Subject: Re: Ethics Approval

Good Morning Mr. Berlin,

Per your request, this email is to verify that I completed approved travel for city business and no compensation or gifts were offered nor received outside of reasonable travel expenses, like air and/or ground transportation, food, and lodging per city ethics guidelines.

My travel was to Minneapolis, Mn in my official capacity as Department Historian from 20 JUL 2021 through 21 JUL 2021. Airfare, Transportation, Lodging and Meals were paid for by Commitee Films.

Sincerely,

Sergeant Michael Chuchro #877
Department Historian
