Subject: 04/05/2022 Dinner Meeting

Hi Richard,

I'm not sure if I needed to do this but I figured it couldn't hurt. 😊

Last night, April 5, 2022, I attended a dinner meeting with Oliver Simek who represents Absolute Software.

I attended the meeting in my official capacity as the Assistant Director of Information Systems for the Department of Aviation.

I arrived at the Gage restaurant at 6pm and departed at 10pm.

The meeting was casual and not a sales pitch as we are currently using, in a diminished capacity, the Absolute software. I am interested in expanding the use of this software at the Department of Aviation but that has nothing to do with Mr. Simek.

I was driven and picked up from the restaurant by a family member to avoid any parking or travel costs. I also made sure to pay my own way for the bar tab and the dinner tab. Attached are my receipts for both of these.

Let me know if I need to supply any additional information

Thank you and have a great evening,

Matthew Babich
