Subject: Committee Follow Up

Hello,

Pursuant to our conversation at Committee on March 9th, I am providing a written notice to confirm that I abstained at Committee on Matter O2020-1805. Please note in the upcoming City Council meeting on March 18th I will also be abstaining. At committee, the presenter mentioned that Ryan Companies is involved with the above matter. Ryan Companies is also a client of Burke, Warren, McKay, and Seritella and I am Of Counsel at that firm. Therefore, pursuant to the municipal code I am abstaining from this matter.

Thank you,
Patrick D. Thompson
