UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed projects please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5.

(Attach to the MOA)

1. Please describe the major features of the project:

See Attached Memo Authorization Letter.

2. Please explain why this project could not be bid using the City's traditional bid process and the need to use the JOC procurement system:

This work must be completed immediately in order to secure the safety of the Jardine Water Purification Plant facilities and it's occupants.

3. If this project is a one trade project, please provide additional explanation of why it would be in the City's best interest to do the project under JOC:

N/A

4. If it is anticipated that over 25% of the project will be non-prepriced, please provide an explanation on why JOC should be used:

N/A

5. If some elements of the proposed JOC project scope of work are covered by City Term Agreements, these elements should be removed from the JOC project scope of work. If it is not desirable to do so, please explain:

The entire workscope requirements for this JOC project will be eventually be included as part of a security system maintenance and repair term agreement that is currently being developed and processed for release. However since the proposed term agreement is not yet in place for our use, we must used the JOC contract to complete these particular emergency repairs.
