ARTICLE 3 DUTIES AND RESPONSIBILITIES OF CONTRACTOR

3.01 Scope of Services

The Services which the Contractor shall provide include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 1 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible

for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor shall pay the salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Part 60 et seq. (1990); and all other applicable federal statutes, regulations and other laws.

(ii) State Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq.(1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 Ill. Admin. Code § 750 Appendix A. (b) **Subcontractors**

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

“Arising under this Agreement” means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor’s performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor’s liability that it would otherwise have by virtue of the Worker’s Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker’s Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement (or, 6 years after the final payment made in connection with this Agreement, with respect to any records that are required to be maintained

pursuant to the Contractor's obligations under the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), which was part of the American Recovery and Reinvestment Act of 2009, specifically 45 C.F.R. § 164.530(j)), or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days' notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2018 ("Effective Date") and shall continue through December 31, 2018, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

3.01 Scope of Services

The Services which the Contractor shall provide include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 1 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. The Contractor shall comply with the insurance provisions attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

“Arising under this Agreement” means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor’s performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor’s liability that it would otherwise have by virtue of the Worker’s Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker’s Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement (or, 6 years after the final payment made in connection with this Agreement, with respect to any records that are required to be maintained

pursuant to the Contractor's obligations under the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), which was part of the American Recovery and Reinvestment Act of 2009, specifically 45 C.F.R. § 164.530(j)), or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days' notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

Subject to the restriction that the maximum amount that may be spent in calendar year 2018 may not exceed the amount set forth in the Agreement-Specific Information above, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. **THE CONTRACTOR IS RESPONSIBLE FOR RECONCILING THE ACCOUNT MONTHLY AND ACCOUNTING FOR ALL SERVICE TAX FUNDS. THE CONTRACTOR MUST REQUIRE ITS AUDITOR TO REPORT ON THE ACTIVITIES THAT ARE SUPPORTED BY THESE FUNDS IN A SEPARATE AUDIT TO ACCOUNT FOR CURRENT AND PRIOR YEARS' SERVICE TAX FUNDS.**

The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is set forth in the Agreement-Specific Information above and the wire transfer and the Account numbers are set forth in the Agreement-Specific Information above.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. (a) The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) (i) The City is subject to the June 16, 2014 the "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement.

Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

(c) The parties agree that this Contract is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

6.06 Business Relationships with Elected Officials

Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC Sect. 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

6.07 Wages

Contractor must pay the highest of (1) minimum wage specified by Mayoral Executive Order 2014-1; (2) "Living Wage" rate specified by MCC Sect. 2-92-610; (3) Chicago Minimum Wage rate specified by MCC Chapter 1-24, or (4) the highest applicable State or Federal minimum wage.

(a) Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts. A copy of the Order may be downloaded from the Chicago City Clerk's website at:

<http://chicityclerk.com/wp-content/uploads/2014/09/Executive-Order-No.-2014-1.pdf>

If this Agreement was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. As of July 1, 2017, the Minimum Wage to be paid pursuant to the Order is \$13.45 per hour. The Minimum Wage must be paid to:

- All employees regularly performing work on City property or at a City jobsite.
- All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of \$0.05. Such increase shall remain in effect until any subsequent adjustment is made.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors' operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Agreement or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment of a Base Wage pursuant to MCC Sect. 2-92-610 is required for work or services done under this Agreement, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

(b) Chicago "Living Wage" Ordinance

(i) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (A) If Contractor has 25 or more full-time employees, and
- (B) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
- (C) Contractor must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(ii) Contractor's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement

(iii) As of July 1, 2017, the Base Wage is \$12.30 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(iv) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage,

upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(v) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

(c) Chicago Paid Sick Leave Ordinance

The Paid Sick Leave Ordinance, which is published in the June 22, 2016 Council Journal, pages 27188 – 27197 and which is codified at MCC 1-24-045, became effective July 1, 2017. Contractor understands that, to the extent that the Ordinance applies to its activities, it must comply with the Ordinance.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which

the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 2, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants:

(i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor must comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

6.14 Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts. A copy of the Order may be downloaded from the Chicago City Clerk's website at:

<http://chicityclerk.com/wp-content/uploads/2014/09/Executive-Order-No.-2014-1.pdf>

If this Agreement was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. As of July 1, 2016, the Minimum Wage to be paid pursuant to the Order is \$13.15 per hour. The Minimum Wage must be paid to:

- All employees regularly performing work on City property or at a City jobsite.
- All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of \$0.05. Such increase shall remain in effect until any subsequent adjustment is made.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Agreement or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment of a Base Wage pursuant to MCC Sect. 2-92-610 is required for work or services done under this Agreement, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSIONARTICLE

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

- (1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;
- (2) failure to perform the Services in a manner satisfactory to the City;
- (3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
- (4) discontinuance of the Services for reasons within the Contractor's reasonable control;
- (5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and
- (6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

The Contractor must also provide to the City, no later than June 1st of each year, a Full-Year Assessment. Explanations COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract No._____ and Specification No._____ ("Contract"). Special Service Area - Additional Audit Requirements

Accounting System

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance for the Contractor's Selection of a CPA Firm (Independent Auditor)

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria, and scope of the work required. Audit firm evaluations can replace an annual RFP process; an RFP process every three years is preferred.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit.
 - b. Qualifications of the CPA Firm, management, and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education that is relevant to the performance of this engagement during the previous 2 years,
 - e. Whether the CPA Firm has received a positive peer review within the last 3 years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past 3 years.
 - h. Confirmation the CPA Firm and key personnel assigned to this engagement maintains an active license in the State of Illinois and attached a copy of a current license with the RFP response or annually.
 - i. Confirmation the CPA Firm is not on the City's debarred vendor list.
 - j. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.

- e. The information provided by respondents in response to the RFP, including cost and independence.
5. Rate the proposals as follows:

CITY OF CHICAGO

MULTI- PROJECT LABOR AGREEMENT

This Model Multi-Project Labor Agreement ("Agreement") is entered into by and between City of Chicago, an Illinois municipal corporation, as Owner, on behalf of itself and each of its contractors, subcontractors of whatsoever tier performing construction work on any project to which this Agreement shall be applicable, and each of the undersigned labor organizations signatory hereto.

Whereas, Owner is responsible for construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago, Illinois; Due to the size, scope, cost and duration of the multitude of Projects traditionally performed by the City of Chicago, the parties to this Agreement have determined that it is in their interest to have these Projects completed in the most timely, productive, economical and orderly manner possible, and without labor disruptions of any kind that might interfere with, or delay, any of these Projects;

Whereas, the parties have determined that it is desirable to eliminate the potential for friction and disruption of these Projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation, and that such mutual undertakings should be maintained, and if possible, strengthened, and that the ultimate beneficiaries remain the Owner of the project; and,

Whereas, the Owner acknowledges that it has a serious and ongoing concern regarding labor relations associated with the Projects and through its completion irrespective of the existence of a collective bargaining relationship with any of the signatory labor organizations.

NOW THEREFORE, in order to further these goals and objectives and to maintain the spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, Owner its representatives and agents shall not contract or subcontract, nor permit any other person, firm, company, or entity to contract or subcontract, any construction, demolition, rehabilitation or renovation work for the Project work covered under this Agreement or within the trade jurisdiction of the signatory labor organization, to be performed at the Site of construction or off-site solely for installation at the Site (including all tenant improvements, if applicable), unless such work is performed only by a person, firm or company signatory, or willing to become signatory, to the applicable area-wide collective bargaining agreement(s) with the union(s) or the appropriate trade/craft union(s) or subordinate body or affiliate of the Chicago & Cook County Building & Construction Trades Council ("Council") or the Teamsters' Joint Council No. 25. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all Requests for Bids and/or Proposals and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all contractors and subcontractors; provided that the total Project value exceeds \$25,000.00. In no event shall contracts be "split" so as to avoid the applicability of this Agreement. In the event a dispute arises with respect to the applicability of this Multi-Project Labor Agreement to a particular project, the parties agree to submit said dispute to final and binding arbitration before a Permanent Umpire who shall be mutually agreed to by the parties.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement(s) executed by said bidder shall be the relevant area-wide agreement(s) regulating or governing wages, hours and other terms and conditions of employment.
3. During the term of this Agreement, the Owner or any Project contractor and subcontractor shall engage in no lockout.
4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives, or employees shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any Site covered under this Agreement for any reason whatsoever, including but not limited to the expiration of any of the collective bargaining agreements referred to on Appendix A. In the event of an economic strike or other job action upon the termination of an existing collective bargaining agreement, in no event shall any adverse job action be directed against any covered Project. All provisions of the subsequently negotiated collective bargaining agreement shall be retroactive for all employees working at a Project Site, provided such a provision for retroactivity is contained in the newly negotiated collective bargaining agreement.
5. Each Union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that in the event any such act takes place or is engaged in by any employee or group of employees, each Union signatory hereto further agrees that it will use its best efforts (including its full disciplinary power under its Constitution and/or By-Laws) to cause an immediate cessation thereof.
6. Any contractor or subcontractor signatory or otherwise bound stipulated or required to abide by and to any provisions of this Agreement shall have the right to discharge or discipline any employee who violates the provisions of this Agreement. Such discharge or discipline by a contractor or subcontractor shall be subject to the Grievance/Arbitration procedure of the applicable collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be disturbed. Work at any Site covered under this Agreement shall continue without disruption or hindrance of any kind during any Grievance/ Arbitration procedure.
7. The parties expressly authorize a court of competent jurisdiction to order appropriate injunctive relief to restrain any violation of this Agreement, any form of self-help remedy is expressly forbidden. Nothing in the foregoing shall restrict any party to otherwise judicially enforce any provision of its collective bargaining agreement between any labor organization and a contractor with whom it has a collective bargaining relationship.
8. This Agreement shall become effective, and shall be included in all Requests for Proposals and/or Bids, all Purchase Orders, Contracts or other arrangements issued by the City of Chicago for work described in Paragraph 1 above immediately subsequent to the ratification of the Ordinance authorizing this Multi-Project Labor Agreement by the City Council.
9. This Agreement shall expire on December 31, 2016 and shall be automatically extended for an additional five (5) year term unless the parties issue a notice to terminate between sixty (60) and (30) days prior to the initial expiration date.

10. In the event a dispute shall arise between any contractor or subcontractor of the Project and any signatory labor organization and/or fringe benefit fund established under any of the appropriate collective bargaining agreements as to the obligation and/or payment of fringe benefit contributions provided under the collective bargaining agreement, upon proper notice to the contractor(s) or subcontractor(s) by the applicable labor organization or fringe benefit fund and to the contractor or subcontractor, an amount sufficient to satisfy the amount claimed shall be withheld from the contractor's or subcontractor's regularly scheduled periodic payment from the contractor or subcontractor, or their agents until such time as said claim is resolved.
11. In the event of a jurisdictional dispute by and between any labor organizations signatory hereto, such labor organizations shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to trade or work jurisdiction, all parties, including the employers, contractors or subcontractors, agree that a final and binding resolution of the dispute shall be resolved as follows:
 - a.) Representatives of the affected trades shall meet on the job site within forty-eight (48) hours after receiving notice in an effort to resolve the dispute. (In the event there is a dispute between local unions affiliated with the same International Union, the decision of the General President, or his/her designee, as the internal jurisdictional authority of that International Union, shall constitute a final and binding decision and determination as to the jurisdiction of work.)
 - b.) If no settlement is achieved subsequent to the preceding Paragraph, the matter shall be referred to the Chicago & Cook County Building & Construction Trades Council, which shall meet with the affected trades within forty-eight (48) hours subsequent to receiving notice. An agreement reached at this Step shall be final and binding.
 - c.) If no settlement agreements is reached during the proceedings contemplated by Paragraph "a" or "b" above, the matter shall be immediately referred to the Joint Conference Board, established by the Standard Agreement between the Construction Employers' Association and the Chicago & Cook County Building & Construction Trades Council, which may be amended from time to time, for final and binding resolution of said dispute. Said Standard Agreement is attached hereto as Appendix "B" and specifically incorporated into this Agreement.
12. This Agreement shall be incorporated into and become part of the collective bargaining agreements between the Unions signatory hereto and contractors and subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail except for all work performed under the NT Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, all instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for instrument and Control Systems Technicians, and the National Agreement of the International Union of Elevator Constructors with the exception of the content and subject matter of Articles V, VI and VII of the AFL-CIO's Building & Construction Trades Department model Project Labor Agreement.
13. The parties agree that in the implementation and administration of this Agreement, it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of labor relations disputes arising out of this Agreement. To that end, each party hereto agrees to designate, in writing, a representative to whom problems can be

directed which may arise during the term of this Agreement. Within forty-eight (48) hours after notice of the existence of any problem, representatives of each party shall meet to discuss and, where possible, resolve such problems. The representative of the signatory unions shall be Thomas Villanova, or his designee, President of the Chicago & Cook County Building & Construction Trades Council. The representative of Owner shall be the Corporation Counsel or his/her designee.

14. If any provision, section, subsection or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal, or unenforceable in whole or in part, and such determination shall become final, such provision or portion shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as thus amended, shall be enforced so as to give effect to the intention of the parties insofar as that is possible. In addition, the parties hereby expressly empower a court of competent jurisdiction to modify any term or provision of this Agreement to the extent necessary to comply with existing law and to enforce this Agreement as modified.
15. Owner and General Contractor, on behalf of themselves and their contractors and subcontractors agree that the applicable substance abuse policy (i.e., drug, alcohol, etc.) applicable to the employees working on any covered Project shall be that as contained, or otherwise provided for, in the area-wide collective bargaining agreements attached at Appendix "A" to this Agreement. Nothing in the foregoing shall limit the Owners and/or General Contractor, its contractors or subcontractors from instituting its own substance abuse policy governing other employees performing work on a Project not otherwise covered under this Agreement. In the event there is no substance abuse policy in the applicable collective bargaining agreement, the policy adopted by the Owners and/or General Contractor may apply.
16. The parties recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The parties agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter referred to as the "Center") and the Center's Helmets to Hardhats" program to service as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties. The parties also agree to coordinate with the Center to create and maintain an integrated database of veterans interested in working on this project and of apprenticeship and employment opportunities for these Projects. To the extent permitted by law, the parties will give appropriate credit to such veterans for bona fide, provable past experience, in the building and construction industry.

The parties recognize the importance of facilitating the goals and objectives of the Apprenticeship & Training Initiative agreed to by the parties in separate collective bargaining agreements applicable to employees of the Owner. Additionally, parties agree to incorporate the duties and responsibilities associated with the Supplemental Addendum to the Multi-Project Labor Agreement between the signatory labor organizations and the Chicago Public Schools attached hereto in Appendix "C" and incorporated herein. Towards these ends, the undersigned labor organizations will assist and cooperate with the Owner, the Chicago Public Schools, City Colleges and contractors in monitoring and enforcing the foregoing commitments, including providing relevant information requested by the Owner for the purpose of such monitoring and enforcement, including

the information provided for in Paragraph 3(E) of the Supplemental Addendum with CPS. Upon execution of this Agreement, representatives of the Owner and the Chicago Building Trades Council will immediately meet for the purpose of establishing the specific mechanism by which this information will be gathered, processed and reported.

The parties hereto agree and acknowledge that the commitments set forth herein, including those in the attached Appendix "C" are interdependent. In the event the goals and commitments set forth in Appendix "C" are not realized, the City shall bring this to the attention of the Chicago Building Trades Council ("Council"), and the parties shall immediately meet for the purpose of identifying the cause(s) of said failure and implement necessary measures to remedy the failure. Should the Council's affiliate members refuse to implement measures reasonably necessary to realize these goals and commitments, the City may terminate this Agreement subsequent to January 13, 2013. If, as of June 1, 2012, the City believes that the Council's affiliate members have failed to implement measures reasonably necessary to realize these goals and commitments, the City may at that time deliver to the Council formal written notice of intent to terminate this Agreement on January 1, 2013. Upon deliverance of such notice, the parties shall immediately meet to craft and implement additional measures to remedy such failure. If the parties are unsuccessful in implementing satisfactory measures, the City may implement said notice of termination on January 1, 2013.

The parties acknowledge the Residency requirement for employees of contractors and subcontractors in the standard City of Chicago construction contract. The parties also agree to cooperatively work and monitor compliance with these requirements and to work cooperatively to facilitate and work in good faith to the achievement of said required Residency provision including union attendance at pre-bid conferences with prospective contractors and subcontractors as well as other reasonable undertakings to demonstrate progress in this regard.

17. The parties agree that contractors and subcontractors working under the provisions of this Agreement shall be required to strive to utilize the maximum number of apprentices on said Project as permitted under the applicable collective bargaining agreement as contained in Appendix "A".
18. This document, with each of the Attachments, constitutes the entire agreement of the parties and may not be modified or changed except by the subsequent written agreement of the parties.
19. All parties represent that they have the full legal authority to enter into this Agreement.

The undersigned, as the Owner and Labor Organizations on the Project, agree to all of the terms and conditions contained in this Agreement.
