

CONTINUING EDUCATION

TAXI COURSES

at Olive-Harvey College and Truman College

Taxi Access Program – Accessibility Training

This is a twelve-hour training session, over two (2) days for industry professionals on how to transport persons with disabilities, and how to use the PACE-TAP voucher system to ensure payments. Using a replica of the actual van used in transporting persons with disabilities, students are given hands-on instructions in handling and securing wheelchairs. Morning and Afternoon classes are available beginning on Thursdays, excluding holidays.
