Re: Emergency Temco Radio Headsets

Vendor Number: 51631022 Amount: \$73,225.00
PO Number: 17730 RX Number: 38409

Pursuant to Section 2-92-644 of the Municipal Purchasing Act, I am authorizing you to make an Emergency Contract for Temco Radio Headsets from GOYA Communications. Based upon information received from members of your staff, I have determined that this procurement is necessary to meet bona fide operating emergency.

You are hereby authorized to purchase Temco Radio Headsets in the amount of \$73,225.00 as requested in your letter dated June 25, 2008. Any amount in excess of the \$73,225.00 approved here will be subject to additional authorization and will be limited so as not to exceed the \$250,000.00 limit established by statute.

**ATTN: JUDY D. MARTINEZ,
FIRST DEPUTY PROCUREMENT OFFICER**

**SUBJECT: REQUISITION NUMBER 38409
OPERATIONAL EMERGENCY REQUEST FOR
TEMCO HEADSETS**

The Chicago Police Department is requesting an operational emergency for Temco Headsets. CPD's S.W.A.T. team is without head set communications due to the fact that the present head sets cannot be repaired. This puts S.W.A.T member's safety at an extremely high risk. These head sets are used in several sensitive situations that involve bomb threats and possible hostage crises. Without consistent communication between members of S.W.A.T. during these situations, they will be put into harms way that could result in a life or death situation for both department members and civilians. Immediate action is necessary.

The City of Chicago currently does not have a contract for the requested equipment. The required headsets are specialized headsets that are hands-free and able to fit over the department's gas masks when they are deployed. The current vendor Motorola for radios and accessories cannot provide comparable equipment. CPD has identified a vendor, GOYA Communications that can provide the necessary model of headsets, which are manufactured by Temco. The manufacturer of this device limits the sale of their equipment to their authorized dealers, so proposals from MBE/WBE firms could not occur.

The vendor will provide 100 BM8-TJ Interface Temco Tactical Bone Conduction Headset, with Bone Mic for a total price of \$73,225.00. This purchase will also be funded through USAI (please see attached USAI grant) funding to replace the head sets.

Your attention to this matter is greatly appreciated.

Sincerely,

Marvin J. Shear
