The 2017 Chicago Air & Water Show welcomes the acclaimed U.S. Navy Blues Angels to headline this year’s event. The event is the oldest and largest free air exhibition of its kind in the United States and continues to be one of the city’s most anticipated summer events. Drawing an average crowd of 1 million people, the show features the precision flying at its finest. The U.S. Army Parachute Team Golden Knights plus the U.S. Navy Leapfrogs are also scheduled to thrill the audience at North Avenue Beach. Numerous military and civilian demonstrations round out the program.
