

Englewood STI Service Options 641 W. 63rd Street

Beginning January 13, the Chicago Department of Public Health (CDPH) will no longer provide testing and treatment for sexually transmitted infections (STIs) at 641 W. 63rd Street. However, Mile Square and Howard Brown Health offers the same services at the same location at 641 W. 63rd Street. CDPH also provides STI services at three other city clinics.

Howard Brown Health Englewood

Howard Brown Health provides community healthcare and wellness services for all people regardless of gender identity, sexual orientation, age or insurance status. We accept all types of insurance, offer a sliding scale and see anyone that comes through our doors. For more information visit our front desk or howardbrown.org or call 773-388-1600. Walk-ins welcome!
