Good Morning,

This memorandum is a follow-up to my approved travel to the GMI Corporate Reform Pension Conference that I attended in San Diego, CA. from 02 September through 05 September, 2014.

The common day-to-day soft drinks, snacks etc. were provided during break time as well as a traditional continental breakfast and dinner each day.

However, my wife accompanied me. Her air fare and any and all meals were paid for by me and/or her. All receipts were kept if a confirmation is requested.

Absolutely no other items, gifts, cash or anything that would reflect a personal gain were accepted nor were offered.

On a side note, I am scheduled to attend two other conferences later this year. I will provide all details at the appropriate time.

Sincerely,

Officer Michael K. Lappe # 17293
