**Ref ID:** 88-01 African American Contractors

---

The information below is in response to questions posed at our department's hearing on October 9, 2015 to discuss the proposed 2016 budget.

Alderman David Moore asked for the following:  
Of the \$565M in MBE/WBE how many African American Firms submitted bids, how many were rejected and why?

Response: In the City's bidding process vendors are not required to self-identify their category of race. Therefore, we would not be able to tell what race any unsuccessful bidders were. We can tell you that out 48 contracts that the Department awarded this year, 3 of them are MBE/African-American awards with a combined contract value at \$13 million.

As always, please let me know if you have any further questions.

**MEMORANDUM**

**To:** The Honorable Carrie M. Austin  
Chairman, Committee on the Budget and Government Operations

**From:** Thomas H. Powers, P.E.  
Commissioner  
Department of Water Management

**CC:** Samantha Fields  
Mayor's Office of Legislative Counsel and Government Affairs

**Date:** October 13, 2015

**Re:** Request for Information from Annual Appropriation Committee Hearing

**Ref ID:** 88-06 Machinery and Equipment

---

The information below is in response to questions posed at our department's hearing on October 9, 2015 to discuss the proposed 2016 budget.

Alderman David Moore asked for the following:  
Machinery and Equipment Account 0440 (P. 286 Fund 200- Commissioner's Office), please provide expenditures for 2014, as the listed figure of \$2,430 seems low.

Response: The expenditure listed for 2014 in the 0440 account in the Commissioner's office was for the purchase of high visibility protective clothing from Silk Screen Express, Inc. for our Safety and Security Bureau. The contract was brand new in July 2014 which explains the small amount of money spent. So far this year in 2015, in this bureau, in this same account we have spent \$32,500.

As always, please let me know if you have any further questions.
