it was logged. But it
4 just fell off the face of the earth.

5 Now that, since I was misrepresented and
6 my lawyer failed to ask for it, I'm being told it's
7 too late. This is my child's life. It is never
8 too late.

9 It seems as if it's a cover up. If my
10 child did what they're saying he did, come up with
11 his DNA. Because by law, when you take these type
12 of samples of DNA, they are supposed to be tested.
13 where is this DNA? I have the right to my child's
14 DNA, I need to know where it's at. It's just not
15 logical that you're going to test two DNAs and not
16 that third one. I would like to know where is my
17 son's DNA swabs.

18 PRESIDENT FOREMAN: I'm not sure who to direct
19 it to, but Connie, given some of your experience,
20 I'm going to direct the question to you.

21 MS. ROBERTS: Sure.

22 Good afternoon, Ms. Mitchell. I believe
23 you've been in contact with Director Eddy from my
24 office as recently as the last couple of days and

1 we were working were you. It's my understanding
2 that you wanted us to consider re-opening the
3 closed up case. And I've got Mr. Patterson here
4 who can speak with you in a little bit more detail
5 this evening.

6 MS. MITCHELL: Okay. Because I'm quite sure,
7 just logically thinking, no one is going to test
8 two samples and then a third one disappear. I
9 would like to know where my son's DNA is at. And I
10 appreciate you, and I did speak with Eddy today.

11 MS. ROBERTS: All right. Thank you. And my
12 condolences.

13 MS. MITCHELL: Thank you.

14 PRESIDENT FOREMAN: Thank you.

15 Mr. John Perryman.

16 MR. PERRYMAN: Good evening. Last month I
17 asked for the Commanders of the 11th and 12th,
18 along with the head of the CAPS office, to be here
19 for public record, to speak on the record. Are
20 they here?

21 CHIEF WALLER: I don't think so, sir. We
22 didn't get any request of that nature.

23 MR. PERRYMAN: Well, I'm looking at transcript
24 right here.

1 So, Mr. Foreman, can you sort this out?

2 PRESIDENT FOREMAN: Yes. I can't answer for
3 it. I mean --

4 MR. PERRYMAN: Because I'm looking at a
5 transcript and I asked for these three people, and
6 the Superintendent said, "I will ensure it."

7 PRESIDENT FOREMAN: Yeah, he did. He did.

8 MR. PERRYMAN: So I'm trying to figure out how
9 we can make it right.

10 PRESIDENT FOREMAN: You did. So we will make
11 the request to ensure they are here. You did make
12 the request and the Superintendent did agree that
13 they would be here. I remember that.

14 MR. PERRYMAN: Okay. I do think it hurts the
15 credibility of our police when they don't stand by
16 their word. And I think this might be kind of a
17 bigger issue that we have that we're seeing here.

18 So once again, we bring up this issue
19 that we're talking about is that the 11th and 12th
20 are not working together. We have an open air
21 drive market. We have had violence on Francisco,
22 especially near Wilcox. We've asked for several
23 buildings to be fast tracked through the building
24 process. Is there any updates on that?

1 MS. ZOPP: I did communicate the addresses to
2 the Department of Buildings, but I have to admit I
3 did not follow up before today's meeting. But I
4 will. I will follow-up.

5 MR. PERRYMAN: All right. I'm going to be
6 honest, I'm a little disappointed. These months go
7 by and we haven't had a shooting recently, but what
8 we know is when there hasn't been a shooting in a
9 month, there is about to be one. Because that's
10 what happened, is they wait for us to take a little
11 nap and then the violence starts again.

12 we also have a vacant lot that's a
13 problem on that corner. I'm not quite sure where
14 to go, because we talked about things last month
15 and we don't have any updates at all.

16 PRESIDENT FOREMAN: So, Chief Waller, last
17 month the Superintendent did agree that the
18 commanders from 11th and 12th would be here. So
19 I'm going to ask if you will attend and/or
20 Superintendent of Structure meet with the commander
21 of 11th and 12th and give us some kind of report
22 back for next month so we can understand about the
23 meeting, and of course --

24 MR. PERRYMAN: Well, he agreed to speak on

1 public record. And I think that's important
2 because what they say behind closed doors doesn't
3 line up with what they say out loud. And so I'm
4 asking that that question --

5 PRESIDENT FOREMAN: So do you not want the
6 meeting?

7 MR. PERRYMAN: I want them here at this meeting
8 to speak.

9 PRESIDENT FOREMAN: Okay. So for next month --

10 CHIEF WALLER: I will ensure -- you said the
11 commanders of 11th and 12th and CAPS?

12 MR. PERRYMAN: And the head of the CAPS.
13 Because this is a big problem is that they are not
14 listening to the community. So we come to them,
15 and I had a meeting with the commander of the 11th,
16 and he ended saying he'd call in 911.

17 And I think this is the issue, is we come
18 to them with concerns and they just say -- they
19 turned around and say call 911. And the beat
20 officers are chasing their tails getting a million
21 calls when we're giving them information about
22 concerns in an area that's very hot right now, yet
23 they say call 911.

24 And then the 12th is saying it's not our

1 problem because it's in the 11th, even though it's
2 a block from them and they have a troubled
3 business. So their police won't cross over Madison
4 because -- because they don't work together.

5 PRESIDENT FOREMAN: Okay. Max, will you please
6 send an email for next month, we want the
7 commanders of 11 and 12 and the head of CAPS,
8 please.

9 MR. PERRYMAN: And if we can talk to someone
10 very soon about the buildings, because that's one
11 of the biggest issues. A month goes by and we're
12 suffering. It's been a quiet month, but not for
13 long.

14 PRESIDENT FOREMAN: Right. So did you want to
15 set up a meeting before the public meeting?
16 Because the public meeting is in a month. Do you
17 want a meeting prior to that?

18 CHIEF WALLER: He can give me the addresses.
19 Troubled buildings is underneath me. He can give
20 me the addresses.

21 MR. PERRYMAN: We have already given them.
22 This is the problem. We give the information
23 again, again, again, and again, people get
24 discouraged and they stop working with the police.

1 That is a part of it. So you guys have that
2 information. You've got --

3 TRUSTEE ZOPP: We are not these guys. I don't
4 have them with me. I would encourage you to give
5 them to Chief Waller. I don't have them with me.
6 I apologize. I did forward them to the Department
7 of Buildings, I just personally did not follow up.
8 It's my fault.

9 But I would encourage you, Chief Waller,
10 asked for them, to give them to him. You choose
11 not to, that's up to you. I will get back to you
12 on the information you gave me. I just did not
13 follow up before I came here today, and that was my
14 bad and I apologize.

15 PRESIDENT FOREMAN: The next speaker,
16 Dariusz -- I'm going to try my hardest on this.
17 Dariusz Dereszkiewicz. Mr. Dariusz is not
18 available.

19 Anna Czatowska.

20 MS. ALATORRE: That's my neighbor. We are all
21 together. I also signed up to speak. Is it
22 possible?

23 PRESIDENT FOREMAN: Well, if you signed up to
24 speak, yes. What is your name?

1 MS. ALATORRE: My name is Vickie Alatorre.

2 PRESIDENT FOREMAN: Vickie Alatorre.

3 MS. ALATORRE: Yes. Hello. Thank you for
4 giving me an opportunity to speak here. I just
5 wanted to say I know police work is hard, and I
6 don't come here not understanding that. And I know
7 there are a lot of challenges.

8 But with that said, I just wanted to say
9 I'm also representing the area around Francisco and
10 Wilcox. My particular concern is the 2800 block of
11 Wilcox, West Wilcox.

12 This area has been -- the problem my
13 neighbor just mentioned, there has been a lot of
14 violence, gun activity, shootings in this area this
15 past year. This is due to a drug war that is going
16 on, or a gang war for drug turf. This area,
17 Francisco and Wilcox, has been a drug haven for
18 decades. Decades.

19 I said police work is hard business, it's
20 hard work. However, if you can't get something
21 cleared up in decades, there is a problem, okay. I
22 came to this area in 2004. This has been going on,
23 like I said, for at least 30 years and it's not
24 getting better.

1 We were instructed, as my neighbor says,
2 to call 911. Calling 911 is not a long term
3 solution, that is a reactive solution. Reactive,
4 calling the police. We need a proactive plan from
5 the Police Department.

6 I talked to the 12th District in the
7 past. They tell me, why do you live here? If we
8 clean up your block, it will just go to another
9 one. I really don't care if it goes to another
10 block. My concern is my area.

11 If you have citizens, such as myself and
12 my neighbors, who are willing, who are willing to
13 help clean up the neighborhood, those are the
14 blocks that should take priority. And that is a
15 large group of people there working on that block
16 to try to make it better. All we ask is for
17 assistance. And I feel like we are -- when we
18 speak, it falls on deaf ears.

19 So what I'm asking for is a long term,
20 proactive solution for this problem. Because it's
21 just -- we have families, we live there. There is
22 no reason why this has to go on for decades. Let's
23 close up shops. Let's close up shop on Wilcox and
24 Francisco. Let's show them that this is not open

1 for business anymore.

2 I can't -- I'm not a police officer, I
3 don't know police work. But I can tell you, be --
4 there are tools that the City has at the Police
5 Department's disposal to take care of this. You
6 know, loitering, all these other open vacant lots,
7 troubled buildings, all that stuff.

8 PRESIDENT FOREMAN: Thank you. So here -- I
9 know it's not an immediate solution, but we are
10 going to have a meeting with 11th and 12th with the
11 community group. We are going to get a report
12 back. We are going to ask that the commanders of
13 11, 12, and CAPS are here next month to make a
14 public statement. And, you know, we'll continue to
15 get regular reports on the progress. So we're
16 going to ask that you all continue to keep us
17 updated.

18 MS. ALATORRE: We do, but this is the problem.
19 Nothing gets done. And this is proof. They didn't
20 show up.

21 PRESIDENT FOREMAN: So we're going to try
22 something different, okay.

23 MS. ALATORRE: Okay.

24 PRESIDENT FOREMAN: We're the Chicago Police

1 Board. what we do is we handle discipline for the
2 most part, okay. So what we're doing is we're
3 saying we're going to take responsibility and ask
4 the Superintendent's office to take some steps.
5 Maybe some of the same steps, maybe some different
6 steps, but to take some steps to make sure your
7 issue is satisfied. We are going to ask them to
8 report back to us, and we are going to ask them to
9 come here publicly and say what it is. We're going
10 to ask you to continue to come back.

11 MS. ALATORRE: I will, trust me.

12 PRESIDENT FOREMAN: To speak to us, to let us
13 know, to put it on the record. And it might take
14 more than one month. You might have to come back a
15 few months.

16 MS. ALATORRE: That's fine. This has been
17 going on for 30 years. It's not going to go away
18 overnight, I understand that.

19 PRESIDENT FOREMAN: So continue to work with
20 us, and we're going to continue to push to try to
21 make sure you get some resolution. Is that fair?

22 MS. ALATORRE: It's not me, it's the citizens
23 of our area, of that block. Thank you.

24 PRESIDENT FOREMAN: Yes. Thank you.

1 Next speaker, Darva Watkins.

2 Crista Noel.

3 MS. NOEL: Good evening, everyone. How are you
4 this evening? Okay.

5 I just want to make a quick statement,
6 and that is I do care about all of Chicago. Every
7 single block. So whatever you do, you do it for
8 all of Chicago. Don't push it to another block,
9 you get all the blocks straight. That ain't what
10 Chicago is about.

11 All right. Bettie Jones, Rialmo. Rule
12 14, deposition. Every time Joel Brodsky calls for
13 a side bar, Rialmo got caught lying or
14 contradicting his deposition testimony. Get the
15 deposition of Rialmo. Forensic evidence, Dr. Judy
16 Melinek, Harvard grad, cum laude, UCLA, and she was
17 present at ground zero, says that what Rialmo
18 describes did not and was not supported in any way
19 by the forensic evidence.

20 Three, these three reports that they are
21 asking you to get from the shooting specialists are
22 based on Rialmo's statements and are not the
23 forensic -- and the forensic evidence proves that
24 what he says did not occur. So these three

1 shooting specialists are basing it on his
2 testimony, not the forensic evidence.

3 Dr. Judy Melinek. We cannot have police
4 officers on our force that believe that they can
5 shoot innocents without repercussions. You do not
6 get to shoot innocent people without repercussion.
7 You shoot somebody innocent, you're a police
8 officer, you lose your job. That's just the way it
9 is.

10 We must rule morally as well as
11 constitutionally. Rialmo had no constitutional
12 right to kill Bettie Jones.

13 Six, peoples' lives are not collateral
14 damage. You do not get to shoot bona fide people
15 while you're aiming at one and claim collateral
16 damage. That's not the way this world goes, okay.
17 So when it comes to Bettie, Rialmo should be fired.

18 Additionally, one more thing. I got a
19 complaint against him. So we will talk about that.

20 PRESIDENT FOREMAN: Thank you.

21 Eric Russell.

22 MR. RUSSELL: Good evening. My name is Eric
23 Russell, president of the Tree of Life Justice
24 League. We advocate for maybe a host of families,

1 maybe 50 or 60 nationwide, whose loved ones have
2 been murdered, brutalized, or tortured by police.

3 Here in Chicago for the last three years
4 I was the spokesman for Bettie Jones. And we will
5 not take salary of a racist killer cop that is
6 murdering our women and children. We are very
7 tired of playing the Mayor's alphabet soup game
8 with no accountability; OPS, IPRA, COPA.

9 I do not even bring people down here who
10 have been victimized for victim impact statements
11 because there is no accountability with this Board.
12 It is simply an exercise in futility.

13 For the last three words -- for the last
14 three years, never in the history of law
15 enforcement has a family like Bettie Jones been so
16 utterly disrespected. From the very beginning they
17 lied and said they wouldn't even tell the truth
18 that said Bettie Jones -- when they took her to the
19 medical examiner's office, they would not even say
20 that it was a police involved shooting. This
21 racist killer cop. Bettie Jones, the Good
22 Samaritan, Bettie Jones is the Rosa Parks of our
23 generation. The Good Samaritan.

24 Robert Rialmo, I have no more words in

1 the king's vernacular to express the pain that this
2 family has went through. So I would use a crude
3 vernacular in closing. Robert Rialmo is a rabid
4 dog. He is a rabid dog that has gotten off of
5 Superintendent Eddie Johnson's chain.

6 PRESIDENT FOREMAN: Mr. Russell --

7 MR. RUSSELL: Is that animal present today? He
8 deserves to be euthanized.

9 PRESIDENT FOREMAN: Thank you.

10 MR. RUSSELL: His soul is required in hell.

11 PRESIDENT FOREMAN: Mr. Russell, thank you.

12 MR. RUSSELL: He should be Vandyke's cell mate.

13 PRESIDENT FOREMAN: Thank you. Your time is
14 up, sir.

15 MR. RUSSELL: Now you know how we really feel.

16 PRESIDENT FOREMAN: Next speaker, Martin Preib.

17 MR. PREIB: Good evening, everybody. You know
18 who I am, from the FOP. I was hoping the
19 Superintendent was going to be here, sir, because
20 we believe that we need some clarification.

21 Earlier this year the Superintendent
22 issued a statement, I believe in the form of a
23 letter, articulating the opinion that the Robert
24 Rialmo shooting was justified. I believe that last

1 month that it was portrayed that the paperwork that
2 was necessary for the statute for the case to
3 proceed to the Police Board was misconstrued or
4 mis-advertised as if it was -- indicated a change
5 in the viewpoint of the Superintendent's office.

6 And we would very much like clarification
7 that the Superintendent's office and opinion is
8 still that that shooting was justified.

9 And I was here a couple months ago and I
10 mentioned that we were deeply troubled by the media
11 leaks from COPA in this case. We've been deeply
12 troubled about media leaks from civilian oversight
13 and IPRA and now COPA, and these media leaks are
14 always against the police. I have not seen one
15 media leak that helps our case.

16 And we feel very strongly that this needs
17 to be addressed at COPA, and not just this case,
18 but several others. So we would really appreciate
19 a statement from the Superintendent's office
20 reinforcing their earlier opinion that this
21 shooting was justified.

22 Thank you very much for your time and
23 have a merry Christmas.

24 PRESIDENT FOREMAN: Thank you.

1 Next speaker, John Catanzara.

2 MR. CATANZARA: Ms. Roberts, a couple months
3 ago I asked you about COPA requisitioning some
4 findings in regard to the Rialmo --

5 (Brief interruption.)

6 MR. CATANZARA: I asked you about COPA hiring
7 some people to review the caseload. You said you
8 were new to the case, you didn't have all the
9 particulars. So did you look into it? Was there
10 any independent people hired by COPA to review the
11 file and that determined it was a good shooting?

12 MS. ROBERTS: The information we relied upon to
13 reach our conclusion is often --

14 MR. CATANZARA: I didn't ask how you reached a
15 conclusion. I asked simply was there two
16 independent people commissioned by COPA to review
17 the file that determined it was a good shooting.
18 That's a simple yes or no question.

19 MS. ROBERTS: I cannot answer that with the
20 level of specificity I think that you're asking
21 for. That was a case that proceeded my tenure.

22 MR. CATANZARA: well, you told me that last
23 time. You said you would look into it. This is,
24 again, just like the other guy. "we'll look into

1 it," you don't look into it, months go by and then
2 you just wait for people to give up and stop coming
3 (inaudible). That's not going to happen. I hope
4 you look into it and because I will be back,
5 guaranteed.

6 MS. ROBERTS: Thank you.

7 MR. CATANZARA: Chief Waller, were you aware of
8 the case report generated against the
9 Superintendent for trespass to the expressway this
10 summer?

11 CHIEF WALLER: I did not read it, but --

12 MR. CATANZARA: So you were aware of it, but
13 the Superintendent last month said he had no idea
14 about it. Pretty ironic, isn't it? You didn't
15 bring it to his attention?

16 CHIEF WALLER: It was something that I heard in
17 passing. I did not -- I never saw the case report,
18 but I did hear something like that.

19 MR. CATANZARA: But you never thought to look
20 into something that serious, where the
21 Superintendent of Police is named as a defendant in
22 a case report, but you just let it go in passing.

23 CHIEF WALLER: Like I said, I heard it in
24 passing. No one brought it to my attention

1 directly. If that was the case, an issue with the
2 superintendent, I probably would have been
3 informed.

4 MR. CATANZARA: But yet he sat here last month
5 and said he had no idea what it was about at all.

6 CHIEF WALLER: Well, I don't know what --

7 MR. CATANZARA: Furthermore, Commander
8 Pontecore -- and you're the Chief of Patrol.
9 Commander Pontecore of the 8th District was
10 transferred to the 17th District on the same rank
11 level as commander, even though he has an open CR
12 against him. He personally ordered that case
13 report scrubbed from the error system. Here is the
14 original screen shots that I took before I
15 submitted it.

16 If that was a policeman that did it, you
17 guys would make sure that he was stripped
18 immediately at the very least. And that I know,
19 because you know what? You guys tried to silence
20 me by shelving my police powers pending a fitness
21 for duty evaluation. I'm not going to be silent.

22 So explain to me how is it a police
23 commander can do something that egregious and not
24 face any repercussions immediately pending even the

1 outcome of an investigation.

2 CHIEF WALLER: We can talk after off line about
3 that. I'm not familiar with the case. So we can
4 talk off line about it, then follow-up on it later.

5 MR. CATANZARA: Everything is off line. I
6 prefer it on line. Because the problem with this
7 department, you guys sit here and preach
8 accountability, you preach the whole consent decree
9 nonsense, but the consent decree and accountability
10 never travels in this building to anybody in a
11 white shirt and never to the second floor of any
12 police district in this city. Never.

13 CHIEF WALLER: Did I not talk to you out in the
14 parking lot?

15 MR. CATANZARA: Yes, and you were --

16 CHIEF WALLER: Did I not know who you were when
17 I spoke to you? So don't speak to me -- don't
18 disrespect --

19 MR. CATANZARA: But what would be resolved?

20 CHIEF WALLER: Don't disrespect, don't
21 disrespect me like that.

22 MR. CATANZARA: But I brought it to your
23 attention --

24 CHIEF WALLER: And I brought it to you --

1 MR. CATANZARA: But what --

2 CHIEF WALLER: -- and then in the parking lot
3 and I didn't know who you were. I had no idea who
4 you were.

5 MR. CATANZARA: So per general order, when
6 you're presented with an allegation of wrong doing,
7 you're supposed to do something about it. So our
8 conversation in the parking lot when I brought up
9 to you about Pontecore, what did you do about it?

10 CHIEF WALLER: What did you tell me? You told
11 me that --

12 MR. CATANZARA: I told you that he ordered the
13 sergeant on the second watch to scrub the police
14 report from the system.

15 CHIEF WALLER: Isn't that just a process that
16 doesn't just involve me speaking to you haphazardly
17 in the parking lot? Isn't there a process for
18 that? And you seem very versed in that so you know
19 what that process is. Don't come here and try to
20 grandstand with this. You know if --

21 MR. CATANZARA: It's not grandstanding.

22 CHIEF WALLER: Follow the process and I will
23 have someone speak to you afterwards.

24 MR. CATANZARA: Nothing was done. That's the

1 point. This man is still making command decisions.

2 PRESIDENT FOREMAN: Mr. Catanzara, thank you.

3 Next speaker, Robert More.

4 MR. MORE: It is December 13, 2018. Robert G.
5 More speaking on behalf of the St. Michael the
6 Archangel executive committee.

7 For the record, Robert G. More has
8 attempted to attend every single meeting this year
9 but has missed a number of them, but has come down
10 here every single -- once a month.

11 All these disclaimers and postulations of
12 setting heading into the or eight months away from
13 first Republican primary debate and 25 months away
14 from the next scheduled inauguration are
15 incorporated from prior setting establishments. So
16 I can try to get into the issues.

17 Lamentably, the Superintendent is not
18 present. What is the basis, Assistant
19 Superintendent Waller, of the absence of the
20 Superintendent from this meeting?

21 CHIEF WALLER: He has another commitment that
22 he could not miss.

23 MR. MORE: And what exactly is that
24 commitment?

1 CHIEF WALLER: I cannot disclose that to you.

2 MR. MORE: And I understand that's got to be
3 addressed in the foyer or some other means.

4 The next issue is the blaming of the
5 spencer (phonetic) murders, it makes no sense to me
6 to interrogate other than the chief policy maker,
7 so that issue is entered and continued. All of the
8 issues that I don't get -- some of the issues,
9 hopefully, that I don't get raised in this 120
10 second, which is rapidly expiring, will be posted
11 at the website jr21-15protctr@tripod.com, because
12 there is just a laundry list here of really
13 important issues.

14 What was at the front burner was a tent
15 and a number of positions valued over \$700 I
16 estimated of mine that was destroyed on the 28th
17 of -- or 29th, rather, of the September of 2018.
18 And that relates to a bounty which has been
19 established in terms of a wrongful
20 death/murder/plot to murder project against all
21 people similarly to Robert G. More, similarly
22 situated people. And the second project is
23 specific to Robert G. More.

24 And the question I have to the Assistant

1 Superintendent, can the City Chicago of Police
2 Department members collect bounties in regard to
3 this matter? And I'll show you one aspect of the
4 relevance of that.

5 These fires out in Northern California
6 are obviously directed energy weapon fires. And
7 they're obviously connected to the Rothschilds.

8 PRESIDENT FOREMAN: Mr. More, can you wrap it
9 up, please.

10 MR. MORE: Can I just finish the last point?
11 Because I have about ten more issues.

12 PRESIDENT FOREMAN: I know you do.

13 MR. MORE: Can I just have another two seconds?

14 PRESIDENT FOREMAN: Okay.

15 MR. MORE: Okay, go. The question is can the
16 City of Chicago police officer members collect a
17 bounty? Because if it was the Rothschilds that
18 connect these fires out in Northern California, the
19 estate of the victims is gigantic compared if it's
20 some other cause of the fire.

21 So next time at the meeting, whoever is
22 sitting here, I'm going to enter and continue to
23 try to answer that question.

24 Thank you, Mr. Foreman, for giving me

1 that extra little bit of time.

2 PRESIDENT FOREMAN: Thank you.

3 At this time all those persons who signed
4 up in advance to speak have been recognized. Is
5 there a motion to adjourn?

6 MS. SISTER: I signed up to speak,
7 Mr. President. I signed up to speak,
8 Mr. President, and you know that process --

9 PRESIDENT FOREMAN: well, okay.

10 MS. SISTER: -- should be.

11 PRESIDENT FOREMAN: well, we don't have you
12 signed up, but I'll allow you to speak.

13 MS. SISTER: well, I left a message. Because I
14 was out there doing CPD's job.

15 PRESIDENT FOREMAN: I'll allow you to speak.

16 MS. SISTER: And today is Thursday, it's the
17 new Friday, you all. 'Tis the season, ho, ho, ho.

18 PRESIDENT FOREMAN: Come on.

19 MS. SISTER: It's prime time. I just want to
20 make known that I did get the letter back from CPD
21 showing that several people called when I called
22 the police over at CHA, and we still cannot find
23 that generated complaint. And I have a problem
24 with that.

1 The other issue is we had several
2 individuals go out, Chief Waller, to the stations.
3 Last month I come and I bring in 25 bags of
4 whistles to be distributed to the districts because
5 I didn't bring them all the month before when I
6 give them to you. And when we sent individuals in
7 for the whistles at the station, they are not
8 there.

9 Now, you all are not contributing a dime
10 to this safety process. You all got a \$2 billion
11 budget. And nobody can tell me what's going on
12 with the money. We don't get no money, you know.
13 I'm on a wing and a prayer for real. I think we
14 need a forensic audit. Especially when we got
15 budgets coming out and there is nothing allocated
16 for anti-violence prevention. I think something is
17 wrong. I need to be compensated.

18 And more than that, my rep speaks for me.
19 I need a letter of recommendation from each of you.
20 Especially you, Zopp, okay, and Mr. President. And
21 Paula Wolff, you know. I don't have to come by to
22 see you because I do what needs to be done. Half
23 the things I do we don't even talk about, but it
24 takes funds. So maybe I got it, you know, a letter

1 saying we need somebody else in charge. Maybe we
2 can fairly allocate this money to meet the needs of
3 the people.

4 Because I don't see you all out here
5 plugging this for black blood flowing through the
6 urban streets of Chicago into my village. This is
7 ho-ho-ho season, you know, and it's desperate out
8 here. And they are coming at the elders as well as
9 each other.

10 PRESIDENT FOREMAN: Thank you.

11 MS. SISTER: My elders are being targeted.

12 PRESIDENT FOREMAN: Thank you.

13 MS. SISTER: They're not safe going from their
14 garage into the back doors of their homes. And
15 then they're holding them hostage in their house.

16 PRESIDENT FOREMAN: Queen Sister, thank you.

17 MS. SISTER: And they don't call the police.
18 They don't call the police. They call me.

19 PRESIDENT FOREMAN: At this time all those
20 persons who signed up in advance to speak have been
21 recognized.

22 Is there a motion to adjourn?

23 TRUSTEE WOLFF: So moved.

24 TRUSTEE DELGADO: Second.
