Of Council

We have audited the accompanying Statements of Financial Position of Andersonville Chamber of Commerce Special Service Area #22 as of December 31, 2010 and 2009 and the related statements of activities and statements of cash flows for the years then ended. These financial statements are the responsibility of Andersonville Special Service Area #22 management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and requirements applicable to financial audits established by the City of Chicago Department of Planning and Development. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph, present fairly, in all material respects, the financial position of Andersonville Chamber of Commerce Special Service Area #22 as of December 31, 2010 and 2009, and results of its operations and its cash flows for the years then ended, in the conformity with accounting principles generally accepted in the United States of America.

The 2010 and 2009 budget amounts, which were arrived at by the city of Chicago and the Andersonville Chamber of Commerce Special Service Area #22 and are shown in the statement of activities, as required by the City of Chicago Department of Planning and Development, are presented for comparison purposes. We have not performed any auditing procedures on the budget amounts and therefore, express no opinion on them. The summary schedule of audit findings is a requirement of the City of Chicago Department of Planning and Development and not a required part of the basic financial statements. The city requires we disclose any exceptions to the contract between the city and the SSA.

**ANDERSONVILLE CHAMBER OF COMMERCE
SPECIAL SERVICE AREA #22
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization - Andersonville Special Service Area #22 was created by the City of Chicago to provide additional services to the area. The primary source of funds is from real estate taxes on certain property in the Special Service Area. Special Services Area #22 generates revenue for the sole purpose of improving and enhancing the business district of Andersonville; the boundaries of which are generally properties fronting Clark from Victoria on the south to Ainslie on the north.

Activities and services funded include: cleaning and beautification activities, coordination of advertising and promotional events, attraction and recruitment of new quality businesses to the area, and technical assistance to existing and potential businesses.

Basis of Accounting - The accompanying financial statements have been prepared on the accrual method. Based on information provided by the Department of Planning and Development, the recognition of revenue by the SSA when received is considered within generally accepted accounting principles. This allows Special Service Area's to prepare financial statements on the accrual method.

Cash and Cash Equivalents - Cash and cash equivalents are held in the name of Andersonville Special Service Area #22 as required by the City of Chicago. All cash and earnings on such are to be used only as allowed by the City of Chicago. For purposes of the statements of cash flows, the Special Service Area considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 – NET ASSETS

Should the City decide to terminate the SSA, any funds remaining in the checking account are required to be returned to the City. The City is required to use the returned funds to provide services to the SSA area.

NOTE 3 – RELATED PARTY TRANSACTIONS

Andersonville Chamber of Commerce has been selected by the City as contractor to provide the services mentioned in Note 1. The Chamber collects the funds and pays expenses to provide the agreed services. The Chamber was paid \$59,190 in 2010 \$56,680 in 2009 for administration of the SSA. In addition, the Chamber is reimbursed for the SSA's portion of staffing and operating expenses.

**ANDERSONVILLE CHAMBER OF COMMERCE
SPECIAL SERVICE AREA #22
NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – REAL ESTATE TAX REVENUE

The Special Service Area's principal source of revenue is from real estate taxes levied on certain property located in the boundaries listed in Note 1. The taxes are assessed and collected by Cook County, and paid to the City of Chicago, which then remits to the Special Service Area. Taxes are levied in one year, but paid in two installments the following year by the property owners. The Special Service Area recognizes this revenue in the year in which the funds become available. The use of the funds received is limited to expenditures agreed to by the City of Chicago based on a budget prepared by the SSA and approved by the City.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURED LIMITS

The Special Service Area maintains its cash balances in one financial institution located in Chicago, Illinois. During 2010 and 2009, the balance was insured by the Federal Deposit Insurance Corporation up to \$250,000.

NOTE 6 – SUBSEQUENT EVENTS

Management believes that as of April 7, 2011, the date these financial statements were issued, that no subsequent events had occurred since December 31, 2010 which would be required to be disclosed in these financial statements.
