Program Authority and Purpose:
This Request for Proposals (RFP) is issued by the City of Chicago (City on behalf of the Chicago Department of Public Health (CDPH) School Based Oral Health Program. The City is seeking proposals from organizations capable of providing oral health care in a School Based Dental Sealant Program (providers). No funds are available through this RFP; providers are permitted to bill All Kids or Medicaid for services provided. If the student is not covered by either of these programs, the services will be donated. All children in grades pre-K- twelfth grade presenting a signed parental consent for services are eligible to participate and receive services under the School Based Dental Sealant Program, regardless of insurance status. Providers are expected to serve all students that have a signed parental consent to receiving care, regardless of insurance status.

Available Funding/Contract Terms:
This is a no-fund contract. Each contracted entity will be assigned one School Packet at the beginning of each academic school year. Contracted entities are not eligible to receive additional School Packets during any given year. A School Packet is a listing of schools, approximately 25-40 schools, where the contracted entity must provide services as described in the scope of services of the contract. CDPH and Chicago Public Schools (CPS) are currently renewing a new Intergovernmental Agreement to assure these services can be implemented throughout CPS. CDPH has also secured ordinance authority to expand the school based oral health program to non-public schools. CDPH is currently negotiating an agreement with the Archdiocese of Chicago to include their schools in this three year contract period.

The contracts resulting from this RFP are scheduled to begin September 1, 2015 and run through August 31, 2018. All proposed activities must be performed within that time period. An annual performance review will be conducted and if any of the performance standards have not been met, CDPH reserves the right to terminate the contract.

Contracted entity must pay an administrative fee of $50,000 per School Packet per year to the City of Chicago, Chicago Department of Public Health. The CDPH Administration Fee covers the expenses of CDPH to operate the program and conduct the Quality Assurance Program that is mandated by the Illinois Department of Public Health. The administrative fee is due within 10 business days of receipt of the school assignments. However, Contracted entity also has the option of paying the administrative fee three times per year if a request is made within 10 business days after receipt of the School Packet. If CDPH approves the request, a payment of $16,666.66 is to be paid on January 31, April 30, and June 30 of each contract year. Annually, CDPH will conduct a retrospective evaluation of its administrative costs of operating the School Based Dental Sealant Program to ensure the administrative fee charged to the providers does not exceed the CDPH expenses.
Program Background:
The CDPH School Based Oral Health Program started in 2000 serving 750 students and has grown over the past 14 years to provide services to students in all CPS schools in grades PreK-12 reaching upwards of 120,000 students annually. Services provided include a dental exam/screening, an oral prophylaxis (cleaning), fluoride treatment and dental sealants as prescribed by the dentist. CDPH administers a Quality Assurance program which reviews the participating oral health providers to assure best practice and compliance with the Illinois Dental Practice Act (225 ILCS 25), all applicable local, state, and federal laws and regulations, the Program’s Protocol, Blood borne Pathogens, and OSHA Requirements.

You represent and warrant that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached you or the date you approached the City, as applicable, regarding the formulation of the grant agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

You shall not: (a) coerce, compel or intimidate your employees to make a contribution of any amount to the Mayor or to the Mayor’s political fundraising committee; (b) reimburse your employees for a contribution of any amount made to the Mayor or to the Mayor’s political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under the grant agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under the grant agreement, under any Other Contract, at law and in equity. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) You are aware that City policy prohibits City employees from directing any individual to apply for a position with you, either as an employee or as a subcontractor, and from directing you to hire an individual as an employee or as a subcontractor. Accordingly, you must follow your own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by you under the grant agreement are employees or subcontractors of you, not employees of the City of Chicago. The grant agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by you.

(c) You will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under the grant agreement, or offer employment to any individual to provide services under the grant agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of the grant agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to you by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, you will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (“IGO Hiring Oversight”), and also to the head of the Department. You will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.
