Hello Sir,

I apologize for my delay in email. I did my presentation for IACP and have made it home (although because of weather, my original flight was cancelled!) I paid for the ground transportation to and from the airport.

I flew into/out of Reagan Airport and I did a presentation for IACP (we hosted the last conference in person in 2019 and I had to do an after action presentation for IACP as well as for Dallas and San Diego PD). The presentation was at their headquarters.

Thanks, hope you are well!

Jill
