Exciting News for Taxicab Chauffeurs!

Continuing Education Requirement for Taxicab Chauffeurs ELIMINATED!

The City of Chicago Revenue Ordinance that passed on October 28, 2015 included amendments to the Chicago Municipal Code Chapter 9-112 (titled "Taxicabs").

The amendments include the deletion of MCC section 9-112-350 that required taxicab affiliations to offer FREE continuing education courses to affiliated taxicab chauffeurs.

As taxicab affiliations are no longer mandated to offer FREE continuing education courses, the Department of Business Affairs and Consumer Protection (BACP) will no longer be requiring submission of continuing education completion certificates during the taxicab chauffeur license renewal process.

Effective immediately, taxicab chauffeurs are no longer required to submit continuing education completion certificates during license renewal at the Public Vehicle Operations Facility at 2350 W. Ogden, Chicago, Illinois.
