

PROFESSIONAL DEVELOPMENT PROGRAM SERIES

2018

February - November

Chicago Cultural Center and Citywide

OVERVIEW

In 2018, DCASE will activate a new, free Professional Development Program Series that will provide workshops, panels and unique showcasing opportunities for Chicago’s emerging creative community. The program will be directly connected to many of DCASE’s most visible festivals, programs, and special events including Year of Creative Youth 2018, Chicago House Music Festival, Chicago Gospel Music Festival, Chicago Jazz Festival and more.

The Professional Development Program Series aims to increase the vitality, connectedness, and exposure of Chicago’s emerging community and to build clear roadmaps and pathways for participation and professional development.

A Presenting Sponsorship provides 10 months of exposure during bi-monthly programs at the Chicago Cultural Center and at select programs throughout the city.
