Re: Memorandums of Authorization (MOA) for the UST Removal
Projects

Dear Mr. Gayles:

A Contract was recently awarded by DPS to be used primarily for the City's work associated with the Illinois Environmental Protection Agency's Site Remediation Program and Underground Storage Tank (UST) Removal Program. All UST projects under this program are similar in scope; therefore, submitting an MOA for each individual UST project under the program is redundant.

We therefore request that this one MOA be sufficient for all UST Removal projects completed under the DOE JOC Program. We propose that, for each project, this MOA will be included in the Sub Order Release Package sent to DPS. MOAs and Attachment A's will continue to be submitted for approval for any projects involving site remediation where the removal of USTs does not make up the majority of the scope.

If you concur with our recommendation, please sign below and return.

Sincerely,

Suzanne Malec-McKenna
Commissioner
