NOTES TO FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization - Lithuanian Human Services Marquette Park Special Service Area #14 was created by the City of Chicago to provide additional services to the area. The primary source of funds is from real estate taxes on property in the Special Service Area. Special Services Area #14 generates revenue for the sole purpose of hiring and coordinating the efforts of a licensed security firm which will attempt to reduce the number of illegal incidences occurring in the Marquette Park area.

Basis of Accounting - The accompanying financial statements have been prepared on the accrual method. Based on information provided by the Department of Planning and Development, the recognition of revenue by the SSA when received would be considered within generally accepted accounting principles. This allows Special Service Area's to prepare financial statements on the accrual method.

Cash and Cash Equivalents - Cash and cash equivalents are held in the name of Special Service Area #14 as required by the City of Chicago. All cash and earnings on such are to be used only as allowed by the city. For purposes of the statements of cash flows, the Special Service Area #14 considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 – NET ASSETS

Should the City decide to terminate the SSA, any funds remaining in the checking account are required to be returned to the City. The City is required to use the returned funds to provide services to the SSA area.

NOTE 3 – RELATED PARTY TRANSACTIONS

Lithuanian Human Services has been selected by the City as contractor to provide the services mentioned in Note 1. The Organization collects the funds and pays expenses to provide the agreed services. The Organization was paid \$56,652 in 2010 and \$37,956 in 2009.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – REAL ESTATE TAX REVENUE

The Special Service Area #14's principal source of revenue is real estate taxes levied on certain property located in Marquette Park. The taxes are assessed and collected by Cook County, and paid to the City of Chicago, which then remits to the Special Service Area #14. Taxes are levied in one year, but paid in two installments the following year by the property owners. The Special Service Area #14 recognizes this revenue in the year in which the funds become available. The use of the funds received is limited to expenditures agreed to by the City of Chicago based on a budget prepared by the SSA and approved by the City. Individuals who pay their real estate taxes late are charged interest. The later the payment the greater the interest charge. The City passes the interest charge on to the SSA.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURED LIMITS

The Special Service Area #14 maintains its cash balances in one financial institution located in Chicago, Illinois. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. The cash balances exceed the F.D.I.C. limits several times during the years under audit.

NOTE 6 – SUBSEQUENT EVENTS

Management believes that as of May 20, 2011, the date these financial statements were issued, that no subsequent events had occurred since December 31, 2010 which would be required to be disclosed in these financial statements.
