

PUBLIC NOTICE IS HEREBY GIVEN THAT a public hearing is scheduled before the Chicago Plan Commission on Thursday, the nineteenth (19th) day of August 2021, at **10:00 AM**. This meeting will take place at City Hall, 121 N. LaSalle St., Chicago, Illinois, Room TBD. In the event that a gubernatorial disaster declaration is in effect on August 19, 2021, finding that an in-person meeting is not feasible, attendance at this meeting will not have a physical location and will be by remote means only. If the meeting will be by remote means only, instructions for how to access the meeting, provide written comment and participate in public testimony will be provided on the Chicago Plan Commission website: [<http://www.chicago.gov/cpc>]. The meeting will be held on the following proposed applications and/or amendments.

A resolution recommending a proposed amendment to the Near North Tax Increment Financing Redevelopment Project Area in the area, generally bounded by North Avenue to the north, Chicago Avenue on the south, Wells Street to the east, and the North Branch Chicago River to the west (21-025-21; 2<sup>nd</sup> & 27<sup>th</sup> Ward).

A resolution recommending a proposed ordinance authorizing a disposition of city owned land, generally located at 6411 South Cicero Avenue to GW Properties (21-026-21; 13<sup>th</sup> Ward).

A resolution recommending a proposed ordinance authorizing a disposition of city owned land, generally located at 1433-1443 East 77<sup>th</sup> Street, and 7700-7708 South Blackstone to Regal Mile Ventures LLC. (21-027-21; 5<sup>th</sup> Ward).

A resolution recommending a proposed ordinance authorizing a disposition of city owned land, generally located at 3346 and 3348 West Carroll Avenue to Breakthrough Urban Ministries (21-028-21; 28<sup>th</sup> Ward).

A proposed technical amendment to Institutional Planned Development #17 submitted by the Applicant, N. Paulina Street Properties, LLC, for the property generally located at 1601-1717 West Winnemac Avenue; 1614-1640 West Winnemac Avenue; 4900-5028 North Ashland Avenue; 1600-1614 West Ainslie Street; 5001-5029 North Paulina Street; 4916-5028 North Paulina Street; and 4901-4909 and 4917 North Paulina Street. The amendment to PD 17 would amend the boundary to incorporate adjacent parcels containing accessory parking and open space serving the hospital, health care, senior living, and other permitted uses; and to remove parcels not used in connection with such permitted uses from the boundary. No other changes to the planned development are proposed. (47<sup>th</sup> Ward)

A proposed Lake Michigan and Chicago Lakefront Protection Ordinance application, submitted by City of Chicago Department of Transportation, for the property generally bounded by Montrose Ave, Simonds Dr, and Wilson Dr. in Lincoln Park. The property is zoned POS-1 and is within the Public-Use Zone of the Lake Michigan and Chicago Lakefront Protection District. The applicant is proposing to reconstruct and rehabilitate four bridge structures located in the Montrose Harbor Area. Two of the structures are along Simonds Drive, one is on Wilson Avenue and the other on Montrose Drive. (LF #760 46<sup>th</sup> Ward)

A proposed amendment to Business Planned Development 617, submitted by Six Corners Real Estate Devt., LLC, for the property generally located at 4712-4738 W Irving Park Road. The Applicant proposes to amend Business Planned Development 617 to create three subareas within the preexisting planned development boundaries with an underlying B3-3 (Community Shopping District) zoning classification. The B3-3 zoning will allow for expanded uses, including residential dwelling units, across the site. Proposed physical improvements to the former Sears department store building include additions of habitable floor area and outdoor amenity space at the roof level, new window openings, façade rehabilitation, and reconstruction of the northern portion of the parcel for structured parking and additional mixed-use commercial/residential space. The project will result in approximately 50,000sf

of ground floor commercial retail with a total of 207 dwelling units on the four floors above. The proposed building height, with additions, is 97'-0" to the top of the 6<sup>th</sup> floor roof plus 15'-7" to the top of the rooftop mechanical screening. The building's parking garage is proposed to accommodate 257 automobiles and 207 bicycles. Pedestrian walkway improvements and additional landscaping to be provided along the Cuyler private roadway immediately north of the building site. (20785, 45th Ward)

A proposed Lake Michigan and Chicago Lakefront Protection Ordinance application, submitted by the Chicago Park District, for the property generally bounded by North Cannon Drive, West Fullerton Avenue and North Lakeview Avenue in Lincoln Park. The property is zoned POS-1 and is within the Public-Use Zone of the Lake Michigan and Chicago Lakefront Protection District. The applicant is proposing to dredge, grade, line and deepen the pond and restore the pond's edge with native plants to improve water quality, reduce erosion and run-off and reduce the pond's reliance on city water. The project will also add additional park amenities. (LF #759, 43rd Ward)

A proposed planned development and a proposed Lake Michigan and Chicago Lakefront Protection Ordinance Application, submitted by Eterra Plus LLC, for the property generally located at 525 S. Wabash Avenue, within the Private-Use Zone of the Lake Michigan and Chicago Lakefront Protection District. The Applicant is proposing to rezone the property from DX-12 (Downtown Mixed-Use District) to a Residential-Business Planned Development to construct a mixed-use residential and hotel development consisting of a 24-story and a 36-story tower connected by a commercial and parking base. The development will contain 777 residential units, 405 hotel keys, 41,000 square feet of commercial space, amenity space, and 151 accessory parking spaces. (20572 and LF#751; 42<sup>nd</sup> Ward)

The applicant is proposing to rezone the site from DC-12 (Downtown Core District) to a Residential-Business Planned Development to construct a mixed-use, two-phased development, consisting of two towers containing a total of 1,053 residential units, 430 accessory vehicular parking spaces, and ground floor commercial space. The first phase (Subarea A) is proposed to include a 535'-tall tower with 537 residential units, 400 accessory vehicular parking spaces, and ground floor commercial space. The second phase (Subarea B) is proposed to include a 465'-tall tower with 516 residential units, 30 accessory vehicular parking spaces, and ground floor commercial space. A 3.74 FAR bonus will be taken and the overall FAR of the planned development will be 15.74. (20703, 42nd Ward)

A proposed amendment to planned development #44, submitted by Glenstar O'Hare LLC, for the property generally located at 8535 West Higgins Road. The site is currently zoned Planned Development No. 44, and the applicant seeks to change the designation to Planned Development 44, as amended. The amendment would allow the applicant to divide Sub-Area B into three sub areas; Sub-Area B1 will include a 90' tall, seven-story building with 297 dwelling units and 270 required, accessory, vehicular, parking spaces. Sub-Areas B2 and B3 will retain previously approved development rights for a future office development with a maximum height of 190' and 1,230 required, accessory, vehicular, parking spaces. No changes are proposed to Sub-Area A. (20699; 41st Ward)

A proposed planned development, submitted by Lexington Homes, LLC, for the property generally located at 7400-7404 W. Talcott Avenue/7401-7425 W. Everell Avenue. The Applicant proposes to create a new Residential Planned Development on a net site area of 313,084sf which will consist of 50 new detached single-family houses, none to exceed the 30-foot height limit that currently applies to the underlying RS-2 Residential Single-Unit (Detached House) zoning district. Vehicular access to the new development will be from the south, at the

intersection of Talcott Avenue and a private road on the grounds of the former Resurrection Convent property. A restricted fire lane at the north end of the new development would provide emergency-only access on an as-needed basis. The project will provide 100 parking spaces through private garages accessed by new private rear alleys plus 15 additional guest parking spaces along the newly created residential street. (20700, 41<sup>st</sup> Ward)
