Re: 15th Ward Snowblower

Dear Alderman Lopez:

Enclosed, please find two checks for \$250 each payable to the City of Chicago with the notation that they are for the 15th ward. As I mentioned in email, both my partner Ed Reda and I hope we can help to restore the snowblower stolen from your office. We have long admired your hard and honest work. Thank you for serving the City of Chicago.

Best regards,

Richard Magnone
