Welcome to the Department of Procurement Services

Overview of eProcurement

eProcurement is an enhancement to the City's procurement and financial system that applies digital technology to the acquisition of goods and services.

The portal for vendors, iSupplier, will be a full service resource for vendors and those interested in doing business with the City of Chicago.

NOTE: We have completed the phase in process of most contract types with only two remaining. The expectation for the remaining two is by Summer 2018 (Vehicles & Heavy Equipment & Work Services)

Overview of iSupplier

- The City of Chicago has implemented the “iSupplier” Portal Online eProcurement System for all purchasing activities.
- As a Vendor registered in the iSupplier Portal you will be able to:
 - View and Respond to Bids / Solicitations online
 - View Orders, Payments, Invoices
 - Update Your Company Information – contacts, address, phone, email
- To assist vendors with the transition to online bidding, the City has developed and eProcurement microsite that includes information about the entire eProcurement process.

First Time Vendor Registration

Log in and registration:

- Existing Vendors will request an iSupplier invitation.
- New Vendors who have never previously registered with the City of Chicago will click on the New Vendor Registration button.

What is needed?

- Federal Employer Identification Number (FEIN)
- IRS W9 for registration & confirmation of vendor business information.

iSupplier Portal / Microsite /Security

www.cityofchicago.org/eprocurement

- Your information is secure, the City takes security seriously and ensures all information is encrypted.
- The City uses the **https**: protocol for secure communication. We use the same security that is used for banking log-ins.
- Bids are not visible to employees or other vendors prior to Bid Opening. Your Bid is secure.

Vendor Registration

There are TWO separate processes for registration as a vendor in the City's iSupplier Portal. It is important that your firm determines which process you should follow and that you read all the instructions below.

Existing City of Chicago Vendors

If your business has previously registered with the City, had a contract (excluding subcontracts) or received a payment from the City, your firm should follow the process directly below. The following are **NOT** included in this group:

- Vendors who have only had contracts with Sister Agencies, as opposed to with the City of Chicago. Contracts with the following Sister Agencies would not qualify for previous registration with the City of Chicago:
 - Chicago City Colleges
 - Chicago Housing Authority
 - Chicago Park District
 - Chicago Public Schools
 - Chicago Transit Authority
 - Metropolitan Pier & Exposition Authority (MPEA)
 - Public Building Commission
- Vendors who have done business only with Cook County, but not with the City.

In order to register your business in the City of Chicago iSupplier Portal, you will need to send an email to eProcSupport@cityofchicago.org with the subject "**Request an iSupplier Invitation**", or click on the button below. Within two business days, you will receive an e-mail invitation from the City that provides a link to the iSupplier website and instructions for filling out and submitting your registration.

REQUEST ISUPPLIER INVITATION

How to register after receiving registration invitation

Click here to get further instructions on how to complete registration

New Vendors with the City of Chicago

Vendors who have never previously registered with the City of Chicago, never received a payment from the City of Chicago or never had a contract with the City of Chicago should follow this process. Click the New Vendor Registration button below; it will take you to the registration page in the iSupplier Portal where you can complete the process.

*If during registration you receive an error message stating that a supplier with the same name or the same FEIN number already exists, your business already has a City vendor number and you should follow the above "**Registration for Existing City of Chicago Vendors**" process.*

Non-eProcurement Bid and Solicitation Opportunities

Non-eProcurement opportunities are current competitively bid, RFP, RFQ, RFI and Small Order bids and addenda that cannot be responded to using iSupplier, but available for downloading. Some documents listed on the Website are not available for downloading due to size restrictions. All non-eProcurement documents are available in the Bid and Bond Room at 121 N. LaSalle St, Room 103, Chicago, IL.

**** For companies who are NOT registered in iSupplier and wish to download and review bid solicitations:**

- 1) We encourage you to register in iSupplier (link to vendor registration page <https://www.cityofchicago.org/city/en/depts/dps/isupplier/vendor-registration.html>); Viewing or downloading the solicitation after logging into iSupplier will add you to the Specification Take-Out List. NOTE: Viewing the solicitation without logging in does not register you as a bid document holder!
- 2) If you are not registered and are viewing or downloading a specification/solicitation online, in order to register as bid document holder and receive notice of clarifications and addenda, you must provide your company's contact information to us via email or fax. You may email the information on your business card to us (your name, business name, business address, business phone, and email address) at bidandbond@cityofchicago.org or fax your business card to 312-744-5611 in order to be added to the Specification Take-Out List. Please include the specification/solicitation number.

Announcements

Introduction to eProcurement Vendor Workshops:

****2018 eProcurement Vendor Workshops are listed below. ****

DPS is continuing on the next phase of start-to-finish purchasing modernization via the implementation of a comprehensive eProcurement system. eProcurement applies digital technology to the acquisition of goods and services. It will allow DPS to collaborate with City Departments to create solicitations and contracts online reducing the time it takes to complete procurements. We invite you to attend a demonstration to learn about iSupplier registration, how vendors will submit bids, proposals, how to view contracts and payments online all via the eProcurement process.

To Register for upcoming Workshops & Events: www.cityofchicago.org/dpsevents

MAY 17 • JUN. 21 • JUL. 19 • AUG. 16 • SEPT. 20 • OCT. 18 • NOV. 15

Workshop Time: 2:00 PM – 3:00 PM | 121 N. LaSalle, 11th Floor, Room 1103

DPS is transitioning from paper bids to eProcurement online bids. Upon completion of the transition, all bids will be advertised through eProcurement. During this transition, you **MUST** check both the eProcurement and paper bid opportunities section below for a complete list of bid opportunities.

eProcurement Bid Opportunities

These solicitations require an online response, are available only online, and not available for pick up in our Bid and Bond Room. Suppliers/Vendors who would like to respond to an eProcurement solicitation/bid opportunity must be registered with the City of Chicago, please visit the eProcurement [Registration Page](#). Notifications of addenda are automatically sent to respondents to eProcurement Solicitations.

You may view and respond to eProcurement solicitations at the [eProcurement Bid Opportunities Page](#).

Paper Bid Opportunities
