MEMORANDUM

Date: August 9, 2006

To: Barbara A. Lumpkin
Chief Procurement Officer, Department of Procurement Services

From: John E. Knight
Commissioner, Department of Buildings

Re: Request for Emergency Authorization

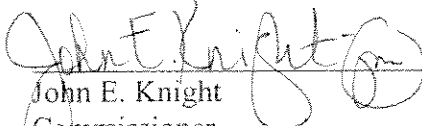

The Department of Buildings requires the services of a wrecking contractor to demolish a building at 4955 W. Hubbard St. The demolition is necessary as the foundation supporting the building has been compromised and the building is in danger of collapse. Accordingly, the Department of Buildings is requesting authorization for this purchase in the amount of \$5,900.00

Attached please find the price quotations that we obtained. We are recommending McDonagh Demolition, Inc. as they are the lowest responsible bidder.

Please contact Thomas J. Condon, Jr., at 744-0228 if you have any questions.

I certify that this emergency poses a clear and imminent danger, requiring immediate procurement of services, supplies or equipment to prevent or mitigate the loss or impairment of life, health, property, or essential public services and would not have been avoided by due care and diligence.

Thank you for your assistance.
