12. Strengthen the parkway characteristics of Lake Shore Drive and prohibit and roadway of expressway standards.
13. Ensure that all port, water supply, and public facilities are designed to enhance lakefront character.
14. Coordinate all public and private development within the water, park, and community zones.

PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL

II Thirteen Purposes

1. To promote and protect the health, safety, comfort, convenience, and the general welfare

of the people, and to conserve our natural resources;

2. To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated;
3. To maintain and improve the purity and quality of the waters of Lake Michigan;
4. To insure that construction in the Lake or modification of the existing shoreline shall not be permitted if such construction or modification would cause environmental or ecological damage to the Lake or would diminish water quality; and to insure that the life patterns of fish, migratory birds and other fauna are recognized and supported;
5. To insure that the Lakefront Parks and the Lake itself are devoted only to public purposes and to insure the integrity of and expand the quantity and quality of the Lakefront Parks;
6. To promote and provide for continuous pedestrian movement along the shoreline;
7. To promote and provide for pedestrian access to the Lake and Lakefront Parks from and through areas adjacent thereto at regular intervals of one-fourth mile and additional places wherever possible, and to protect and enhance vistas at these locations and wherever else possible;
8. To promote and provide for improved public transportation access to the Lakefront;
9. To insure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the Lakefront Parks;
10. To insure that development of properties adjacent to the Lake or the Lakefront Parks is so defined as to implement the above-stated purposes, provided, however, that with respect to property located within the Private Use Zone as established by Article V, VI, and IX of this Ordinance, the permitted use, special use, lot area per dwelling unit, and floor area ratio provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, shall govern except where such provisions are in substantial conflict with the purposes of this Ordinance or the Fourteen Basic Policies of the Lakefront Plan of Chicago;
11. To achieve the above-stated purposes, the appropriate public agency should acquire such properties or rights as may be necessary and desirable;
12. To define and limit the powers and duties of the administrative body and officers as provided herein;
13. Nothing contained in the Lake Michigan and Chicago Lakefront Protection Ordinance shall be deemed to be a waiver or consent, license or permit to use any property or to locate, construct or maintain any building, structure or facility or to carry on any trade, industry, occupation or activity which may be otherwise required by law.

**1534 E. 66<sup>th</sup> Place**

**I. Fourteen Basic Policies**

1. Complete the publicly owned and locally controlled park system along the entire lakefront.

**RESPONSE:** This project is approximately one thousand feet west of the lakeshore park and will provide nearby housing for families to enjoy and utilize the park's many facilities.

2. Maintain and enhance the landscaped, spacious, and continuous character of the lakeshore parks.

**RESPONSE:** This development's landscape plan will extend and continue the lakeshore park's verdant character into the nearby neighborhood.

3. Continue to improve the water quality and ecological balance of Lake Michigan.

**RESPONSE:** This project is too small to have any significant impact on the water quality or ecological balance of Lake Michigan.

4. Preserve the cultural, historical, and recreational heritage of the lakeshore parks.

**RESPONSE:** The families who will inhabit the residence created by this development will add to and participate in the lakeshore park's cultural, historical, and recreational heritage.

5. Maintain and improve the formal character and open water vista of Grant Park with no new above-ground structures permitted.

**RESPONSE:** This development is close to Jackson Park and 67th Street Beach but will have no effect on the vistas of Grant Park.

6. Increase the diversity of recreational opportunities while emphasizing lake-oriented leisure activities.

**RESPONSE:** Because of their proximity, the families from this facility will naturally be drawn to taking advantage of the recreational opportunities provided by the lake-oriented leisure time activities.

7. Protect and develop natural lakeshore park and water areas for wildlife habitation.

**RESPONSE:** The nearby lakeshore park does help protect and develop park and water areas for wildlife habitation but because of its small size, this development should neither help nor hurt that habitation.

8. Increase personal safety.

**RESPONSE:** Because it will put additional eyes on the ground, this development will incrementally increase public safety.

9. Design all lake edge and lake construction to prevent detrimental shoreline erosion.

**RESPONSE:** This development will have no effect on the design of the lake edge construction.

10. Ensure a harmonious relationship between the lakeshore parks and community edges but in no instance allow private development east of Lake Shore Drive.

**RESPONSE:** This development will be west of Lake Shore Drive and will enhance the harmonious relationship between the community at the edge of the lakeshore parks by increasing the community population and the diverse use of the parks by people of all ages.

11. Improve access to lakeshore parks and reduce vehicular traffic on secondary park roads.

**RESPONSE:** This development should help reduce vehicular traffic in the lakeshore parks because its residents will have on-site parking and be walking distance to the parks.

12. Strengthen the parkway characteristics of Lake Shore Drive.

**RESPONSE:** The development should have no effect on any of the characteristics of Lake Shore Drive.

13. Ensure all port, water supply, and public facilities are designed to enhance lakefront character.

**RESPONSE:** Since this is a small, private development it will have no effect on the design of port, water supply or public facilities.

14. Coordinate all public and private development within the water, park, and community zones.

**RESPONSE:** By participating in this lakefront protection process, this development is helping to coordinate public and private development in one of the community zones near the water and parks.

## II. Thirteen Purposes

1. To promote and protect the health, safety, comfort, convenience, and the general welfare of the people, and to conserve our natural resources.

**RESPONSE:** The families who become residents of this development will add to the safety and general welfare by adding eyes on the ground in and around the lakeshore parks and their proximity will create a comfortable and convenient place for them to enjoy the natural resources of the park and lake.

2. To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated.

**RESPONSE:** This development is at the western edge of a designated portion of the Chicago Lakefront Protection District and will comply with the restrictions and regulations of the District.

3. To maintain and improve the purity and quality of the waters of Lake Michigan.

**RESPONSE:** This development will comply with all ordinances and regulations of the City of Chicago but is too small to directly affect the purity and quality of the waters of Lake Michigan.

4. To insure that construction in the lake or modification of the existing shoreline shall not be permitted if such construction or modification would cause environmental or ecological damage to the Lake or would diminish water quality; and to insure that the life patterns of fish, migratory birds and other fauna are recognized and supported.

**RESPONSE:** This development is located at the outer western edge of the District and should have no effect on the environmental or ecological well-being of the Lake, its water quality or its fish or wildlife.

5. To insure that the Lakefront Parks and the Lake itself are devoted only to public purposes and to insure the integrity of and expand the quantity and quality of the Lakefront Parks.

**RESPONSE:** The residents of this development will benefit from their proximity to the public purposes and quality of the nearby Lakefront Parks.

6. To promote and provide for continuous pedestrian movement along the shoreline.

**RESPONSE:** The residents of this development will become some of the pedestrians who will use the established continuous accessible pathways along the Lakefront.

7. To promote and provide for pedestrian access to the Lake and Lakefront Parks from and through areas adjacent thereto at regular intervals of one-fourth mile and additional places wherever possible, and to protect and enhance vistas at these locations and wherever possible.

**RESPONSE:** The residents of this development will become some of the pedestrians who will need and demand access to the nearby Lake and Lakefront Parks.

8. To promote and provide for improved public transportation access to the lakefront.

**RESPONSE:** The residents of this development will have the luxury of being within walking distance to the lakeshore parks which will free up space on existing public transportation to allow others from further away access to the amenities of the Lakefront Parks.

9. To insure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the lakefront parks.

**RESPONSE:** This development will have no effect on any expressway standards involving the Lakefront Parks.

10. To insure that development of properties adjacent to the lake or the lakefront parks is so defined as to implement the above-stated purposes, provided, however, that with respect to property located within the Private Use Zone as established by Article V, VI, and IX of this Ordinance, the permitted use, special use, lot area per dwelling unit and floor area ratio provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, shall govern except where such provisions are in substantial conflict with the purposes of this Ordinance of the Fourteen Basic Policies of the Lakefront Plan of Chicago.

**RESPONSE:** This development will be compliant with all ordinances of the City of Chicago.

11. To achieve the above-stated purposes, the appropriate public agency should acquire such properties or rights as may be necessary and desirable.

**RESPONSE:** This development will have no effect on any public agency's ability to acquire properties or rights except insofar as it contributes to the base of such an agency.

12. To define and limit the powers and duties of the administrative body and officers as provided herein.

**RESPONSE:** This development cannot define nor limit the powers or duties of any administrative body or its officers.

13. Nothing contained in the Lake Michigan and Chicago Lakefront Protection Ordinance shall be deemed to be a waiver or consent, license or permit to use any property or to locate, construct or maintain any building, structure or facility or to carry on any trade, industry, occupation or activity which may be otherwise required by law.

**RESPONSE:** This development will comply with all applicable laws.

If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded, void or voidable), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other transactions with the City. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

E. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided on this EDS and any attachments to this EDS may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

F. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires.

The Disclosing Party represents and warrants that:

G. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information, data or plan as to the intended use or purpose for which the Applicant seeks City Council or other City agency action.

For purposes of the certifications in H.1. and H.2. below, the term "affiliate" means any person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity. Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members; shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with the federal government or a state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity.

H.1. The Disclosing Party is not delinquent in the payment of any tax administered by the Illinois Department of Revenue, nor are the Disclosing Party or its affiliates delinquent in paying any fine, fee, tax or other charge owed to the City. This includes, but is not limited to, all water charges, sewer charges, license fees, parking tickets, property taxes or sales taxes.

H.2. If the Disclosing Party is the Applicant, the Disclosing Party and its affiliates will not use, nor permit their subcontractors to use, any facility on the U.S. EPA's List of Violating Facilities in connection with the Matter for the duration of time that such facility remains on the list.

H.3 If the Disclosing Party is the Applicant, the Disclosing Party will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in H.1. and H.2. above and will not, without the prior written consent of the City, use any such contractor/subcontractor that does not provide such certifications or that the Disclosing Party has reason to believe has not provided or cannot provide truthful certifications.

NOTE: If the Disclosing Party cannot certify as to any of the items in H.1., H.2. or H.3. above, an explanatory statement must be attached to this EDS.

**CERTIFICATION**

Under penalty of perjury, the person signing below: (1) warrants that he/she is authorized to execute this EDS on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS are true, accurate and complete as of the date furnished to the City.
