Notice No. 15-128

Introducing CHICABS to the Taxicab Industry!

CHICABS is the City of Chicago sponsored e-hail taxicab dispatch program. CHICABS will provide safe and secure options to hail and/or pay for a Chicago taxicab ride. CHICABS will offer options for taxicab passengers to electronically hail (E-Hail) a taxicab through a mobile app. CHICABS approved apps will also let passengers electronically pay (E-Pay) for the taxicab fare through the app. CHICABS apps will benefit taxicab drivers by increasing the number of potential fares and streamlining the cab fare payment process.

CHICABS (chicabs.org) selected E-Hail and E-Pay apps:

CURB (go curb.com) and **ARRO** (goarro.com)

Taxicab drivers and owners are invited to stop by the CHICABS Registration Fair next week and learn about and register with CURB and/or ARRO.
