**Subject:** Donation from Medline Corporation of Wipes

Hello,

Medline Corporation is donating a large number of antibacterial wipes to the City. There are 9,000 cartons with a value of \$50.00 per carton which totals \$450,000. We did not ask for this donation. I am accepting it on behalf of the City. Please let me know if you need any more details.

Thanks,

Sandra Blakemore | Acting Commissioner  
City of Chicago | Department of Assets, Information, and Services
