PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL

FOURTEEN POLICIES

- 1. Complete the publicly owned and locally controlled park system along the entire Chicago lakefront.**

Policy 1 is not applicable to the proposed development because the subject property is located west of Lake Shore Drive in the Private Use Zone, and therefore will not affect the publicly owned and locally controlled park system.

- 2. Maintain and enhance the predominately landscaped, spacious and continuous character of the lake shore parks.**

The proposed development is in the Private Use Zone and will have no adverse impact on pursuit of this policy.

- 3. Continue to improve the water quality and ecological balance of Lake Michigan.**

The proposed development includes storm water management features such as green roof areas and planting. Storm water detention facilities are not anticipated to be required based on the size of our project. The green roof areas help remove suspended solids from storm water and improve the quality of the water that may enter the combined city sewer system.

- 4. Preserve the cultural, historical, and recreational heritage of the lakeshore parks.**

The proposed development is in the Private Use Zone and will have no adverse impact on pursuit of this policy.

- 5. Maintain and improve the formal character and open water vista of Grant Park with no new above-ground structures permitted.**

- 7. Protect and develop natural lakeshore park and water areas for wildlife habitation.**

insects. Parkway trees are being proposed along the sidewalk to satisfy the Chicago Landscape Ordinance if permitted by CDOT.

8. Increase personal safety.

The proposal contemplates development that will increase personal safety by reusing and revitalizing an underutilized parcel and providing high-quality commercial/retail/restaurant opportunities, consistent with the surrounding neighborhood. The development of active uses will assist in increasing the personal safety of the neighborhood.

9. Design all lake edge and lake construction to prevent detrimental shoreline erosion.

The proposed development is not located on the lake edge or within the lake.

10. Ensure a harmonious relationship between the lakeshore parks and the community edge, but in no instance will further private development be permitted east of Lake Shore Drive.

The proposed new building is west of Lake Shore Drive, within the Private Use Zone.

11. Improve access to the lakeshore parks and reduce through vehicular traffic on secondary park roads.

The proposed development will have no negative impact on access to the lakeshore parks. The one parking space will be accessed via a private alley on the east side of the property.

The proposed development will have no adverse impact on pursuit of this policy.

13. Ensure that all port, water supply, and public facilities are designed to enhance lakefront character.

The proposed development is in the Private Use Zone and includes no port, water supply or other public facilities.

14. Coordinate all public and private development within the water, park and community zones.

The proposed development will be integrated with the pattern of existing development in the surrounding neighborhood.

The proposed development will further Purpose 1 by adding high-quality commercial space to the neighborhood. The proposed development provides for 1 dwelling units, which is less than the maximum 66 dwelling units that are permitted on the property under the DX-7 District. The proposed development will have no impact upon open space within the Public Use Zone of the Lake Michigan and Chicago Lakefront District.

- 2. To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated;**

The proposed development is in the Private Use Zone and will have no adverse impact on pursuit of this purpose.

- 9. To insure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the Lakefront Parks;**
