Hi Steve,

I recently completed a year of STEAM learning and facilitation with the Public Library Innovation Exchange (PLIX), funded by the Institute of Museum and Library Services.

In order to participate in the distance programming, the Chicago Public Library received the following items:

- Owl Meeting Pro
- Flashforge Finder 3D Printer
- Cricut Maker, electronic cutter
- Lume Cube Bicolor LED Light
- Lume Cube Panel GO
- OKIOLABS T Plus Camera for 11" x 17" documents
- OKIOLABS S Camera
- ViewSonic M1 Mini+ Ultra Portable LED Projector
- Green screen
- Logitech Web Camera
- Blue Yeti Microphone
- JOBY Gorillapod Tripod
- Sabrent 4-port USB Hub

Thank you!,

Sasha Neri (she/her) | Librarian
