**Utilizing JOC For City Construction Projects**

New VMF  
5201 S Western Blvd

Project No: OVC-09-038.B

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

**1. Please describe the major features of this project.**

Provide a complete door access and security system that gives Fleet the ability to track staff and visitors thru building by times, days, doors, groups and individuals.

Final install and programing of cameras and door access

**2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.**

There are very specific specs that must be followed to insure this systems is capatable with current systems. This is important so staff does not need to carry multiple cards for different locations. This building is also being done thru Traditional Bid and scheduling this work with the current contractor is of the utmost importance as not cause delays and change orders.

**3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.**

Electricians, Laborers and Carpenters

**4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.**

All items conatined in the CTC

**5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.**
